(5) Any retailer who, pursuant to a contract with a cable television operator located in this state, solicits from persons located in this state orders for the sale of tangible personal property or taxable services by means of advertising which is transmitted or distributed over a cable television system in this state: Provided, That such retailer has physical presence in this state in the form of employees, offices, agents or sales outlets in this state, or any other presence that provides the necessary minimum contacts for a Constitutionally sufficient nexus for a state to require such a retailer to collect and remit use taxes.

(b) Exemption from payment of business registration tax. -- Any retailer required to collect use tax under the provisions of subsection (a) of this section shall be required to obtain a business registration certificate, as provided in article twelve of this chapter, but shall be exempt from payment of the tax levied by subsection (b), section three of said article twelve, unless the retailer has sufficient presence in this state so that required payment of the tax does not violate any provision of the Constitution or laws of this state or of the United States.

(c) Effective date. -- The provisions of this section shall become effective July 1, 1989, and apply to sales of tangible personal property or taxable services made on or after that date.

§11-15A-6b. Collection of tax by marketplace facilitators and referrers.

(a) Duty to collect tax. — For purposes of §11-15A-1 et seq. of this code and for collection of use tax required under §11-15A-6 and §11-15A-6b of this code, the phrase retailer engaging in business in this state also means and includes a remote seller, marketplace facilitator, or referrer that meets the requirements of subsection (e) of this section. A marketplace facilitator or referrer is required to collect and remit the use tax on all taxable sales of tangible personal property, [custom software] or services: (i) Made by the marketplace facilitator or referrer; or (ii) facilitated for marketplace sellers, to purchasers in this state.

(b) Agency. — For purposes of §11-15A-6b of this code, a marketplace facilitator or referrer is deemed to be an agent of any marketplace seller making retail sales through the marketplace facilitator's physical or electronic marketplace or directly resulting from a referral of the purchaser by the referrer.

(c) Sales made through a solicitor in this state. — A retailer is deemed to have a solicitor in this state if the retailer enters into an agreement with a resident under which the resident, for a commission, fee, or other similar consideration, directly or indirectly refers potential customers, whether by link on an internet site, or otherwise, to the retailer. This determination may be rebutted by a showing of proof that the resident with whom the retailer has an agreement did not engage in any solicitation in this state on behalf of the retailer that would satisfy the nexus requirement of the United States Constitution during the calendar year in question.

(d) Record keeping. — In addition to other applicable record keeping requirements, the Tax Commissioner may require a marketplace facilitator or referrer to provide or make available to the Tax Commissioner any information the commissioner determines is reasonably necessary to enforce the provisions of §11-15A-1 et seq. of this code. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace or directly resulting from a referral by the referrer. The Tax Commissioner may prescribe by procedural rule promulgate, as provided in §29A-3-1 et seq. of this code, the form and manner for providing this information.

(e) Economic nexus. — A marketplace facilitator, referrer, or remote seller shall collect the tax imposed by §11-15A-2 of the code when:

(1) The marketplace facilitator, referrer, or remote seller makes or facilitates West Virginia sales on its own behalf or on behalf of one or more marketplace sellers equal to or exceeding \$100,000 in gross revenue for an immediately preceding calendar year, or a current calendar year; or

(2) The marketplace facilitator, referrer, or remote seller makes or facilitates West Virginia sales on its own behalf or on behalf of one or more marketplace sellers in 200 or more separate transactions for an immediately preceding calendar year or a current calendar year.

(f) Effective date. — This section enacted in 2019 shall apply to sales by a marketplace facilitator, or referrer, made on and after July 1, 2019.

§11-15A-7. Foreign retailers.

The Tax Commissioner may, in his or her discretion, upon application authorize the collection of the tax imposed in section two of this article by any retailer not engaging in business within this state, who, to the satisfaction of the Tax Commissioner, furnishes adequate security to insure collection and payment of the tax. The retailer shall be issued, without charge, a permit to collect the tax in the manner, and subject to the rules and agreements as the Tax Commissioner prescribes. When authorized, it is the duty of the retailer to collect the tax upon all tangible personal property, custom software and services sold to the retailer's knowledge for use within this state, in the same manner and subject to the same requirements as a retailer engaging in business within this state. The authority and permit may be canceled when, at any time, the Tax Commissioner considers the security inadequate, or that the tax can more effectively be collected from the person using the property or taxable service in this state.

§11-15A-8. Absorbing tax.

(a) A retailer may advertise or hold out or state to the public or to any purchaser, consumer or user, directly or indirectly, that the tax or any part thereof imposed by this article will be assumed or absorbed by the retailer or that any part required to be added to the purchase price will be refunded, so long as:

(1) The retailer separately states the selling price of the property sold and the full amount of tax imposed by this article on such property; and

(2) For each sale for which the retailer assumes or absorbs all or any part of the tax imposed by this article, the retailer shall remit to the Department of Tax and Revenue the full amount of such tax with the return that covers the period in which the retailer completed the sale or transaction.

(b) The Tax Commissioner has the power to adopt and promulgate rules for adding, assuming, or absorbing the tax, or the equivalent thereof, by providing different methods applying uniformly to retailers within the same general classification for the purpose of enabling retailers to add, assume, absorb, or collect, as far as practicable, the amount of the tax.

(c) The provisions of this section shall apply to §11-15-1 *et seq.* of this code, with the same force and effect as if this section was expressly incorporated therein.

§11-15A-9. Tax as debt.

The tax required to be collected by any retailer pursuant to section six, six-a or seven of this article, or by any seller or certified service provider pursuant to article fifteen-b of this chapter, and any tax collected by any retailer, seller or certified service provider pursuant to section six, six-a or seven of this article, or article fifteen-b of this chapter, constitutes a debt owed by the retailer, seller or certified service provider to this state. The amount of tax collected shall be held in trust for the State of West Virginia until paid over to the Tax Commissioner.

WV Legislature

§11-15A-10. Payment to Tax Commissioner.

(c) At that time, each retailer, seller or certified service provider shall file with the Tax Commissioner a return for the preceding monthly period, except as otherwise provided in this article or §11-15B-1 *et seq.* of this code, in the form prescribed by the Tax Commissioner showing the sales price of any or all tangible personal property, custom software and taxable services sold by the retailer or seller during the preceding quarterly period, the use of which is subject to the tax imposed by this article, and any other information the Tax Commissioner may consider necessary for the proper administration of this article. The return shall be accompanied by a remittance of the amount of the tax, for the period covered by the return, except as otherwise provided in this article or §11-15B-1 *et seq.* of this code: *Provided*, That where the tangible personal property or custom software is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part of the sum is extended over a period longer than sixty days from the date of the sale, the retailer may collect and remit each monthly period that portion of the tax equal to six percent of that portion of the purchase price actually received during the monthly period.

(d) The Tax Commissioner may, upon request and a proper showing of the necessity to do so, grant an extension of time not to exceed 30 days for making any return and payment.

(e) Returns shall be signed by the retailer or seller or his or her duly authorized agent, and must be certified by him or her to be correct, except as otherwise provided in this article or §11-15B-1 *et seq.* of this code.

(f) Accelerated payment. —

(1) For calendar years beginning after December 31, 2002, taxpayers whose average monthly payment of the taxes levied by this article and §11-15-1 *et seq.* of this code during the previous calendar year exceeds \$100,000, shall remit the tax attributable to the first 15 days of June each year on or before June 20 of said month.

(2) For purposes of complying with subdivision (1) of this subsection, the taxpayer shall remit an amount equal to the amount of tax imposed by this article and §11-15-1 *et seq.* of this code on actual taxable sales of tangible personal property and custom software and

sales of taxable services during the first 15 days of June or, at the taxpayer's election, taxpayer may remit an amount equal to 50 percent of taxpayer's liability for tax under this article on taxable sales of tangible personal property and custom software and sales of taxable services made during the preceding month of May.

(3) For a business which has not been in existence for a full calendar year, the total tax due from the business during the prior calendar year shall be divided by the number of months, including fractions of a month, that it was in business during the prior calendar year; and if that amount exceeds \$100,000, the tax attributable to the first 15 days of June each year shall be remitted on or before June 20 of said month as provided in subdivision (2) of this subsection.

(4) When a taxpayer required to make an advanced payment of tax under subdivision (1) of this subsection makes out its return for the month of June, which is due on July 20, the taxpayer may claim as a credit against its liability under this article for tax on taxable transactions during the month of June, the amount of the advanced payment of tax made under subdivision (1) of this subsection.

(g) Effective upon passage, the provisions of §11-15A-10(f) of this code shall no longer have any force or effect.

§11-15A-10a. Credit for sales tax liability paid to another state.

(a) A person is entitled to a credit against the tax imposed by this article on the use of a particular item of tangible personal property, custom software or service equal to the amount, if any, of sales tax lawfully paid to another state for the acquisition of that property or service: Provided, That the amount of credit allowed does not exceed the amount of use tax imposed on the use of the property in this state.

(b) For purposes of this section:

(1) "Sales tax" includes a sales tax or compensating use tax imposed on the use of tangible personal property or a service by the state in which the sale occurred; and

(2) "State" includes the District of Columbia but does not include any of the several territories organized by Congress.

§11-15A-11. Liability of user.

(a) Any person who uses any tangible personal property, custom software or the results of a taxable service upon which the tax herein imposed has not been paid either to a retailer or direct to the Tax Commissioner is liable for the amount of the nonpayment, and persons required by law to hold a West Virginia business registration certificate shall on or before the fifteenth day of the month next succeeding each quarterly period pay the tax imposed in section two of this article upon all the property and services used by him or her during the preceding quarterly period and accompanied by returns the Tax Commissioner prescribes: Provided, That if the aggregate annual tax liability of any person under this article is \$600 or less, the person shall, in lieu of the quarterly payment and filing, pay the tax on or before the fifteenth day of the first month next succeeding the end of his or her taxable year, and shall file the annual return as may be prescribed by the Tax Commissioner. The Tax Commissioner may, by nonemergency legislative rules promulgated pursuant to article three, chapter twenty-nine-a of this code, change the foregoing minimum amounts.

(b) Any individual who is not required by law to hold a West Virginia business registration certificate, who uses any personal property or taxable service upon which the West Virginia use tax has not been paid either to a retailer or directly to the Tax Commissioner is liable for the West Virginia use tax upon property or taxable services and, notwithstanding the amount of the annual aggregate annual tax liability, shall pay the use tax imposed upon all property or taxable services used by him or her during the taxpayer's federal taxable year on or before April 15 of the taxpayer's next succeeding federal tax year, and shall file the annual return therewith as the Tax Commissioner may authorize or require.

(c) All of the provisions of section ten with reference to quarterly or annual returns and payments are applicable to the returns and payments required under this section.

§11-15A-12. Bond to secure payment.

The Tax Commissioner may, when in his judgment it is necessary and advisable to do so in order to secure the collection of the tax levied under this article, authorize any person subject to such tax and any retailer required or authorized to collect such tax, pursuant to the provisions of sections six and seven of this article, to file with him a bond issued by a surety company authorized to transact business in this state and approved by the Insurance Commissioner as to solvency and responsibility, in such amount as the Tax Commissioner may fix, to secure the payment of any tax, additions to tax, penalties and interest due or which may become due from such person. In lieu of such bond, securities approved by the Tax Commissioner, in such amount as he may prescribe, may be deposited with him which securities shall be kept in the custody of the State Treasurer and may be sold by him at public or private sale, after notice to the depositor thereof, if it becomes necessary to do so in order to recover any tax, additions to tax, penalties and interest due. Upon any such sale, the surplus, if any, above the amounts due under this article and article ten of this chapter, shall be returned to the person who deposited the securities.

§11-15A-13. Tax on gasoline and special fuel; section repealed January 1, 2004.

(a) Imposition of tax. --

(1) On deliveries in this state. -- Gasoline or special fuel furnished or delivered within this state to consumers or users is subject to tax at the rate imposed by section two of this article: Provided, That the amount of tax due under section two shall in no event be less than five percent of the average wholesale price of gasoline and special fuel and with the price to, in no case, be determined to be less than 97¢ per gallon for all gallons of gasoline and special fuel taxable under section two of this article.

(2) On purchases out-of-state. -- An excise tax is hereby imposed on the use or consumption in this state of gasoline or special fuel purchased outside this state at the rate of five percent of the average wholesale price of gasoline or special fuel, as determined under subsection (c), notwithstanding any provision of this article to the contrary: Provided, That gasoline or special fuel contained in the supply tank of a motor vehicle that is not a motor carrier is not taxable, except that gasoline or special fuel imported in the supply tank or auxiliary tank of construction equipment, mining equipment, track maintenance equipment or other similar equipment, is taxed in the same manner as that in the supply tank of a motor carrier.

(b) Definitions. -- Terms used in this section have the same meaning as when used in a comparable context in section eighteen, article fifteen of this chapter.

(c) Determination of average wholesale price. --

(1) To simplify determining the average wholesale price of all gasoline and special fuel, the Tax Commissioner shall, effective with the period beginning the first day of the month of the effective date of this section and each first day of January, annually, thereafter, determine the average wholesale price of gasoline and special fuel for each annual period, on the basis of sales data gathered for the preceding period of July 1, through the thirty-first day of October. Notification of the average wholesale price of gasoline and special fuel shall be given by the Tax Commissioner at least thirty days in advance of each first day of January, annual period, by filing notice of the average wholesale price in the state register, and by other means as the Tax Commissioner considers reasonable: Provided, That notice of the average wholesale price of gasoline and special fuel for the first period shall be timely given if filed in the state register on the effective date of this section.

(2) The "average wholesale price" means the single, statewide average per gallon wholesale price, rounded to the third decimal (thousandth of a cent), exclusive of state and federal excise taxes on each gallon of gasoline or diesel fuel, as determined by the Tax Commissioner from information furnished by distributors of gasoline or special fuel in this state, or any other information regarding wholesale selling prices as the Tax Commissioner may gather, or a combination of information: Provided, That in no event shall the average wholesale price be determined to be less than 97¢ per gallon of gasoline or special fuel.

(3) All actions of the Tax Commissioner in acquiring data necessary to establish and determine the average wholesale price of gasoline and special fuel, in providing notification of his or her determination prior to the effective date of any change in rate, and in establishing and determining the average wholesale price of fuel, may be made by the Tax Commissioner without compliance with the provisions of article three, chapter twenty-nine-a of this code.

(4) In any administrative or court proceeding brought to challenge the average whole price of gasoline and special fuel as determined by the Tax Commissioner, his or her determination is presumed to be correct and shall not be set aside unless it is clearly erroneous.

(d) Computation of tax due from motor carriers. -- Every person who operates or causes to be operated a motor carrier in this state shall pay the tax imposed by this section on the average wholesale price of all gallons of gasoline or special fuel used in the operation of any motor carrier within this state, under the following rules:

(1) The total amount of gasoline or special fuel used in the operation of the motor carrier within this state is that proportion of the total amount of gasoline and special fuel used in any motor carrier's operations within and without this state, that the total number of miles traveled within this state bears to the total number of miles traveled within and without this state.

(2) A motor carrier shall first determine the gross amount of tax due under this section on the average wholesale value, determined under subsection (c) of this section, of all gasoline and special fuel used in the operation of the motor carrier within this state during the preceding quarter, as if all gasoline and special fuel had been purchased outside this state.

(3) Next, the taxpayer shall determine the total tax paid under article fifteen of this chapter on all gasoline and special fuel purchased in this state for use in the operation of the motor carrier.

(4) The difference between (2) and (3) is the amount of tax due under this article when (2) is greater than (3), or the amount to be refunded or credited to the motor carrier when (3) is greater than (2), which refund or credit is allowed in the same manner and under the same conditions as a refund or credit is allowed for the tax imposed by article fourteen-a of this chapter.

(e) Return and payment of tax. -- Tax due under this article on the uses or consumption in this state of gasoline or special fuel shall be paid by each taxpayer on or before the twenty-fifth day of January, April, July and October of each year, notwithstanding any provision of this article to the contrary, by check, bank draft, certified check or money order, payable to the Tax Commissioner, for the amount of tax due for the preceding quarter. Every taxpayer shall make and file with his or her remittance, a return showing the information the Tax Commissioner requires.

(f) Compliance. -- To facilitate ease of administration and compliance by taxpayers, the Tax Commissioner may require motor carriers liable for the taxes imposed by this article on the use of gasoline or special fuel in the operation of motor carriers within this state, and the tax imposed by article fourteen-a of this chapter on gallons of fuel, to file a combined return and make a combined payment of the tax due under this article and article fourteen-a of this chapter on the fuel. In order to encourage use of a combined return and the making of a single payment each quarter for both taxes, the due date of the return and tax due under article fourteen-a of this chapter is hereby changed from the last day of January, April, July and October of each calendar year, to the twenty-fifth day of each of those months, notwithstanding any provisions in article fourteen-a of this chapter to the contrary.

(g) Dedication of tax to highways. -- All tax collected under the provisions of this section after deducting the amount of any refunds lawfully paid shall be deposited in the "road fund" in the State Treasurer's office, and used only for the purpose of construction, reconstruction, maintenance and repair of highways, and payment of principal and interest on state bonds issued for highway purposes.

(h) Construction. -- The tax imposed by this article on the use of gasoline or special fuel in this state is not construed as taxing any gasoline or special fuel which the state is prohibited from taxing under the Constitution of this state or the Constitution or laws of the United States.

(i) Effective date. --

This section shall have no force or effect after December 31, 2003: Provided, That tax liabilities arising for periods ending before January 1, 2004, shall be determined, paid, administered, assessed and collected as if this section had not been repealed, and the rights and duties of the taxpayer and the State of West Virginia are fully and completely preserved.

(j) Validation. -- Inasmuch as there is currently litigation challenging the lawfulness of this section in the situation where a motor carrier purchases gasoline or special fuel in another state paying to that other state a sales tax thereon and then consumes that gasoline or special fuel in its operation of a motor carrier in this state, without being statutorily allowed a credit for the sales tax against the tax imposed by this article with respect to the gallonage of tax paid fuel consumed in this state; and inasmuch as section ten-a of this article reestablishes the allowance of a credit and makes the allowance effectively retroactive and applicable to gasoline and special fuel consumed in this state after June 30, 1985, the purported Constitutional infirmity is cured. To avoid any question about whether this section was in effect subsequent to June 30, 1985, this section is reenacted and expressly made retroactive to July 1, 1985, and the Tax Commissioner shall not refund or credit any tax previously paid under this section due to a claim that the tax was not lawfully imposed subsequent to June 30, 1985.

(1) The total amount of motor fuel used in the operation of the motor carrier within this state is that proportion of the total amount of motor fuel used in a motor carrier's operations within and without this state, that the total number of miles traveled within this state bears to the total number of miles traveled within and without this state.

(2) A motor carrier shall first determine the gross amount of tax due under this section on the average wholesale value, determined under section five, article fourteen-c of this chapter, of motor fuel used in the operation of the motor carrier within this state during the preceding quarter, as if all gasoline and special fuel had been purchased outside this state.

(3) Next, the taxpayer shall determine the total tax paid under article fifteen of this chapter on all motor fuel purchased in this state for use in the operation of the motor carrier.

(4) The difference between (2) and (3) is the amount of tax due under this article when (2) is greater than (3), or the amount to be refunded or credited to the motor carrier when (3) is greater than (2), which refund or credit is allowed in the same manner and under the same conditions as a refund or credit is allowed for the tax imposed by article fourteen-a of this chapter.

(d) Return and payment of tax. -- Tax due under this article on the uses or consumption in this state of motor fuel shall be paid by each taxpayer on or before January 25, April 25, July 25 and October 25 of each year, notwithstanding any provision of this article to the contrary, by check, bank draft, certified check or money order, payable to the Tax Commissioner, for the amount of tax due for the preceding quarter. The tax due under this article comprising the variable component of the tax due under article fourteen-c of this chapter is due on the last day of the month. Every taxpayer shall make and file with his or her remittance, a return showing the information the Tax Commissioner requires. The tax due under this article comprising the variable component of the tax due under article fourteen-c of this chapter on alternative fuel, is due and shall be collected and remitted at the time the tax imposed by section five, article fourteen-c of this chapter is due, collected and remitted.

(e) Compliance. -- To facilitate ease of administration and compliance by taxpayers, the Tax Commissioner shall require motor carriers liable for the taxes imposed by this article on the use of motor fuel in the operation of motor carriers within this state, and the tax imposed by article fourteen-a of this chapter on such gallons of motor fuel, to file a combined return and make a combined payment of the tax due under this article and article fourteen-a of this chapter on the fuel. In order to encourage use of a combined return and the making of a single payment each quarter for both taxes, the due date of the return and tax due under

article fourteen-a of this chapter is the last day of January, April, July and October of each calendar year: Provided, That the Tax Commissioner may prescribe reporting and payment requirements for tax due under this article on alternative fuel which accommodate the due dates and requirements prescribed in this article and article fourteen-c of this chapter, either under a separate return and payment or a combined return and payment, within the discretion of the Tax Commissioner.

(f) Dedication of tax to highways. - Tax collected under the provisions of this section, after deducting the amount of refunds lawfully paid, shall be deposited in the Road Fund in the State Treasurer's office and used only for the purpose of construction, reconstruction, maintenance and repair of highways and payment of principal and interest on state bonds issued for highway purposes.

Whenever any retailer engaging in business in this state, or authorized to collect the tax imposed in this article pursuant to section seven of this article, fails to comply with any of the provisions of this article or any orders, or rules of the Tax Commissioner prescribed and adopted for this article under article ten of this chapter, the Tax Commissioner may, upon notice and hearing, by order, cancel the business registration certificate, if any, issued to the retailer under article twelve, chapter eleven of the Code of West Virginia, 1931, as amended, or if the retailer is a corporation authorized to do business in this state under article fifteen, chapter thirty-one-d of this code or article fourteen, chapter thirty-one-e of this code, may certify to the Secretary of State a copy of an order finding that the retailer has failed to comply with certain specified provisions, orders, or rules.
