3 and after the first day of January, one thousand nine

5 provide wholesome and sufficient food and clean and
6 sufficient bedding for all prisoners confined in the county
7 jail, and shall furnish the soaps, disinfectants and other
8 supplies needed by the jailer in the performance of his*

9 duties. The county court may require the jailer to act
10 as its agent for the purpose of purchasing, preparing and
11 serving food for prisoners. If, however, the jailer is not
12 named as such agent, he shall make available to the county

19 All purchases of food, bedding, and other supplies shall
20 whenever practicable be made at wholesale. Invoices or
21 itemized statements of account from each vendor of food,
22 bedding, and other supplies shall be obtained, and pay-
23 ment of such statements or invoices shall not be author-

28 not provide for the feeding of prisoners on a contract or
29 fee basis.

30 The county court shall keep or cause to be kept a daily
31 record showing the total number of prisoners confined in
32 the jail of the county, the number of prisoners admitted,
33 the number released, and the time of each such admit-
34 tance and of each such release. Such record shall show
35 such information separately as to the prisoners of the
36 county, of each municipality, and of the United States.
37 The county court shall also keep or cause to be kept such
38 other accounts and records as will enable it to show the
39 per capita daily cost of the feeding and care of prisoners
40 in each calendar month.

41 The county court shall require to be kept a daily record
42 of food served prisoners and in all counties having a
43 county health officer, said health officer shall, at least once
44 a month, inspect such lists and make such recommenda-

47 All actual costs incurred by the county court for salaries
48 and for the purchase of food, bedding and other supplies
