

WEST VIRGINIA CODE: §11-13Q-3

§11-13Q-3. Definitions.

(a) General. -- When used in this article, or in the administration of this article, terms defined in subsection (b) have the meanings ascribed to them by this section, unless a different meaning is clearly required by either the context in which the term is used, or by specific definition, in this article.

(b) Terms defined.

(1) Business. -- The term "business" means any activity which is engaged in by any person in this state which is taxable under article thirteen, twenty-one, twenty-three or twenty-four of this chapter (or any combination of those articles of this chapter).

(2) Business expansion. -- The term "business expansion" means capital investment in a new or expanded business facility in this state.

(3) Business facility. -- The term "business facility" means any factory, mill, plant, refinery, warehouse, building or complex of buildings located within this state, including the land on which it is located, and all machinery, equipment and other real and personal property located at or within the facility, used in connection with the operation of the facility, in a business that is taxable in this state, and all site preparation and start-up costs of the taxpayer for the business facility which it capitalizes for federal income tax purposes.

(4) Commissioner or Tax Commissioner. -- The terms "commissioner" and "Tax Commissioner" are used interchangeably herein and mean the Tax Commissioner of the State of West Virginia, or his or her designee.

(5) Compensation. -- The term "compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(6) Controlled group. -- The term "controlled group" means one or more chains of corporations connected through stock ownership with a common parent corporation if stock possessing at least fifty percent of the voting power of all classes of stock of each of the corporations is owned directly or indirectly by one or more of the corporations; and the common parent owns directly stock possessing at least fifty percent of the voting power of all classes of stock of at least one of the other corporations.

(7) Corporation. -- The term "corporation" means any corporation, joint-stock company or association, and any business conducted by a trustee or trustees wherein interest or ownership is evidenced by a certificate of interest or ownership or similar written instrument.

(8) Designee. -- The term "designee" in the phrase "or his designee," when used in reference

to the commissioner, means any officer or employee of the State Tax Department duly authorized by the commissioner directly, or indirectly by one or more redelegations of authority, to perform the functions mentioned or described in this article.

(9) Eligible taxpayer. -- The term "eligible taxpayer" means any person who makes qualified investment in a new or expanded business facility located in this state and creates at least the required number of new jobs and who is subject to any of the taxes imposed by articles thirteen, twenty-one, twenty-three and twenty-four of this chapter (or any combination of those articles). "Eligible taxpayer" shall also include an affiliated group of taxpayers if the group elects to file a consolidated corporation net income tax return under article twenty-four of this chapter.

(10) Expanded facility. -- The term "expanded facility" means any business facility (other than a new or replacement business facility) resulting from the acquisition, construction, reconstruction, installation or erection of improvements or additions to existing property if the improvements or additions are purchased on or after January 1, 2003, but only to the extent of the taxpayer's qualified investment in the improvements or additions.

(11) Includes and including. -- The terms "includes" and "including," when used in a definition contained in this article, shall not be considered to exclude other things otherwise within the meaning of the term defined.

(12) Leased property. -- The term "leased property" does not include property which the taxpayer is required to show on its books and records as an asset under generally accepted principles of financial accounting. If the taxpayer is prohibited from expensing the lease payments for federal income tax purposes, the property shall be treated as purchased property under this section.

(13) New business facility. -- The term "new business facility" means a business facility which satisfies all the requirements of paragraphs (A), (B), (C) and (D) of this subdivision.

(A) The facility is employed by the taxpayer in the conduct of a business the net income of which is or would be taxable under article twenty-one or twenty-four of this chapter. The facility is not considered a new business facility in the hands of the taxpayer if the taxpayer's only activity with respect to the facility is to lease it to another person or persons.

(B) The facility is purchased by, or leased to, the taxpayer on or after January 1, 2003.

(C) The facility was not purchased or leased by the taxpayer from a related person. The commissioner may waive this requirement if the facility was acquired from a related party for its fair market value and the acquisition was not tax motivated.

(D) The facility was not in service or use during the ninety days immediately prior to transfer of the title to the facility, or prior to the commencement of the term of the lease of the facility: Provided, That this ninety-day period may be waived by the commissioner if the

commissioner determines that persons employed at the facility may be treated as "new employees" as that term is defined in this subsection.

(14) New employee. --

(A) The term "new employee" means a person residing and domiciled in this state, hired by the taxpayer to fill a position or a job in this state which previously did not exist in the taxpayer's business enterprise in this state prior to the date on which the taxpayer's qualified investment is placed in service or use in this state. In no case may the number of new employees directly attributable to the investment for purposes of this credit exceed the total net increase in the taxpayer's employment in this state: Provided, That the commissioner may require that the net increase in the taxpayer's employment in this state be determined and certified for the taxpayer's controlled group: Provided, however, That persons filling jobs saved as a direct result of taxpayer's qualified investment in property purchased or leased for business expansion may be treated as new employees filling new jobs if the taxpayer certifies the material facts to the commissioner and the commissioner expressly finds that:

(i) But for the new employer purchasing the assets of a business in bankruptcy under chapter seven or eleven of the United States bankruptcy code and the new employer making qualified investment in property purchased or leased for business expansion, the assets would have been sold by the United States bankruptcy court in a liquidation sale and the jobs saved would have been lost; or

(ii) But for the taxpayer's qualified investment in property purchased or leased for business expansion in this state, the taxpayer would have closed its business facility in this state and the employees of the taxpayer located at the facility would have lost their jobs: Provided, That the commissioner may not make this certification unless the commissioner finds that the taxpayer is insolvent as defined in 11 U.S.C. §101(32) or that the taxpayer's business facility was destroyed, in whole or in significant part, by fire, flood or other act of God.

(B) A person is considered to be a "new employee" only if the person's duties in connection with the operation of the business facility are on:

(i) A regular, full-time and permanent basis:

(I) "Full-time employment" means employment for at least one hundred forty hours per month at a wage not less than the prevailing state or federal minimum wage, depending on which minimum wage provision is applicable to the business;

(II) "Permanent employment" does not include employment that is temporary or seasonal and therefore the wages, salaries and other compensation paid to the temporary or seasonal employees will not be considered for purposes of sections five and seven of this article; or

(ii) A regular, part-time and permanent basis: Provided, That the person is customarily

performing the duties at least twenty hours per week for at least six months during the taxable year.

(15) New job. -- The term "new job" means a job which did not exist in the business of the taxpayer in this state prior to the taxpayer's qualified investment being made, and which is filled by a new employee.

(B) Property leased or acquired by the taxpayer that is placed in service or use in this state on or after January 1, 2003, if the original use of the property commences with the taxpayer and commences after that date.

(17) Original use. -- The term "original use" means the first use to which the property is put, whether or not the use corresponds to the use of the property by the taxpayer.

(18) Partnership and partner. -- The term "partnership" includes a syndicate, group, pool, joint venture or other unincorporated organization through or by means of which any business, financial operation or venture is carried on, and which is not a trust or estate, a corporation or a sole proprietorship. The term "partner" includes a member in such a syndicate, group, pool, joint venture or other organization.

(19) Person. -- The term "person" includes any natural person, corporation or partnership.

(20) Property purchased or leased for business expansion.

(A) Included property. -- Except as provided in paragraph (B), the term "property purchased or leased for business expansion" means real property and improvements thereto, and tangible personal property, but only if the real or personal property was constructed, purchased, or leased and placed in service or use by the taxpayer, for use as a component part of a new or expanded business facility as defined in this section, which is located within the State of West Virginia. This term includes only:

(1) Real property and improvements thereto having a useful life of four or more years, placed in service or use on or after January 1, 2003, by the taxpayer.

(2) Real property and improvements thereto, acquired by written lease having a primary term of ten or more years and placed in service or use by the taxpayer on or after January 1, 2003.

(3) Tangible personal property placed in service or use by the taxpayer on or after January 1, 2003, with respect to which depreciation, or amortization in lieu of depreciation, is allowable in determining the personal or corporation net income tax liability of the business taxpayer

under article twenty-one or twenty-four of this chapter, and which has a useful life, at the time the property is placed in service or use in the state, of four or more years.

(4) Tangible personal property acquired by written lease having a primary term of four years or longer, that commenced and was executed by the parties thereto on or after January 1, 2003, if used as a component part of a new or expanded business facility, shall be included within this definition.

(5) Tangible personal property owned or leased, and used by the taxpayer at a business location outside the state which is moved into the State of West Virginia on or after January 1, 2003, for use as a component part of a new or expanded business facility located in the state: Provided, That if the property is owned, it must be depreciable or amortizable personal property for income tax purposes, and have a useful life of four or more years remaining at the time it is placed in service or use in the state, and if the property is leased, the primary term of the lease remaining at the time the leased property is placed in service or use in the state, must be four or more years.

(B) Excluded property. -- The term "property purchased or leased for business expansion" does not include:

(i) Property owned or leased by the taxpayer and for which the taxpayer was previously allowed tax credit under article thirteen-c, thirteen-d or thirteen-e of this chapter, or the tax credits allowed by this article.

(ii) Property owned or leased by the taxpayer and for which the seller, lessor, or other transferor, was previously allowed tax credit under article thirteen-c, thirteen-d or thirteen-e of this chapter, or the tax credits allowed by this article.

(iii) Repair costs, including materials used in the repair, unless for federal income tax purposes the cost of the repair must be capitalized and not expensed.

(iv) Airplanes.

(v) Property which is primarily used outside the state, with use being determined based upon the amount of time the property is actually used both within and outside the state.

(vi) Property which is acquired incident to the purchase of the stock or assets of the seller, unless for good cause shown, the commissioner consents to waiving this requirement.

(vii) Natural resources in place.

(viii) Purchased or leased property, the cost or consideration for which cannot be quantified with any reasonable degree of accuracy at the time the property is placed in service or use: Provided, That when the contract of purchase or lease specifies a minimum purchase price or minimum annual rent the amount thereof shall be used to determine the qualified investment in the property under section eight of this article if the property otherwise

qualifies as property purchased or leased for business expansion.

(21) Purchase. -- The term "purchase" means any acquisition of property, but only if:

(A) The property is not acquired from a person whose relationship to the person acquiring it would result in the disallowance of deductions under section 267 or 707 (b) of the United States Internal Revenue Code of 1986, as amended, and in effect on January 1, 2003.

(B) The property is not acquired by one component member of a controlled group from another component member of the same controlled group. The commissioner can waive this requirement if the property was acquired from a related party for its then fair market value; and

(C) The basis of the property for federal income tax purposes, in the hands of the person acquiring it, is not determined:
