WEST VIRGINIA CODE: §17C-17A-4

§17C-17A-4. Special permit issuance; and promulgation of rules.

- (a) The commission may issue permits to authorize the hauling of coal of a greater gross and axle weight than otherwise authorized by state law on roads designated by the commissioner of highways as coal resource transportation roads.
- (b) Notwithstanding the provisions of section three, article one, chapter twenty-nine-a of this code, the commission shall promulgate emergency and legislative rules to effectuate purposes of this section, which shall provide, at a minimum, the following:
- (1) Twenty-four hours' mandatory specialized training requirements for commercial vehicles operators with less than two years of commercial driving experience;
- (2) Requirements for random drug and alcohol testing; and
- (3) Requirements for daily records consistent with the provisions of any applicable federal statutory or regulatory requirements.
