

WEST VIRGINIA CODE: §19-16-3B

§19-16-3b. Records.

Each person whose name appears on the label as handling agricultural, vegetable, tree and shrub, or flower seeds subject to this article shall keep, for a period of two years, complete records of each lot of agricultural, vegetable, tree and shrub, or flower seeds handled, and shall keep for one year a file sample of each lot of seed after final disposition of said lot. All such records and samples shall be accessible for inspection by the commissioner during customary business hours.
