WEST VIRGINIA CODE: §10-2A-8

§10-2A-8. Bonds for improvements and extension of existing athletic establishments.

Whenever any board now or hereafter, shall own and operate any athletic establishment as herein defined, whether acquired or constructed under the provisions of this article or not, and shall desire to construct improvements, enlargements and extensions thereto, or acquire or construct better equipment for the same, it may issue revenue bonds under the provisions of this article to pay for the same, and the procedure therefor shall be the same as in this article provided for the issuance of bonds for acquisition or construction of such athletic establishment: Provided, however, That no existing obligations or rights shall be affected or impaired thereby.
