Failure of any applicant to provide convincing documentation proving such status as a charitable organization under Section 501(c)(3) of the Internal Revenue Code shall result in automatic denial of project approval and denial of project certification under this article.

(3) *Criteria for evaluation.* — In evaluating projects for approval, the board shall give priority to projects based upon the following criteria. A proposed project shall be favored if:

(A) The project is community based.

(1) Upon issuance of approval for a project by the board, the approved project shall be certified by the Director of the West Virginia Development Office: *Provided*, That no certification may issue for any project, even though the project may have been approved by the board, if the issuance of certification for such project will cause the aggregate amount of tax credits certified to exceed the limitation set forth in this article. No certification may be issued by the Director of the West Virginia Development Office for any project which has not been approved by the board.

(2) The West Virginia Development Office shall promptly notify applicants of the issuance of certification for their projects and shall issue tax credit vouchers to certified project applicants in the amount of the tax credit represented by the project.

(3) The West Virginia Development Office may provide incidental technical support and guidance to projects certified under this article and may monitor the progress of the projects. The West Virginia Development Office shall make a biannual report to the board on the progress of certified projects and the program generally.
