If the applicant is a firm, association, partnership, limited partnership, limited liability company, or corporation, the application shall include the residence of the members or officers. If a person, firm, partnership, limited partnership, limited liability company, association, corporation, or trust applies for a license as a distributor, the person, or in the case of a firm, partnership, limited partnership, limited liability company, association, or trust, the members, officers, trustees, or other persons in active control of the activities of the limited liability company, association, or trust relating to the license, shall include the residency for these persons on the application. The applicant shall be a United States citizen or a naturalized citizen, pass a background investigation, be at least 21 years of age, be a suitable applicant, and meet other requirements, all as set forth in this article and the rules promulgated hereunder, all in the interest of protecting public health and safety and being a suitable applicant or licensee. In order to maintain licensure, a licensee shall notify the commissioner immediately of a change in managers. If the applicant is a trust or has a trust as an owner, the trustees, or other persons in active control of the activities of the trust relating to the license, shall provide a certification of trust as described in §44D-10-1013 of this code. This certification of trust shall include the excerpts described in §44D-10-1013(e) of this code and shall further state, under oath, the names, addresses, Social Security numbers, and birth dates of the beneficiaries of the trust and certify that the trustee and beneficiaries are 21 years of age or older. If a beneficiary is not 21 years of age, the certification of trust shall state that the beneficiary's interest in the trust is represented by a trustee, parent, or legal guardian who is 21 years of age and who will direct all actions on behalf of the beneficiary related to the trust with respect to the distributor until the beneficiary is 21 years of age. Any beneficiary who is not 21 years of age or older shall have his or her trustee, parent, or legal guardian include in the certification of trust and state under oath his or her name, address, Social Security number, and birth date;

(2) The place of birth of the applicant, that he or she is a citizen of the United States and of good moral character and, if a naturalized citizen, when and where naturalized. If the applicant is a corporation organized or authorized to do business under the laws of the state, the application shall state when and where incorporated, the name and address of each officer, and that each officer is a citizen of the United States and a person of good moral character. If the applicant is a firm, association, limited liability company, partnership, limited partnership, trust, or has a trust as an owner, the application shall provide the place

of birth of each member of the firm, association, limited liability company, partnership or limited partnership and of the trustees, beneficiaries, or other persons in active control of the activities of the trust relating to the license and that each member or trustee, beneficiary, or other persons in active control of the activities of the trust relating to the license is a citizen of the United States, and if a naturalized citizen, when and where naturalized, each of whom shall qualify and sign the application;

This requirement does not apply to a Class B license or to a place occupied by a beer licensee so long as it is continuously so occupied. The prohibition does not apply to a college, university, or church that has notified the commissioner, in writing, that it has no objection to the location of a proposed business in a place or building within 200 feet of the college, university, or church;

(6) That the applicant is not incarcerated and has not, in the previous five years before application: (A) Been convicted of a felony; (B) been convicted of a crime involving fraud, dishonesty, or deceit; or (C) been convicted of a felony for violating alcohol-related distribution laws;

(8) That the applicant has not during five years preceding the date of the application had a nonintoxicating beer license revoked.

(b) In the case of an applicant that is a trust or has a trust as an owner, a distributor license may be issued only upon submission by the trustees or other persons in active control of the activities of the trust relating to the distributor license of a true and correct copy of the written trust instrument to the commissioner for his or her review. Notwithstanding any provision of law to the contrary, the copy of the written trust instrument submitted to the commissioner pursuant to this section is confidential, is not a public record, and is not available for release pursuant to the West Virginia Freedom of Information Act codified in §29B-1-1 *et seq.* of this code.

(c) The provisions and requirements of subsection (a) of this section are mandatory prerequisites for the issuance of a license and, if any applicant fails to qualify, the commissioner shall refuse to issue the license. In addition to the information furnished in

any application, the commissioner may make any additional and independent investigation of each applicant, manager, and of the place to be occupied as necessary or advisable and, for this reason, all applications, with license fee and bond, shall be submitted with all true and correct information. For the purpose of conducting the independent investigation, the commissioner may withhold the granting or refusal to grant the license for a 30-day period or until the applicant has completed the conditions set forth in this section. If it appears that the applicant and manager meet the requirements in the code and the rules, including, but not limited to, have not been convicted of a felony in the previous five years before application, have not been convicted of a crime involving fraud, dishonesty, or deceit in the previous five years before application, have not been convicted of a felony for violating any alcohol-related distribution laws; have not made any false statements or material misrepresentations; involving no hidden ownership; and having no persons with an undisclosed pecuniary interest contained in the application; and if there are no other omissions or failures by the applicant to complete the application, as determined by the commissioner, the commissioner shall issue a license authorizing the applicant to sell nonintoxicating beer or nonintoxicating craft beer.

(d) The commissioner may refuse a license to any applicant under the provisions of this article if the commissioner is of the opinion:

(1) That the applicant or manager has, within the previous five years before application: (A) Been convicted of a felony within the previous five years; (B) been convicted of a crime involving fraud, dishonesty, or deceit; or (C) been convicted of a felony for violating any state or federal alcohol- laws; and (D) that the applicant or the manager is not a suitable applicant;

This requirement does not apply to a Class B licensee or to a place now occupied by a beer licensee so long as it is continuously so occupied. The prohibition does not apply to a college, university, or church that has notified the commissioner, in writing, that it has no objection to the location of any such place within 200 feet;

(3) That any manager, owner, employee, or other person in a contractual relationship to provide goods or services to the applicant is an active employee of the commissioner; or

(4) That the license should not be issued for reason of conduct declared to be unlawful by this article.
