The tax imposed by this article is in addition to all other taxes of whatever character imposed upon any person by any other provisions of law.

§11-14A-3a. Leased motor carriers, household goods carriers, and independent contractors.

(a) Motor carriers.

(1) Motor carriers leased for less than thirty days. -- A lessor of motor carriers who is regularly engaged in the business of leasing or renting motor carriers with or without drivers to licensees or other lessees for a period of less than thirty days is primarily liable for payment of the taxes and fees imposed by this article unless:

(A) The lessor has a written lease contract that designates the lessee as the party liable for reporting and paying the tax imposed by this article; and

(B) If the lessee is subject to article fourteen-b of this chapter, the lessor has a copy of the lessee's license issued thereunder and the license is valid for the term of the lease.

(2) Motor carriers leased for thirty days or more. -- A licensee or other lessee who leases or rents a motor carrier with or without drivers for a period of thirty days or more is primarily liable for payment of the taxes and fees imposed by this article.

(b) Household goods carriers.

(1) Each household goods carrier operating only in West Virginia that uses its own motor carriers or that leases a motor carrier or motor carriers, with or without drivers, from independent contractors or others under intermittent leases for periods of thirty days or more is liable for the tax imposed by this article: Provided, That the lessor is liable for the tax imposed by this article when the lease periods are for less than thirty days.

(2) Each household goods carrier subject to article fourteen-b of this chapter that uses its own motor carriers or that leases a motor carrier or motor carriers, with or without drivers, from independent contractors or others under intermittent leases is liable for the tax imposed by this article when the motor carrier is operated under the lessee's jurisdictional operating authority: Provided, That when the motor carrier is operated under the lessor's jurisdictional operating authority, the lessor is liable for the tax imposed by this article.

(1) An independent contractor operating only in West Virginia, when leased to a person also operating only in West Virginia, and the lease is for a period of less than thirty days is liable for the tax imposed by this article: Provided, That if the lease is for a period of thirty days or more, the lessee is responsible for the tax imposed by this article.

(2) A person subject to article fourteen-b of this chapter that leases an independent contractor for thirty days or more is responsible for the tax imposed by this article unless there is a written contract stating that the lessor is liable for the tax imposed by this article.

(d) The provision of subsections (a), (b) and (c) of this section shall govern the primary liability of lessors and licensees or other lessees of motor carriers. If a lessor or licensee or other lessee primarily liable fails, in whole or in part, to discharge his or her liability, the failing party and other party to the transaction, whether denominated as a lessor, licensee or other lessee, is jointly and severally responsible and liable for compliance with the provisions of this article and for payment of any tax or fees due under this article: Provided, That the aggregate of taxes and fees collected by the commissioner shall not exceed the total amount or amounts of taxes and fees due under this article on account of the transactions in question plus interest, additions to tax, other penalties and costs, if any, that may be imposed: Provided, however, That no person, other than the person primarily responsible for the taxes and fees under this article, may be assessed penalties or additions to tax resulting from the failure of the party primarily liable for taxes and fees to pay: Provided further, That once the other party to the transaction who is not primarily liable for the taxes under this article but who is made jointly and severally liable under this subsection for taxes is assessed for those taxes and fees and fails to discharge the assessment within the time prescribed therefor, or within thirty days after receiving the assessment if no time is so prescribed, nothing herein shall prohibit the commissioner from imposing additions to tax or penalties upon that person for failing to pay the assessment issued in his or her name.

§11-14A-4. Computation of tax.

Computation of the tax is based upon the amount of gallons of motor fuel used in the operation of any motor carrier within this state and shall be calculated by dividing the total number of taxable miles traveled in this state during the reporting period by the average fuel consumption factor calculated for that same reporting period.

§11-14A-5. Reports of carriers; joint reports; records; examination of records; subpoenas and witnesses.

(a) Every taxpayer subject to the tax imposed by this article, or by article fourteen-c of this chapter, except as provided, in subsections (b) and (c) of this section, shall on or before the last day of January, April, July and October of every calendar year make to the commissioner reports of its operations during the quarter ending the last day of the preceding month as the commissioner requires and other reports from time to time as the commissioner considers necessary. For good cause shown, the commissioner may extend the time for filing the reports for a period not exceeding thirty days.

(b) Every motor carrier which operates exclusively in this state during a fiscal year that begins on July 1, of one calendar year and ends on June 30 of the next succeeding calendar year and during the fiscal year consumes in its operation only motor fuel upon which the tax imposed by article fourteen of this chapter has been paid shall, in lieu of filing the quarterly reports required by subsection (a) of this section, file an annual report for the fiscal year on or before the last day of July each calendar year: Provided, That effective January 1, 2004, every motor carrier which operates exclusively in this state during a fiscal year that begins on July 1, of one calendar year and ends on June 30 of the next succeeding calendar year and during the fiscal year consumes in its operation only motor fuel upon which the tax imposed by article fourteen-c of this chapter has been paid shall, in lieu of filing the quarterly reports required by subsection (a) of this section, file an annual report for the fiscal year on or before the last day of July of each calendar year: Provided, however, That effective January 1, 2005, every motor carrier which operates exclusively in this state and during the calendar year consumes in its operation only motor fuel upon which the tax imposed by article fourteen-c of this chapter has been paid shall, in lieu of filing the quarterly reports required by subsection (a) of this section, file before the last day of January an annual report for the calendar year ending on the last day of the immediately preceding December. For good cause shown, the commissioner may extend the time for filing the report for a period of thirty days.

(c) Two or more taxpayers regularly engaged in the transportation of passengers on through buses on through tickets in pool operation may, at their option and upon proper notice to the commissioner, make joint reports of their entire operations in this state in lieu of the separate reports required by subsection (a) of this section. The taxes imposed by this article are calculated on the basis of the joint reports as though the taxpayers were a single taxpayer; and the taxpayers making the reports are jointly and severally liable for the taxes shown to be due. The joint reports shall show the total number of miles traveled in this state and the total number of gallons of motor fuel purchased in this state by the reporting taxpayers. Credits to which the taxpayers making a joint return are entitled are not allowed as credits to any other taxpayer; but taxpayers filing joint reports shall permit all taxpayers engaged in this state in pool operations with them to join in filing joint reports.

(d)(1) A taxpayer shall keep records necessary to verify the total miles traveled within and without the State of West Virginia, the number of gallons of motor fuel used and purchased

within and without West Virginia and any other records which the commissioner by regulation may prescribe. A finding by the Tax Commissioner on the basis of the best information available that the taxpayer has failed to maintain records prescribed by the Tax Commissioner, or that the taxpayer refused to make available upon written request the records prescribed by the Tax Commissioner, is sufficient cause for the Commissioner of Motor Vehicles to revoke the identification markers issued to the taxpayer: Provided, That upon request of the taxpayer, a hearing shall be provided, under the authority of articles ten and ten-a of this chapter prior to the revocation becoming final.

(2) If the Tax Commissioner determines that a taxpayer used an incorrect average fuel consumption factor resulting in the filing of incorrect returns, the Tax Commissioner shall determine the correct average fuel consumption factor, calculate the correct amount of tax due under this article, and under the authority of article ten of this chapter issue an assessment for the amount of tax, interest, penalties and additions due and owing: Provided, That absent adequate information to the contrary, the average fuel consumption factor is four miles per gallon (one and seven-tenths kilometers per liter).

(e) In addition to the Tax Commissioner's powers set forth in sections five-a and five-b, article ten of this chapter, the commissioner may inspect or examine the records, books, papers, storage tanks, meters and any equipment records or records of highway miles traveled within and without West Virginia and the records of any other person to verify the truth and accuracy of any statement or report to ascertain whether the tax imposed by this article has been properly paid.

(f) In addition to the Tax Commissioner's powers set forth in sections five-a and five-b, article ten of this chapter, and as a further means of obtaining the records, books and papers of a taxpayer or any other person and ascertaining the amount of taxes and reports due under this article, the commissioner has the power to examine witnesses under oath; and if any witness shall fail or refuse at the request of the commissioner to grant access to the books, records and papers, the commissioner shall certify the facts and names to the circuit court of the county having jurisdiction of the party and the court shall thereupon issue a subpoena duces tecum to the party to appear before the commissioner, at a place designated within the jurisdiction of the court, on a day fixed.

§11-14A-6. Payment of tax.

The tax hereby imposed by this article shall be paid by each taxpayer annually to the Tax Commissioner on or before the last day of January of each calendar year, and calculated upon the amount of motor fuel used as fuel in the operation of each motor carrier operated or caused to be operated by the taxpayer during the year ending with the last day of the preceding month: Provided, That each person subject to the provisions of article fourteen-b of this chapter shall pay quarterly to the Tax Commissioner on or before the last day of January, April, July and October of each calendar year, the correct amount of motor fuel use taxes imposed by each state on motor carriers using the highways of those states during the quarter ending with the last day of the preceding month, the taxes to be calculated in accordance with the instructions provided by those respective states.

§11-14A-7. Identification markers; fees; civil penalties; criminal penalties.

(a) Registration of motor carriers. -- No person may operate, or cause to be operated, in this state any motor carrier subject to this article without first securing from the Commissioner of Motor Vehicles an identification marker for each motor carrier, except as provided in subsection (b) or (c) of this section. A person who operates, or causes to be operated, in this state more than one motor carrier may obtain an identification marker for each motor carrier: Provided, That such person may also obtain an additional number of identification markers equal to twenty-five percent of the total number of motor carriers in the person's fleet of motor carriers that require identification markers.

(1) Each identification marker for a particular motor carrier shall bear a number. This identification marker shall be displayed on the driver's side of the motor carrier as required by the Commissioner of Motor Vehicles: Provided, That the identification markers issued under the authority of article fourteen-b of this chapter shall be displayed on the exterior portion of both sides of the motor carrier.

(2) The Tax Commissioner, after issuance of any identification marker to a motor carrier, shall cause an internal cross-check to be made in his or her office as to any state tax which he or she administers, to aid in determination of any noncompliance in respect to failure to file returns or payment of tax liabilities. If the Tax Commissioner determines the motor carrier is not in compliance with the requirement to file any tax return or pay any tax liability required by any tax governed by article ten of this chapter, the identification markers issued to that motor carrier by the Commissioner of Motor Vehicles shall be revoked until all the returns are filed and payments made.

(3) The identification markers provided for in this section are valid for a period of one year, ending December 31, each year. A fee of \$5 shall be paid to the Commissioner of Motor Vehicles for issuing each identification marker which is reasonably related to the Commissioner of Motor Vehicles' costs of issuing each identification marker.

(4) All tax or returns due under this article shall be paid or returns filed before the issuance of a new identification marker. If the Tax Commissioner determines that a person subject to the requirements of this article has failed to file any return or pay the taxes imposed by this article, the Commissioner of Motor Vehicles shall revoke each identification marker previously issued to that person and shall refuse to issue a new identification marker to that person until all returns are filed and all taxes imposed by this article paid.

(5) Each identification marker shall be removed from a motor carrier:

(A) Prior to the motor carrier being sold or traded in for a different motor carrier;

(B) When a motor carrier registered under subsection (a) of this section ceases doing business in this state, or requests cancellation of the account authorized under article fourteen-b of this chapter; or

(C) When the identification marker issued under subsection (a) of this section is revoked.

(6) Each identification marker so removed and any additional identification markers issued under the authority of subsection (a) of this section shall within thirty days of removal be returned to the Commissioner of Motor Vehicles.

(b) Trip permit. -- A motor carrier that does not have a motor carrier identification marker issued under subsection (a) of this section may obtain a trip permit which authorizes the motor carrier specified therein to be operated in this state without an identification marker for a period of not more than ten consecutive days beginning and ending on the dates specified on the face of the permit: Provided, That if a motor carrier's identification marker, whether issued by this state or another jurisdiction, has been revoked, the motor carrier may not be issued a trip permit. The fee for this permit is \$24.

(1) Fees for trip permits shall be in lieu of the tax otherwise due under this article on account of the vehicles specified in the permit operating in this state during the period of the permit, and no reports of mileage shall be required with respect to that vehicle.

(2) A trip permit shall be carried in the cab of the motor vehicle for which it was issued at all times while it is in this state.

(3) A trip permit may be obtained from the Commissioner of Motor Vehicles or from wire services authorized by the commissioner to issue trip permits. The cost of the telegram or similar transmissions is the responsibility of the motor carrier requesting the trip permit.

(c) Transportation permit. -- The Commissioner of Motor Vehicles is hereby authorized to grant, in his or her discretion, a special permit to a new motor vehicle dealer for use on new motor vehicles driven under their own power from the factory or distributing place of a manufacturer, or other dealer, to a place of business of the new vehicle dealer, or from the place of business of a new vehicle dealer to a place of business of another dealer, or when delivered from the place of business of the new vehicle dealer to the place of business of a purchaser to whom title passes on delivery. A transporter's permit must be carried in the cab of the motor vehicle being transported. A person to whom a transporter's permit is issued shall file the reports required by section five of this article and pay any tax due. The fee for a transporter's permit is \$15 and a transporter's permit is valid for the fiscal year for which it is issued unless surrendered or revoked by the Tax Commissioner.

(d) Civil penalties. -- Upon a finding by the Tax Commissioner based upon the best evidence available that a taxpayer, whether the owner, licensee or lessee, or the employee, servant or agent thereof, has performed any of the following acts, the Commissioner of Motor Vehicles shall revoke and refuse to renew the taxpayer's identification marker or trip permit until the cause for the revocation is corrected:

(1) Maintains inaccurate or incomplete records;

- (2) Fails to respond to written requests for information;
- (3) Fails to make records available upon request;
- (4) Falsified application for identification markers or trip permit;
- (5) Has a prior revocation of identification markers in another jurisdiction without reinstatement in that jurisdiction;
- (6) Is delinquent in payment of taxes, but only after the assessment of those taxes is finalized;
- (7) Transfers or sells an identification marker or trip permit; or
- (8) Receives or purchases from any person not the Commissioner of Motor Vehicles an identification marker or trip permit.

Upon request of the taxpayer, a hearing shall be provided, under the authority of articles ten and ten-a of this chapter prior to the revocation becoming final.

(e) Criminal penalties. --

- (1) Any person, whether the person be the owner, licensee or lessee, or the employee, servant or agent thereof, who operates or causes to be operated in this state, a motor carrier in violation of this section, is guilty of a misdemeanor and, upon conviction thereof, shall be fined not less than fifty nor more than \$500,000; and each day the violation continues or reoccurs constitutes a separate offense.
- (2) Any person, whether the person be the owner, licensee or lessee, or the employee, servant or agent thereof, who transfers or sells an identification marker or trip permit is guilty of a felony and, upon conviction thereof, shall be fined not less than \$5,000 nor more than \$10,000.
- (3) Any person, whether the person be the owner, licensee or lessee, or the employee, servant or agent thereof, who receives or purchases from any person not the Commissioner of Motor Vehicles an identification marker or trip permit is guilty of a felony and, upon conviction thereof, shall be fined not less than \$5,000 nor more than \$10,000.

(f) Notwithstanding the provisions of section five-d, article ten of this chapter, the Tax Commissioner shall deliver to or receive from the commissioner of the Division of Motor Vehicles and the commissioner of the Public Service Commission, the information contained in the application filed by a motor carrier for a trip permit under this section, when the information is used to administer a combined trip permit registration program for motor carriers operating in this state, which program may be administered by one agency or any combination of the three agencies, as embodied in a written agreement executed by the head of each agency participating in the program. The agencies have authority to enter into

an agreement notwithstanding any provision of this code to the contrary; and the fee for a combined trip permit is \$24, which shall be in lieu of the fee set forth in subsection (b) of this section.
