A local levying body may provide for an election to increase the levies by entering on its record of proceedings an order setting forth:

- (2) The amount for each purpose;
- (3) The total amount needed;
- (4) The separate and aggregate assessed valuation of each class of taxable property within its jurisdiction;
- (5) The proposed additional rate of levy in cents on each class of property;
- (6) The proposed number of years, not to exceed five, to which the additional levy applies;
- (7) The fact that the local levying body shall or shall not issue bonds, as provided by this section, upon approval of the proposed increased levy.

The local levying body shall submit to the voters within their political subdivision the question of the additional levy at either a regularly scheduled primary or general election in accordance with the requirements of §3-1-31 of this code. If at least 60 percent of the voters cast their ballots in favor of the additional levy, the county commission or municipality may impose the additional levy. If at least a majority of voters cast their ballot in favor of the additional levy, the county board of education may impose the additional levy: *Provided*, That any additional levy adopted by the voters, including any additional levy adopted prior to the effective date of this section, shall be the actual number of cents per each \$100 of value set forth in the ballot provision, which number shall not exceed the maximum amounts prescribed in this section, regardless of the rate of regular levy then or currently in effect, unless such rate of additional special levy is reduced in accordance with the provisions of §11-8-6g of this code or otherwise changed in accordance with the applicable ballot provisions. For county commissions, this levy shall not exceed a rate greater than seven and fifteen hundredths cents for each \$100 of value for Class I properties, and for Class II properties a rate greater than twice the rate for Class I properties, and for Class III and IV properties a rate greater than twice the rate for Class II properties. For municipalities, this levy shall not exceed a rate greater than six and twenty-five hundredths cents for each \$100 of value for Class I properties, and for Class II properties a rate greater than twice the rate for Class I properties, and for Class III and IV properties a rate greater than twice the rate for Class II properties. For county boards of education, this levy shall not exceed a rate

greater than twenty-two and ninety-five hundredths cents for each \$100 of value for Class I properties, and for Class II properties a rate greater than twice the rate for Class I properties, and for Class III and IV properties a rate greater than twice the rate for Class II properties.

Levies authorized by this section shall not continue for more than five years without resubmission to the voters.

Upon approval of an increased levy as provided by this section, a local levying body may immediately issue bonds in an amount not exceeding the amount of the increased levy plus the total interest thereon, but the term of the bonds shall not extend beyond the period of the increased levy.

Insofar as they might concern the issuance of bonds as provided in this section, the provisions of §13-1-3 and §13-1-4 of this code shall not apply.

In the event that a majority of the votes cast upon a question submitted pursuant to this section at any primary election be against the question, the question may again be submitted to the voters at the next succeeding general election.
