(a) *Sale of municipally owned toll bridge.* — Any municipality which owns and operates a toll bridge pursuant to this article may, at the sole discretion of the municipality, and upon adoption of a resolution to such effect by the council of such municipality, sell and convey such toll bridge to a private toll transportation facility subject to such terms and conditions as the council of such municipality may agree.

(b) *Privilege to maintain tolls.* — Any private toll transportation facility purchasing a municipally-owned toll bridge located fewer than five miles from a toll-free bridge which crosses the same body of water or obstacle pursuant to subsection (a) of this section may retain, modify, and collect any such toll charges for the use thereof on persons and things passing over any such bridge as the facility may, by resolution, from time to time prescribe.

(c) *Electronic collection of tolls and imposition of liability for payment.* — The collection and enforcement of tolls for the use of any such bridge may be accomplished by electronic toll collection in the same manner and procedures as provided in §17-16D-1 *et seq.* of this code, and the imposition of liability for payment of such tolls shall apply as set forth specifically in §17-16D-5, §17-16D-6, §17-16D-7, and §17-16D-10 of this code: Provided, That the toll rates provided for in §17-17-9 of this code shall not apply to a private toll transportation facility.

(f) *Divestment of private toll bridge.* — Nothing in this section shall be construed to limit or prevent the subsequent sale, lease, assignment, or transfer of a municipally-owned toll bridge purchased by a private toll transportation facility, provided that all other requirements of this section are met.
