(ii) But for the taxpayer's qualified investment in property purchased or leased for downstream manufacturing business expansion in this state, the taxpayer would have closed its downstream natural gas manufacturing facility in this state and the employees of the taxpayer located at the facility would have lost their jobs: *Provided*, That the Tax Commissioner may not make this certification unless the commissioner finds that the taxpayer is insolvent as defined in 11 U.S.C. §101(32) or that the taxpayer's natural gas

manufacturing facility was destroyed, in whole or in significant part, by fire, flood, or other act of God.
