This article shall be known and may be cited as "The Nonintoxicating Beer Act."

WV Legislature

§11-16-2. Declaration of legislative findings, policy and intent; construction.

It is hereby found by the Legislature and declared to be the policy of this state that it is in the public interest to regulate and control the manufacture, sale, distribution, transportation, storage, and consumption of the beverages regulated by this article within this state and that, therefore, the provisions of this article are a necessary, proper, and valid exercise of the police powers of this state and are intended for the protection of the public safety, welfare, health, peace and morals and are further intended to eliminate, or to minimize to the extent practicable, the evils attendant to the unregulated, unlicensed, and unlawful manufacture, sale, distribution, transportation, storage, and consumption of such beverages and are further intended to promote temperance in the use and consumption thereof. The Legislature further finds and declares that advertising is essential to the growth of business and job promotion within the state. In order to further these ends, the provisions of this article and of the rules promulgated pursuant thereto, shall be construed so that the accomplishment of these stated purposes may be effectuated.

§11-16-3. Definitions.

For the purpose of this article, except where the context clearly requires differently:

(1) "Brand" means a nonintoxicating beer product manufactured, brewed, mixed, concocted, blended, bottled, or otherwise produced, imported, or transshipped by a brewer or manufacturer, the labels of which have been registered and approved by the commissioner, that is being offered for sale or sold in West Virginia by a distributor who has been appointed in a valid franchise agreement or a valid amendment thereto.

(2) "Brewer" or "manufacturer" means any person manufacturing, otherwise producing, importing, or transshipping nonintoxicating beer or nonintoxicating craft beer for sale at wholesale to any licensed distributor. Brewer or manufacturer may be used interchangeably throughout this article. A brewer may obtain only one brewer's license for its nonintoxicating beer or nonintoxicating craft beer.

(3) "Brewpub" means a place of manufacture of nonintoxicating beer or nonintoxicating craft beer owned by a resident brewer, subject to federal and state regulations and rules, a portion of which premises is designated for retail sales of nonintoxicating beer or nonintoxicating craft beer by the resident brewer owning the brewpub.

(4) "Class A retail license" means a retail license permitting the retail sale of liquor at a freestanding liquor retail outlet, licensed pursuant to §60-1-1 *et seq.* of this code.

(5) "Class B retail license" means a retail license permitting the retail sale of liquor at a mixed retail liquor outlet licensed pursuant to §60-1-1 *et seq.* of this code.

(6) "Commissioner" means the West Virginia Alcohol Beverage Control Administration Commissioner.

(7) "Distributor" means and includes any person jobbing or distributing nonintoxicating beer or nonintoxicating craft beer to retailers at wholesale and whose warehouse and chief place of business is within this state. For purposes of a distributor only, the term "person" means and includes an individual, firm, trust, partnership, limited partnership, limited liability company, association, or corporation. Any trust licensed as a distributor or any trust that is an owner of a distributor licensee, and the trustee or other persons in active control of the activities of the trust relating to the distributor license, is liable for acts of the trust or its beneficiaries relating to the distributor license that are unlawful acts or violations of §11-16-1 *et seq.* of this code notwithstanding the liability of trustees in §44D-10-1 *et seq.* of this code.

(8) "Franchise agreement" means the written agreement between a brewer and a distributor that is identical as to terms and conditions between the brewer and all its distributors, which has been approved by the commissioner. The franchise agreement binds the parties so that a distributor, appointed by a brewer, may distribute all the brewer's nonintoxicating beer

products, brands, or family of brands imported and offered for sale in West Virginia, including, but not limited to, existing brands, line extensions, and new brands all in the brewer's assigned territory for the distributor. All brands and line extensions being imported or offered for sale in West Virginia must be listed by the brewer in the franchise agreement or a written amendment to the franchise agreement. A franchise agreement may be amended by mutual written agreement of the parties as approved by the commissioner with identical terms and conditions for a brewer and all its distributors. Any approved amendment to the franchise agreement becomes a part of the franchise agreement. A brewer and a distributor may mutually agree in writing to cancel a franchise agreement. A distributor terminated by a brewer as provided in this article and the promulgated rules no longer has a valid franchise agreement. If a brewer has reached an agreement to cancel a distributor or has terminated a distributor, then a brewer may appoint a successor distributor who accedes to all the rights of the cancelled or terminated distributor.

(9) "Franchise distributor network" means the distributors who have entered into a binding written franchise agreement, identical as to terms and conditions, to distribute nonintoxicating beer products, brands, and line extensions in an assigned territory for a brewer. A brewer may only have one franchise distributor network: *Provided*, That a brewer that has acquired the manufacturing, bottling, or other production rights for the sale of nonintoxicating beer at wholesale from a selling brewer, as specified in §11-16-21(a)(2) of this code, shall continue to maintain and be bound by the selling brewer's separate franchise distributor's network for any of its existing brands, line extensions, and new brands.

The growler is used by an authorized licensee for purposes of off-premise sales only of nonintoxicating beer or nonintoxicating craft beer for personal consumption not on a licensed premise and not for resale. The nonintoxicating beer or nonintoxicating craft beer served and sold in a sealed growler may include ice or water mixed with the nonintoxicating beer or nonintoxicating craft beer to create a frozen nonintoxicating beer or nonintoxicating craft beer beverage. Any frozen nonintoxicating beer or nonintoxicating craft beer beverage machine used for filling growlers shall be sanitized daily, shall be under the control of the licensee in the secure area, and served to the patron by the licensee from the secure area. Notwithstanding any other provision of this code to the contrary, a securely sealed growler is not an open container under federal, state, and local law. A growler with a broken seal is an open container under federal, state, and local law unless it is located in an area of the motor vehicle physically separated from the passenger compartment. The secure sealing of a growler requires the use of a tamper-evident seal, security tape, or other material, as approved by the commissioner, placed on or over the growler's opening, which seal, security tape or other material is clearly marked with the date of the secure sealing by the authorized licensee who is selling the growler.

(12) "Line extension" means any nonintoxicating beer product that is an extension of a brand or family of brands that is labeled, branded, advertised, marketed, promoted, or offered for sale with the intent or purpose of being manufactured, imported, associated, contracted, affiliated, or otherwise related to a brewer's existing brand through the use of a brewer, its subsidiaries, parent entities, contracted entities, affiliated entities, or other related entities. In determining whether a nonintoxicating beer product is a line extension, the commissioner may consider, but is not limited to, the following factors: Name or partial name; trade name or partial trade name; logos; copyrights; trademarks or trade design; product codes; advertising promotion; or pricing.

(13) "Manager" means an individual who is the applicant's or licensee's on-premises employee, member, partner, shareholder, director, or officer who meets the licensure requirements of §11-16-1 *et seq.* of this code and rules promulgated thereunder who actively manages, conducts, and carries on the day-to-day operations of the applicant or licensee with full and apparent authority or actual authority to act on behalf of the applicant or licensee. The word "liquor", as used in §60-1-1 *et seq.* of this code, does not include or embrace nonintoxicating beer nor any of the beverages, products, mixtures, or preparations included within this definition.

(15) "Nonintoxicating beer floor plan extension" means a temporary one-day extension of an existing Class A licensee's floor plan to a contiguous, adjoining, and bounded area, such as a parking lot or outdoor area, which shall for the temporary period encompass the licensee's licensed premises; further the license shall be endorsed or approved by the county or municipality where the license is located; the license shall be in good standing with the commissioner, and further the temporary event shall cease on or before midnight of the approved temporary one-day event.

If the applicant is a firm, association, limited liability company, partnership, limited partnership, trust, or has a trust as an owner, the application shall provide the place of birth of each member of the firm, association, limited liability company, partnership or limited partnership and of the trustees, beneficiaries, or other persons in active control of the activities of the trust relating to the license and that each member or trustee, beneficiary, or other persons in active control of the activities of the trust relating to the

This requirement does not apply to a Class B license or to a place occupied by a beer licensee so long as it is continuously so occupied. The prohibition does not apply to a college, university, or church that has notified the commissioner, in writing, that it has no objection to the location of a proposed business in a place or building within 200 feet of the college, university, or church;

(6) That the applicant is not incarcerated and has not, in the previous five years before application: (A) Been convicted of a felony; (B) been convicted of a crime involving fraud, dishonesty, or deceit; or (C) been convicted of a felony for violating alcohol-related distribution laws;

(c) The provisions and requirements of subsection (a) of this section are mandatory prerequisites for the issuance of a license and, if any applicant fails to qualify, the commissioner shall refuse to issue the license. In addition to the information furnished in any application, the commissioner may make any additional and independent investigation of each applicant, manager, and of the place to be occupied as necessary or advisable and, for this reason, all applications, with license fee and bond, shall be submitted with all true and correct information. For the purpose of conducting the independent investigation, the

The prohibition does not apply to a college, university, or church that has notified the commissioner, in writing, that it has no objection to the location of any such place within 200 feet;

(3) That any manager, owner, employee, or other person in a contractual relationship to provide goods or services to the applicant is an active employee of the commissioner; or

(4) That the license should not be issued for reason of conduct declared to be unlawful by this article.

§11-16-9. Amount of license tax; Class A and Class B retail dealers; purchase and sale of nonintoxicating beer permitted; distributors; brewers; brewpubs.

(a) All retail dealers, distributors, brewpubs, brewers, and resident brewers of nonintoxicating beer and of nonintoxicating craft beer shall pay an annual fee to maintain an active license as required by this article. The license period begins on July 1 of each year and ends on June 30 of the following year. If the license is granted for a shorter period, then the license fee shall be computed semiannually in proportion to the remainder of the fiscal year: *Provided*, That if a licensee fails to complete a renewal application and make payment of its annual license fee in renewing its license on or before June 30 of any subsequent year, then an additional \$150 reactivation fee shall be charged and paid by the licensee; the fee may not be prorated or refunded, prior to the processing of any renewal application and applicable full year annual license fee; and furthermore, a licensee who continues to operate after the expiration of its license is subject to all fines, penalties, and sanctions available in §11-16-23 of this code, all as determined by the commissioner.

(b) The annual license fees are as follows:

(1) Retail dealers shall be divided into two classes: Class A and Class B.

(A) For a Class A retail dealer, the license fee is \$150 for each place of business; the license fee for social, fraternal, or private clubs not operating for profit, and which have been in continuous operation for two years or more immediately preceding the date of application, is \$150: *Provided*, That railroads operating in this state may dispense nonintoxicating beer upon payment of an annual license tax of \$10 for each dining, club, or buffet car in which the beer is dispensed.

Class A licenses issued for railroad dining, club, or buffet cars authorize the licensee to sell nonintoxicating beer at retail for consumption only on the licensed premises where sold. All other Class A licensees may sell nonintoxicating beer or nonintoxicating craft beer at retail, as licensed, for consumption on the licensed premises or off the licensed premises. Class A licensees may sell nonintoxicating beer or nonintoxicating craft beer for consumption off the licensed premises when it is in a sealed original container and sold for personal use, and not for resale. Class A licensees shall provide prepared food or meals along with sealed nonintoxicating beer or nonintoxicating craft beer in the original container or in a sealed growler as set forth for sales and service in §11-16-6d of this code, to a purchasing person who is in-person or in-vehicle picking up prepared food or a meal, and sealed nonintoxicating beer or nonintoxicating craft beer orders-to-go, subject to verification that the purchasing person is 21 years of age or older, and not visibly or noticeably intoxicated, and as otherwise specified in this article.

(B) For a Class B retail dealer, the license fee, authorizing the sale of both chilled and unchilled beer, is \$150 for each place of business. A Class B license authorizes the licensee to sell nonintoxicating beer at retail in bottles, cans, or other sealed containers only, and only for consumption off the licensed premises. A Class B retailer may sell to a purchasing

person, for personal use, and not for resale, quantities of draught beer in original containers that are no larger in size than one-half barrel for off-premises consumption. The commissioner may only issue a Class B license to the proprietor or owner of a grocery store. For the purpose of this article, the term "grocery store" means any retail establishment commonly known as a grocery store or delicatessen, and caterer or party supply store, where food or food products are sold for consumption off the premises, and includes a separate and segregated portion of any other retail store which is dedicated solely to the sale of food, food products, and supplies for the table for consumption off the premises. Caterers or party supply stores shall purchase the appropriate licenses from the Alcohol Beverage Control Administration.

(C) A Class A retail dealer may contract, purchase, or develop a mobile ordering application or web-based software program to permit the ordering and purchase of nonintoxicating beer or nonintoxicating craft beer, as authorized by the licensee's license. The nonintoxicating beer or nonintoxicating craft beer shall be in a sealed original container or a sealed growler and meet the requirements of §11-16-6d of this code.

(2) For a distributor, the license fee is \$1,000 for each place of business.

(3) For a brewer or a resident brewer with its principal place of business or manufacture located in this state and who produces:

(A) Twelve thousand five hundred barrels or less of nonintoxicating beer or nonintoxicating craft beer, the license fee is \$250 for each place of manufacture, and no more than three places of manufacture are permitted for licensure;

(B) Twelve thousand five hundred one barrels and up to 25,000 barrels of nonintoxicating beer or nonintoxicating craft beer, the license fee is \$1,000 for each place of manufacture, and no more than five places of manufacture are permitted for licensure;

(C) More than 25,001 barrels of nonintoxicating beer or nonintoxicating craft beer, the license fee is \$1,500 for each place of manufacture.

(D) A brewer or resident brewer licensed under paragraph (A) or (B) of this subdivision shall receive one license for use at all places of manufacture; each place of manufacture shall meet all licensing requirements in this article and the rules; and all places of manufacture shall be noted on the one brewer or resident brewer license in compliance with §11-16-5 and §11-16-6a(k) of this code.

(4) For a brewer whose principal place of business or manufacture is not located in this state, the license fee is \$1,500. The brewer is exempt from the requirements set out in subsections (c), (d), and (e) of this section: *Provided*, That a brewer whose principal place of business or manufacture is not located in this state that produces less than 25,000 barrels of nonintoxicating beer or nonintoxicating craft beer may choose to apply, in writing, to the commissioner to be subject to the variable license fees of subdivision (3), subsection (b) of

this section and the requirements set out in subsections (c), (d), and (e) of this section subject to investigation and approval by the commissioner as to brewer requirements.

(5) For a brewpub, the license fee is \$500 for each place of manufacture.

(c) As part of the application or renewal application and in order to determine a brewer or resident brewer's license fee pursuant to this section, a brewer or resident brewer shall provide the commissioner, on a form provided by the commissioner, with an estimate of the number of nonintoxicating beer or nonintoxicating craft beer barrels and gallons it may produce during the year based upon the production capacity of the brewer's or resident brewer's manufacturing facilities and the prior year's production and sales volume of nonintoxicating beer or nonintoxicating craft beer.

(d) On or before July 15 of each year, every brewer or resident brewer who is granted a license shall file a final report, on a form provided by the commissioner, that is dated as of June 30 of that year, stating the actual volume of nonintoxicating beer or nonintoxicating craft beer in barrels and gallons produced at its principal place of business and other sites of manufacture during the prior year.

(e) If the actual total production of nonintoxicating beer or nonintoxicating craft beer by the brewer or resident brewer exceeded the brewer's or resident brewer's estimate that was filed with the application or renewal application for a brewer's or resident brewer's license for that period, then the brewer or resident brewer shall include a remittance for the balance of the license fee pursuant to this section that would be required for the final, higher level of production.

(f) Any brewer or resident brewer failing to file the reports required in subsections (c) and (d) of this section, and who is not exempt from the reporting requirements, shall, at the discretion of the commissioner, be subject to the penalties set forth in §11-16-23 of this code.

(g) Notwithstanding subsections (a) and (b) of this section, the license fee per event for a nonintoxicating beer floor plan extension is \$50, and the fee may not be prorated or refunded. A licensee shall submit an application, certification that the event meets certain requirements in this code and rules, and any other information required by the commissioner, at least 15 days prior to the event, all as determined by the commissioner.

(h) Notwithstanding subsections (a) and (b) of this section, a Class A retail dealer, in good standing with the commissioner, may apply, on a form provided by the commissioner, to sell, serve, and furnish nonintoxicating beer or nonintoxicating craft beer for on-premises consumption in an outdoor dining area or outdoor street dining area, as authorized by any municipal government or county commission in the which the licensee operates. The Class A retail dealer shall submit to the municipal government or county commission, for approval, a revised floorplan and a request to sell and serve nonintoxicating beer or nonintoxicating craft beer, subject to the commissioner's requirements, in an approved outdoor area. For private outdoor street dining, or private outdoor dining, the approved and bounded outdoor

area need not be adjacent to the licensee's licensed premises, but in close proximity and under the licensee's control with right of ingress and egress. For purposes of this section, "close proximity" means an available area within 150 feet of the Class A retail dealer's licensed premises. A Class A retail dealer may operate a nonintoxicating beer or nonintoxicating craft beer outdoor dining or outdoor street dining in conjunction with a temporary private outdoor dining or temporary private outdoor street dining area set forth in §60-7-8d of this code and temporary private wine outdoor dining or temporary private wine outdoor street dining set forth in §60-8-32a of this code.

(i) For purposes of this article, "nonintoxicating beer or nonintoxicating craft beer outdoor dining and nonintoxicating beer or nonintoxicating craft beer outdoor street dining" includes dining areas that are:

- (1) Outside and not served by an HVAC system for air handling services and use outside air;
- (2) Open to the air; and
- (3) Not enclosed by fixed or temporary walls; however, the commissioner may seasonally approve a partial enclosure with up to three temporary or fixed walls. Any area where seating is incorporated inside a permanent building with ambient air through HVAC is not considered outdoor dining pursuant to this subsection.

§11-16-10. Brewer's license for foreign corporation; application; bond; contents of application; limitations; licensed representatives for brewers, resident brewers, and distributors; annual license fee; renewal; suspension; license fee for sales representatives; transportation permits; container label registration; and Beer License Operations Fund created; and implementation operations of fee.

(a) A brewer's license shall be issued by the commissioner to a foreign corporation which submits an application therefor accompanied by the license fee hereinafter prescribed, a certified copy of the certificate of authority issued by the Secretary of State authorizing such foreign corporation to transact business in the state, and a certified copy of its most recent corporation charter. Such application shall be verified and shall state:

- (1) The name of the corporation and the state under the laws of which it is incorporated;
- (2) The date of incorporation;
- (3) The address of the principal office of the corporation;
- (4) The names and respective addresses of the directors and officers of the corporation;
- (5) The date that such foreign corporation qualified to transact business in this state; and
- (6) Such other information as the commissioner, by rule or regulation, may require.

(b) So long as the foreign corporation remains qualified to transact business in this state so that the Secretary of State can accept service of notice and process for such foreign corporation, then, notwithstanding any other provision of this article to the contrary, none of the officers and directors of such foreign corporation need be residents of this state.

(c) The license fee for a brewer's license for a foreign corporation selling any nonintoxicating beer product within this state, whether or not its principal place of business be located in this state, shall be \$1,500 per annum. The license period shall begin on July 1 of each year and end on June 30 of the following year, and if granted for a lesser period, the same shall be prorated semiannually in proportion to the remainder of the fiscal year.

(d) As of July 1, 2019, there is an annual nonrefundable and non-prorated operational fee for all brewers, resident brewers, Class A retail dealers, Class B retail dealers, and distributors of \$100 which shall be paid on or before July 1, 2019 and every July 1 thereafter. All fees collected by the commissioner pursuant to this subsection shall be deposited in a special revenue account in the State Treasury, hereby created, to be known as the Beer License Operations Fund. Moneys in the fund may only be expended by the commissioner for the administration of this article, and as appropriated by law.

(e) All representatives engaged in the selling, marketing, merchandising, or the conducting of any other sales on behalf of any brewer, resident brewer or distributor of nonintoxicating beer shall be issued a license by the commissioner. A licensee is subject to the provisions of

§11-16-23 of this code for violations of this article and the rules promulgated thereunder. It is a violation of the code and rules to operate without such license and is punishable by the penalties available under this article. The commissioner shall prescribe forms to complete such licensure.

(f) Any brewer, resident brewer, distributor or any person transporting nonintoxicating beer or nonintoxicating craft beer for resale, and not for personal use, in or through this state on behalf of such licensees or persons, or by contract or other means, who is operating in this state may only transport nonintoxicating beer or nonintoxicating craft beer available for resale, and not personal use, in or through this state. All vehicles transporting nonintoxicating beer or nonintoxicating craft beer shall be issued a nonintoxicating beer transportation permit. Transporting nonintoxicating beer or nonintoxicating craft beer for resale, and not for personal use, in or through this state without a nonintoxicating beer transportation permit is in violation of law and the penalties prescribed under §11-16-18 and §11-16-23 of this code are applicable for any violation. The commissioner shall prescribe forms to complete such permitting.

(g) Any brewer or resident brewer offering nonintoxicating beer or nonintoxicating craft beer for sale under this article shall register, prior to offering such beer for sale in the state, with the commissioner each nonintoxicating beer or nonintoxicating craft beer container label. No nonintoxicating beer or nonintoxicating craft beer brand may be sold under this article unless all of such nonintoxicating beer or nonintoxicating craft beer brand's container labels for the product intended for sale in the state have been registered and reviewed by the commissioner. Prior to registration of any nonintoxicating beer or nonintoxicating craft beer container labels, this review shall include, but not be limited to, a review of the alcohol content, corporate or product information, marketing and advertising so that the nonintoxicating beer or nonintoxicating craft beer container label is not intended to be marketed to persons less than 21 years of age. The commissioner shall remove all nonrenewed nonintoxicating beer or nonintoxicating craft beer container labels, and any licensee who sells nonintoxicating beer or nonintoxicating craft beer with nonrenewed container labels shall be subject to the penalties under §11-16-23 of this code. Failure to register, obtain a review, and a certification for a nonintoxicating beer or nonintoxicating craft beer container label and failure to register such labels will subject the brewer or resident brewer to penalties under said section. The commissioner shall prescribe forms to complete such registration.

(h) The licenses and permits issued under the provisions of this section shall be renewed annually upon application for renewal on a form prescribed by the commissioner and payment of the annual license fee.

(i) If at any time a foreign corporation is no longer qualified to transact business in this state, the Secretary of State shall notify the commissioner of such fact and the commissioner shall thereupon suspend the brewer's license issued to such foreign corporation until such time as such foreign corporation has again qualified to transact business in this state and has otherwise complied with the provisions of this section.

(j) Notwithstanding any other provision of this article to the contrary, any corporation issued a brewer's license under the provisions of this article shall not engage in the business of a distributor or retailer as defined in this article.

(1) The commissioner may issue a special one-day license to be designated a Class S1 license for the retail sale of nonintoxicating beer and nonintoxicating craft beer to a duly-organized nonprofit corporation, limited liability entity, or an association having received federal tax exempt status allowing the sale and serving of nonintoxicating beer or nonintoxicating craft beer when raising money for artistic, athletic, charitable, educational, or religious purposes. The commissioner may not charge a fee to the applicant that meets requirements for licensure. The special license shall be issued for a term no longer than one day. No more than six licenses may be issued to any single licensee during any calendar year. The license application shall contain a copy of the documents showing approved federal tax-exempt status and other information required by the commissioner and shall be submitted to the commissioner at least 15 days prior to the event. Nonintoxicating beer served and sold during the event shall be purchased from a licensed distributor or resident brewer, acting in the limited capacity of a distributor for its own products, that services the location where the festival, fair, or other event is occurring. All distributors and resident brewers in the area must be notified in writing by mail, facsimile or electronic mail of the event in advance and be presented with the opportunity to participate in the event. Licensed representatives of distributors, brewers, or resident brewers may attend the one-day event and discuss their products, but may not engage in the serving or selling of the nonintoxicating beer or nonintoxicating craft beer. A licensee licensed by this section may use bona fide employees or volunteers of the charitable entity to sell and serve nonintoxicating beer and nonintoxicating craft beer.

(2) A license issued under the provisions of this section and the licensee holding the license are subject to all other provisions of this article and the rules and orders of the commissioner relating to the special license: Provided, That the commissioner may by rule or order allow certain waivers or exceptions with respect to those provisions, rules, or orders as the circumstances of each event requires, including, without limitation, the right to revoke or suspend any license issued pursuant to this section prior to any notice or hearing notwithstanding the provisions of §11-16-24 of this code: Provided, however, That under no circumstances may the provisions §11-16-18(a)(1), §11-16-18(a)(2), or §11-16-18(a)(3) of this code, be waived or an exception granted with respect to those provisions.

§11-16-11c. Unlicensed brewer or unlicensed home brewer temporary license; fees; requirements.

(a) An unlicensed brewer or home brewer may obtain a temporary special license, upon meeting the requirements set forth in this section, to offer its nonintoxicating beer or nonintoxicating craft beer for sampling and sales at a fair and festival licensed under §11-16-11 and §11-16-11b of this code, when granted approval by the fair and festival licensee. The unlicensed brewer or home brewer is exempt from the requirements of registering the brand and using a distributor and a franchise agreement due to the limited nature of this temporary license.

(b) An unlicensed brewer or home brewer is subject to the limits, taxes, fees, requirements, restrictions, and penalties set forth in this article: *Provided*, That the commissioner may, by rule or order, provide for certain waivers or exceptions with respect to the provisions, laws, rules, or orders as required by the circumstances of each festival or fair. The commissioner may revoke or suspend any license issued pursuant to this section prior to any notice or hearing, notwithstanding the provisions §11-16-23 and §11-16-24 of this code: *Provided, however*, That under no circumstances shall the provisions of §11-16-8(a)(1), §11-16-8(a)(2), and §11-16-8(a)(3) of this code, be waived nor shall any exception be granted with respect to those provisions.

(c) A brewer or home brewer, regardless of its designation in its domicile state, that is duly licensed and in good standing in its domicile state, but unlicensed in this state, or an unlicensed brewer or home brewer that is a resident of West Virginia, shall pay a \$150 nonrefundable and non-prorated fee and submit an application for a temporary license on a one-day basis. The temporary special license allows the unlicensed brewer or home brewer to sell nonintoxicating beer or nonintoxicating craft beer to a licensed fair or festival for the sampling and sale of the nonintoxicating beer or nonintoxicating craft beer for on-premises consumption at the licensed fair or festival. The brewer or home brewer shall pay all taxes due and the appropriate markup on the nonintoxicating beer or nonintoxicating craft beer.

(2) The unlicensed brewer or home brewer temporary license application shall include, but is not limited to, the person or entity's name, address, taxpayer identification number, and location; if the unlicensed brewer or home brewer is from out of state, a copy of its licensure in its domicile state; a signed and notarized verification that it produces 25,000 barrels or less of nonintoxicating beer or nonintoxicating craft beer per year; a signed and notarized verification that it is in good standing with its domicile state; copies of its federal certificate of label approvals and a certified lab alcohol analysis for the nonintoxicating beer or nonintoxicating craft beer it plans to sell to a fair or festival licensed under §11-16-11 and §11-16-11b of this code; and any other information required by the commissioner.

(3) The applicant shall include in its application a list of all nonintoxicating beers or nonintoxicating craft beers it proposes to provide, in sealed containers, to a licensed fair or festival for sampling or sale so that the commissioner may review them in the interest of public health and safety. Once approved, the submitted nonintoxicating beer or

nonintoxicating craft beer list creates a temporary nonintoxicating beer or nonintoxicating craft beer brand registration for up to two days at any event licensed under §11-16-11 and §11-16-11b of this code, for no additional fee.

(4) An applicant that receives this temporary license for any event licensed under §11-16-11 and §11-16-11b of this code shall provide a signed and notarized agreement acknowledging that it is the applicant's duty to pay all municipal, local, and sales taxes applicable to the sale of nonintoxicating beer or nonintoxicating craft beer in West Virginia.

The license fee covers up to two separate one-day licenses for the event before an additional fee is required. Any applicant desiring to attend more than four events per year or otherwise operate in West Virginia shall seek appropriate licensure as a brewery or resident brewery in this state.

(6) Notwithstanding the provisions of this article and requirements for licensure, brand registration, franchise requirements, payment of beer barrel tax, and the appointment of a distributor franchise network, this temporary special license for an event licensed under §11-16-11 and §11-16-11b of this code, once granted, permits the licensee to operate in this limited capacity only at the approved specific, events licensed under §11-16-11 and §11-16-11b of this code, subject to the limitations noted in this section.

(7) The applicant shall also apply for and receive a nonintoxicating beer or nonintoxicating craft beer transportation permit in order to legally transport nonintoxicating beer or nonintoxicating craft beer in the state as required by §11-16-10(f) of this code: *Provided*, That the commissioner may not charge or collect an additional fee for a nonintoxicating beer or nonintoxicating craft beer transportation permit to an applicant seeking a temporary special license under this section.

No price schedule shall be put into effect until ninety days after receipt of same by the commissioner and shall be submitted on or before the following quarterly dates of January 1, April 1, July 1 and October 1 of the calendar year to be effective: Provided, That any price shall remain in effect not less than ninety days.

(3) For any brewer or manufacturer, resident brewer or any other person, firm or corporation engaged in the business of selling nonintoxicating beer, ale or other malt beverage or malt cooler to a distributor or wholesaler to sell, offer for sale or transport to West Virginia any nonintoxicating beer, ale or other malt beverage or malt cooler unless it has first registered its labels and assigned to the appropriate distributor per an equitable franchise agreement, all as approved by the commissioner.

(4) For any brewer or manufacturer, or any other person, firm or corporation engaged in the business of selling nonintoxicating beer, ale or other malt beverage or malt cooler to provide, furnish, transport or sell its nonintoxicating beer products, brands and line extensions to any person or distributor other than the appointed distributor per the franchise agreement and established in the franchise distributor network in the territory assigned to that appointed distributor.

(5) For any brewer or manufacturer, or any other person, firm or corporation engaged in the business of selling nonintoxicating beer, ale or other malt beverage or malt cooler to provide, furnish, transport or sell its nonintoxicating beer products, brands and line extensions that have been denied by the commissioner.

(6) For any resident brewer that chooses to utilize a franchise agreement and a franchise

distributor network, either in addition to or in conjunction with its limited quantity of nonintoxicating beer for self-distribution, to violate this section and the resident brewer is subject to the sanctions in subsections (b) and (c) of this section.

(b) The violation of any provision of this section by any brewer or manufacturer shall constitute grounds for the forfeiture of the bond furnished by such brewer or manufacturer in accordance with the provisions of section twelve of this article.

(c) The violation of this section by any brewer or manufacturer is grounds for sanctions as determined by the commissioner in accordance with sections twenty-three and twenty-four of this article and the rules promulgated by the commissioner.

(d) Any resident brewer that chooses to utilize a franchise agreement and a franchise distributor network, either in addition to or in conjunction with its limited quantity of nonintoxicating beer for self-distribution, shall be treated as a brewer under this article and the applicable promulgated rules.

§11-16-21. Requirements as to franchise agreements between brewers and distributors; transfer of franchise by distributor; franchise distributor network; notice thereof to brewer; arbitration of disputes as to such transfer; violations and penalties; limitation of section.

(a) On and after July 1, 1971, it shall be unlawful for any brewer to transfer or deliver to a distributor any nonintoxicating beer, ale or other malt beverage or malt cooler without first having entered into an equitable franchise agreement with such distributor, which franchise agreement and any amendments to that agreement shall be in writing, shall be identical as to terms and conditions with all other franchise agreements and any amendments between such brewer and its other distributors in this state in its approved franchise distributor network, all as approved by the commissioner and which shall contain a provision in substance or effect as follows:

(1) The brewer recognizes that the distributor is free to manage his or her business in the manner the distributor deems best and that this prerogative vests in the distributor, subject to the provisions of this article, the exclusive right: (A) To establish his or her selling prices; (B) to have the distribution rights to the brands and line extensions of nonintoxicating beer products that are bound by franchise agreements specifying a distributor's assigned territory and that are assigned to a franchise distributor network, and, further, that the distributor may determine which brands and line extensions of nonintoxicating beer products he or she wishes to handle; and (C) to determine the efforts and resources which the distributor will exert to develop and promote the sale of the brewer's nonintoxicating beer products handled by the distributor. However, since the brewer's nonintoxicating beer products, brands and line extensions shall only be handled by the distributor with a franchise agreement for a certain territory in West Virginia as a part of the brewer's overall franchise distributor network in West Virginia and will not be sold by other distributors in the territory, the brewer is dependent upon the appointed distributor alone for the sale of such products in the assigned territory. Consequently, the brewer expects that the distributor will price competitively the nonintoxicating beer products handled by the distributor, devote reasonable effort and resources to the sale of such products and maintain a satisfactory sales level.

(2) The franchise agreement binds the parties so that a distributor, appointed by a brewer, may distribute all of the brewer's nonintoxicating beer products, brands or family of brands imported and offered for sale in West Virginia, including, but not limited to: existing brands, line extensions and new brands in the brewer's assigned territory for the distributor. All brands and line extensions being imported or offered for sale in West Virginia must be listed by the brewer in the franchise agreement or a written amendment to the franchise agreement. A franchise agreement may be amended by mutual written agreement of the parties as approved by the commissioner with identical terms and conditions for a brewer and all of its distributors. Any approved amendment to the franchise agreement becomes a part of the franchise agreement.

(3) Whenever the manufacturing, bottling or other production rights for the sale of

nonintoxicating beer at wholesale of any brewer is acquired by another brewer, the franchised distributor and franchise distributor network of the selling brewer shall be entitled to continue distributing the selling brewer's nonintoxicating beer products as authorized in the franchised distributor's existing franchise agreement and the acquiring brewer shall market all the selling brewer's nonintoxicating beer products through said franchised distributor and franchise distributor network as though the acquiring brewer had made the franchise agreement and the acquiring brewer may terminate said franchise agreement only in accordance with subdivision (2), subsection (b) of this section: Provided, That the acquiring brewer may distribute any of its other nonintoxicating beer products through its duly authorized franchises and franchise distributor network in accordance with all other provisions of this section. Further, this subdivision shall apply to the brewer, successor brewers and also any successor entities of a brewer who shall be bound by the existing franchise agreement and the franchise distributor network, unless all the parties mutually agree, in writing, to change or cancel the existing franchise agreement and franchise distributor network or unless the brewer terminates a distributor as provided in this article and the promulgated rules.

(b) It shall also be unlawful:

(1) For any brewer, resident brewer or distributor, or any officer, agent or representative of any brewer, resident brewer or distributor, to coerce or persuade or attempt to coerce or persuade any person licensed to sell, distribute or job nonintoxicating beer, ale or other malt beverage or malt cooler at wholesale or retail, to enter into any contracts or agreements, whether written or oral, or to take any other action which will violate or tend to violate any provision of this article or any of the rules, regulations, standards, requirements or orders of the commissioner promulgated as provided in this section;

(2) For any brewer, resident brewer or distributor, or any officer, agent or representative of any brewer, resident brewer or distributor, to cancel, terminate or rescind without due regard for the equities of such brewer, resident brewer or distributor and without just cause, any franchise agreement, whether oral or written, and in the case of an oral franchise agreement, whether the same was entered into on or before June 11, 1971, and in the case of a franchise agreement in writing, whether the same was entered into on, before or subsequent to July 1, 1971. The cancellation, termination or rescission of any such franchise agreement shall not become effective for at least ninety days after written notice of such cancellation, termination or rescission has been served on the affected party and the Commissioner by certified mail, return receipt requested: Provided, That said ninety-day period and said notice of cancellation, termination or rescission shall not apply if such cancellation, termination or rescission is agreed to in writing by both the brewer and the distributor involved.

(c) In the event a distributor desires to sell or transfer his or her franchise and assigned territory in the brewer or resident brewer's franchise distributor network, such distributor shall give to the brewer, or resident brewer at least sixty days' notice in writing of such impending sale or transfer and the identity of the person, firm or corporation to whom such

sale or transfer is to be made and such other information as the brewer or resident brewer may reasonably request. Such notice shall be made upon forms and contain such additional information as the Commissioner by rule or regulation shall prescribe. A copy of such notice shall be forwarded to the commissioner. The brewer or resident brewer shall be given sixty days to approve or disapprove of such sale or transfer. If the brewer or resident brewer neither approves nor disapproves thereof within sixty days of the date of receipt of such notice, the sale or transfer of such franchise shall be deemed to be approved by such brewer or resident brewer. In the event the brewer or resident brewer shall disapprove of the sale or transfer to the prospective franchisee, transferee or purchaser, such brewer or resident brewer shall give notice to the distributor of that fact in writing, setting forth the reason or reasons for such disapproval. The approval shall not be unreasonably withheld by the brewer or resident brewer. The fact that the prospective franchisee, transferee or purchaser has not had prior experience in the nonintoxicating beer business or beer business shall not be deemed sufficient reason in and of itself for a valid disapproval of the proposed sale or transfer, but may be considered in conjunction with other adverse factors in supporting the position of the brewer or resident brewer. Nor may the brewer or resident brewer impose requirements upon the prospective franchisee, transferee or purchaser which are more stringent or restrictive than those currently demanded of or imposed upon the brewer or resident brewers or other distributors in the State of West Virginia. A copy of such notice of disapproval shall likewise be forwarded to the commissioner and to the prospective franchisee, transferee or purchaser. In the event the issue be not resolved within twenty days from the date of such disapproval, either the brewer, resident brewer, distributor or prospective franchisee, transferee or purchaser shall notify the other parties of his or her demand for arbitration and shall likewise notify the commissioner thereof. A dispute or disagreement shall thereupon be submitted to arbitration in the county in which the distributor's principal place of business is located by a board of three arbitrators, which request for arbitration shall name one arbitrator. The party receiving such notice shall within ten days thereafter by notice to the party demanding arbitration name the second arbitrator or, failing to do so, the second arbitrator shall be appointed by the chief judge of the circuit court of the county in which the distributor's principal place of business is located on request of the party requesting arbitration in the first instance. The two arbitrators so appointed shall name the third or, failing to do so within ten days after appointment of the second arbitrator, the third arbitrator may be appointed by said chief judge upon request of either party. The arbitrators so appointed shall promptly hear and determine and the questions submitted pursuant to the procedures established by the American Arbitration Association and shall render their decision with all reasonable speed and dispatch but in no event later than twenty days after the conclusion of evidence. Said decision shall include findings of fact and conclusions of law and shall be based upon the justice and equity of the matter. Each party shall be given notice of such decision. If the decision of the arbitrators be in favor of or in approval of the proposed sale or transfer, the brewer or resident brewer shall forthwith agree to the same and shall immediately transfer the franchise to the proposed franchisee, transferee or purchaser unless notice of intent to appeal such decision is given the arbitrators and all other parties within ten days of notification of such decision. If any such party deems himself or herself aggrieved thereby, such party shall have a right to

bring an appropriate action in circuit court. Any and all notices given pursuant to this subsection shall be given to all parties by certified or registered mail, return receipt requested.

(d) The violation of any provision of this section by any brewer or resident brewer shall constitute grounds for the forfeiture of the bond furnished by such brewer or resident brewer in accordance with the provisions of section twelve of this article and shall also constitute grounds for sanctions in accordance with sections twenty-three and twenty-four of this article. Moreover, any circuit court of the county in which a distributor's principal place of business is located shall have the jurisdiction and power to enjoin the cancellation, termination or rescission of any franchise agreement between a brewer or resident brewer and such distributor and, in granting an injunction to a distributor, the court shall provide that the brewer or resident brewer so enjoined shall not supply the customers or territory of the distributor while the injunction is in effect.

§11-16-22. Powers of the commissioner; rules, or orders.

(a) In addition to all other powers conferred upon the commissioner and in order to effectively carry out the provisions, intent and purposes of this article, the commissioner shall have the power and authority to adopt, promulgate, repeal, rescind and amend, in accordance with the provisions of chapter 29A of this code, rules, standards, requirements and orders, including, but not limited to, the following:

 - (A) The advertising medium or equipment used; or
 - (B) Signage except for exterior signage governed by §17-22-1 *et seq.* of this code.
- (8) Wholesale prices or price changes, including, but not limited to, the regulation and extent, if any, of any temporary price markoff or markdown, temporary wholesale price change downward or price discount, sometimes referred to as "post downs" or as "posting down" or any other price change, the express purpose of which is to put into effect a temporary price reduction, as well as the duration of time during which such temporary price reduction is to remain in effect;
- (9) Restrictions upon West Virginia distributors or other licensees with respect to the

purchase of any nonintoxicating beer or malt coolers from manufacturers or brewers whether within or without the state who have failed to qualify for manufacture or shipment of any such product in the state; and

(10) Regulating, restricting or prohibiting a distributor from selling, offering for sale, distributing or delivering nonintoxicating beer to any retailer whose principal place of business, residence or licensed premises is located without or beyond the assigned territory of such distributor of such nonintoxicating beer.

(b) Any rule or order heretofore adopted by the commissioner and currently in effect upon the convening of the regular session of the Legislature held in the year one thousand nine hundred eighty-six shall remain in effect until changed by the commissioner in the manner prescribed by article three, chapter twenty-nine-a of this code, irrespective of whether specific authority for such currently effective rule existed prior to such date.

§11-16-23. Revocation or suspension of license; monetary penalty; hearing assessment of costs; establishment of enforcement fund.

(a) Upon a determination by the commissioner that a licensee has: (i) Violated the provisions of §11-16-18 of this code, or of §60-1-1 *et seq.* of this code; (ii) acted in such a way as would have precluded initial or renewal licensure; or (iii) violated any rule or order promulgated by the commissioner, he or she may:

(1) Revoke the licensee's license;

(2) Suspend the licensee's license;

(3) Place the licensee on probationary status for a period not to exceed 12 months; and

(4) Impose a monetary penalty not to exceed \$1,000 for each violation where revocation is not imposed.

(b) Any monetary penalty assessed and collected by the commissioner shall be transmitted to the State Treasurer for deposit into the State Treasury to the credit of a special revenue fund designated the Alcohol Beverage Control Enforcement Fund established by the provisions of §60-7-13 of this code.

(c) In addition to the grounds for revocation, suspension, or other sanction of a license set forth in subsection (a) of this section, conviction of the licensee of any offense constituting a violation of the laws of this state or of the United States relating to nonintoxicating beer or alcoholic liquor are mandatory grounds for sanctioning of a license. Conviction of the licensee of any violation of the laws of this State or of the United States relating to prostitution or the sale, possession, or distribution of narcotics or controlled substances is mandatory grounds for revocation of the licensee's license for a period of at least one year.

§11-16-24. Hearing on sanctioning of license; notice; review of action of commissioner; clerk of court to furnish commissioner copy of order or judgment of conviction of licensee; assessment of costs; procedure for appealing any final order of the commissioner which revokes, suspends, sanctions or denies the issuance or renewal of any license issued under this article.

(a) The commissioner may not revoke or suspend a license issued pursuant to this article or impose a civil penalty authorized under this article unless and until a hearing is held after at least ten days' notice to the licensee of the time and place of the hearing, which notice shall contain a statement or specification of the charges, grounds or reasons for the proposed contemplated action, and which is served upon the licensee as notices under the West Virginia Rules of Civil Procedure or by certified mail, return receipt requested, to the address for which license was issued; at which time and place, so designated in the notice, the licensee has the right to appear and produce evidence in his or her behalf, and to be represented by counsel.

(b) The commissioner may summon witnesses in the hearings before him or her, and fees of witnesses summoned on behalf of the state in proceedings to sanction licenses shall be treated as a part of the expenses of administration and enforcement. The fees shall be the same as those in similar hearings in the circuit courts of this state. The commissioner may, upon a finding of violation, assess a licensee a sum not to exceed \$150 per violation to reimburse the commissioner for expenditures for witness fees, court reporter fees and travel costs incurred in holding the hearing. Moneys so assessed shall be transferred to the Nonintoxicating Beer Fund created by section twenty-three of this article.

(c) If, at the request of the licensee or on his or her motion, the hearing is continued and does not take place on the day fixed by the commissioner in the notice of hearing, then the licensee's license may be suspended until the hearing and decision of the commissioner, and in the event of revocation or suspension of the license, upon hearing before the commissioner, the licensee is not permitted to sell beer pending an appeal as provided by this article. (f) Whenever a licensee has been convicted of an offense constituting a violation of the laws of this state or of the United States relating to nonintoxicating beer, or alcoholic liquor, and the conviction has become final, the clerk of the court in which the licensee has been convicted shall forward to the commissioner a certified copy of the order or judgment of conviction if the clerk has knowledge that the person so convicted is a licensee, together with the certification of the clerk that the conviction is final.

(g) In the case of a Class B licensee with multiple licensed locations, the commissioner may, in his or her discretion, revoke, suspend or otherwise sanction, per the provisions of section twenty-three of this article, only the license for the location or locations involved in the unlawful conduct for which licensure is sanctioned, as opposed to all separately licensed locations of the licensee.

§11-16-25. Reissuance of license after revocation.

Only one municipal tax is to be so imposed and that only by the municipality in which the place of business, or warehouse, is located. Cities and incorporated towns are hereby empowered to enact ordinances for the enforcement of this article in conformity with the provisions of the same: Provided, That in no case shall the rate of such municipal license tax exceed the rate of such tax in effect on January 1, 1986.

In the case of a brewpub, such municipal tax shall not exceed the same proportions of taxation as the other licensees.

§11-16-27. Revenue collected and paid to State Treasurer; expense of administration.
