

WEST VIRGINIA CODE: §8-13-5

§8-13-5. Business and occupation or privilege tax; limitation on rates; effective date of tax; exemptions; activity in two or more municipalities; administrative provisions.

NOTE: West Virginia Code §8-13-5 was amended by two bills passed during the 2022 Regular Session of the Legislature. When two acts of the Legislature amend the same section of the Code without express recognition in the bill of the action of the other bill, the Legislative Manager makes no determination as to the appropriate, legal effect of the two acts. Therefore, BOTH versions of this section are set out below.

The latter act, House Bill 4636 (passed on March 12, 2022), amended West Virginia Code §8-13-5 to read as follows:

(a) *Authorization to impose tax.* — (1) Whenever any business activity or occupation, for which the state imposed its annual business and occupation or privilege tax under §11-13-1 *et seq.* of this code, prior to July 1, 1987, is engaged in or carried on within the corporate limits of any municipality, the governing body thereof shall have plenary power and authority, unless prohibited by general law, to impose a similar business and occupation tax thereon for the use of the municipality.

(2) Municipalities may impose a business and occupation or privilege tax upon every person engaging or continuing within the municipality in the business of aircraft repair, remodeling, maintenance, modification, and refurbishing services to any aircraft, or to an engine or other component part of any aircraft as a separate business activity.

(b) *Maximum tax rates.* — In no case shall the rate of the municipal business and occupation or privilege tax on a particular activity exceed the maximum rate imposed by the state, exclusive of surtaxes, upon any business activities or privileges taxed under §11-13-2a, 11-13-2b, 11-13-2c, 11-13-2d, 11-13-2e, 11-13-2g, 11-13-2h, 11-13-2i, and 11-13-2j of this code, as those rates were in effect under §11-13-1 *et seq.* of this code, on January 1, 1959, or in excess of one percent of gross income under §11-13-2k of this code, or in excess of three-tenths of one percent of gross value or gross proceeds of sale under §11-13-2m of this code. The rate of municipal business and occupation or privilege tax on the activity described in subdivision (2), subsection (a) of this section shall be ten one-hundredths of one percent. The rate of municipal business and occupation or privilege tax on the activity of a health maintenance organization holding a certificate of authority under the provisions of §33-25A-1 *et seq.* of this code, shall not exceed one-half of one percent to be applied solely to that portion of gross income received from the Medicaid program pursuant to Title XIX of the Social Security Act, the state employee programs administered by the Public Employees Insurance Agency pursuant to §5-16-1 *et seq.* of this code, and other federal programs, for health care items or services provided directly or indirectly by the health maintenance organization, that is expended for administrative expenses; and shall not exceed one half of one percent to be applied to the gross income received from enrollees, or from employers on behalf of enrollees, from sources other than Medicaid, state employee programs administered by the Public Employees Insurance Agency, and other federal programs for

health care items or services provided directly or indirectly by the health maintenance organization: *Provided*, That this tax rate limitation shall not extend to that part of the gross income of health maintenance organizations which is received from the use of real property other than property in which any company maintains its office or offices in this state, whether the income is in the form of rentals or royalties. This provision concerning the maximum municipal business and occupation tax rate on the activities of health maintenance organizations is effective beginning after December 31, 1996. Any payments of business and occupation tax made by a health maintenance organization to a municipality for calendar year 1997 is not subject to recovery by the health maintenance organization. Administrative expenses shall include all expenditures made by a health maintenance organization other than expenses paid for claims incurred or payments made to providers for the benefits received by enrollees.

(c) *Effective date of local tax.* — Any taxes levied pursuant to the authority of this section may be made operative as of the first day of the then current fiscal year or any date thereafter: *Provided*, That any new imposition of tax or any increase in the rate of tax upon any business, occupation or privilege taxed under §11-2E-1 *et seq.* of this code, applies only to gross income derived from contracts entered into after the effective date of the imposition of tax or rate increase, and which effective date shall not be retroactive in any respect: *Provided, however*, That no tax imposed or revised under this section upon public utility services may be effective unless and until the municipality provides written notice of the same by certified mail to said public utility at least 60 days prior to the effective date of said tax or revision thereof.

(d) *Exemptions.* — A municipality shall not impose its business and occupation or privilege tax on any activity that was exempt from the state's business and occupation tax under the provisions of §11-13-3 of this code, prior to July 1, 1987, and determined without regard to any annual or monthly monetary exemption also specified therein: *Provided*, That on and after July 1, 2007, a municipality may impose its business and occupation or privilege tax on any activity of a corporation, association, or society organized and operated exclusively for religious or charitable purposes that was exempt from the state's business and occupation tax under the provisions of §11-13-3 of this code, prior to July 1, 1987, but only to the extent that the income generated by the activity is subject to taxation under the provisions of §511 of the Internal Revenue Code of 1986, as amended.

(e) *Activity in two or more municipalities.* — Whenever the business activity or occupation of the taxpayer is engaged in or carried on in two or more municipalities of this state, the amount of gross income, or gross proceeds of sales, taxable by each municipality shall be determined in accordance with legislative rules as prescribed by the Tax Commissioner. It is the intent of the Legislature that multiple taxation of the same gross income, or gross proceeds of sale, under the same classification by two or more municipalities shall not be allowed, and that gross income, or gross proceeds of sales, derived from activity engaged in or carried on within this state, that is presently subject to state tax under §11-13-2c or §11-13-2h of this code, which is not taxed or taxable by any other municipality of this state, may be included in the measure of tax for any municipality in this state, from which the

activity was directed, or in the absence thereof, the municipality in this state in which the principal office of the taxpayer is located. Nothing in this subsection shall be construed as permitting any municipality to tax gross income or gross proceeds of sales in violation of the Constitution and laws of this state or the United States, or as permitting a municipality to tax any activity that has a definite situs outside its taxing jurisdiction.

(f) Where the governing body of a municipality imposes a tax authorized by this section, the governing body may offer tax credits from the tax as incentives for new and expanding businesses located within the corporate limits of the municipality.

(g) *Administrative provisions.* — The ordinance of a municipality imposing a business and occupation or privilege tax shall provide procedures for the assessment and collection of the tax, which shall be similar to those procedures in §11-13-1 *et seq.* of this code, as in existence on June 30, 1978, or to those procedures in §11-10-1 *et seq.* of this code, and shall conform with such provisions as they relate to waiver of penalties and additions to tax.

(h) *Timely payment.* — Payments for taxes due under this section that are postmarked after the due date by which they are owed shall be considered late and may be subject to late fees or penalties: *Provided*, That payments that are received by the municipality after the due date, but that were postmarked on or before the due date shall be considered to be on time and shall not be assessed any late fees or penalties.

The earlier act, House Bill 4567 (passed on March 11, 2022) amended West Virginia Code §8-13-5 to read as follows:

This provision concerning the maximum municipal business and occupation tax rate on the activities of health maintenance organizations is effective beginning after December 31, 1996. Any payments of business and occupation tax made by a health maintenance organization to a municipality for calendar year 1997 shall not be subject to recovery by the health maintenance organization.
