

WEST VIRGINIA CODE: §11-10-17

§11-10-17. Interest.

(a) Underpayments. -- If any amount of a tax administered under this article is not paid on or before the last date prescribed for payment, interest on the amount at the rate of eight percent per annum shall be paid for the period from the last date to the date paid: Provided, That on and after July 1, 1986, interest on underpayments shall be paid at the annual rate established under section seventeen-a of this article, from the period beginning on July 1, or from the last day prescribed for payment, whichever is the later, to the date paid, regardless of when liability for the tax arose: Provided, however, That on and after July 1, 2002, interest on underpayments shall be paid at an annual rate of one and one-half percent above the annual rate established under section seventeen-a of this article, from the period beginning on July 1, or from the last day prescribed for payment, whichever is the later, to the date paid, regardless of when liability for the tax arose. For purposes of this subsection, the last date prescribed for payment shall be the due date of the return and shall be determined without regard to any extension of time for payment.

(b) Last date for payment not otherwise prescribed. -- In the case of taxes payable by stamp or other indicia of tax payment and in all other cases in which the last day for payment is not otherwise prescribed, the last date for payment shall be considered to be the date the liability for tax arises and in no event shall be later than the date notice and demand for payment of the tax is made by the Tax Commissioner.

(c) Erroneous refund or credit. -- If any refund is made or credit is established upon an erroneous claim for refund or credit, interest on the amount refunded or credited at the annual rate established under section seventeen-a of this article, shall be paid by the claimant from the date the refund was made or the credit was taken to the date the amount is recovered.

(d) Overpayments. -- Interest shall be allowed and paid at the annual rate of eight percent per annum upon any amount which has been finally administratively or judicially determined to be an overpayment in respect of each tax administered under this article except the taxes imposed by articles twelve, fourteen and fourteen-a of this chapter: Provided, That on and after July 1, 1986, interest on overpayments shall be paid at the annual rate established under section seventeen-a of this article, from July 1, or the date the claim for refund or credit is filed, whichever is the later, regardless of when the tax was paid. The interest shall be allowed and paid for the period commencing with the date of the filing by the taxpayer of a claim for refund or credit with the Tax Commissioner and ending with the date of a final administrative or judicial determination of overpayment. The Tax Commissioner shall, within thirty days after the determination of entitlement to refund, issue his or her requisition or establish a credit as requested by the taxpayer. Whenever the Tax Commissioner fails or refuses to issue any requisition or establish the credit within said thirty-day period, the interest provided herein shall commence to accrue until performance by the Tax

Commissioner. The acceptance of the refund check or credit shall be without prejudice to any right of the taxpayer to claim any additional overpayment and interest thereon.

(e) Applicable rules. -- For purposes of this section:

(1) No interest payable on tax refunded or credited within ninety days after claim for refund or credit is filed. -- In the event of the overpayment of any tax administered under this article, except the tax imposed by articles twenty-one and twenty-four of this chapter, where the Tax Commissioner issues his or her requisition or establishes a credit as requested by the taxpayer within ninety days after the date of the filing by the taxpayer of a claim for refund or credit, no interest shall be allowed under this section.
