Such election applies only to the taxable year for which the election is made and, once made, is irrevocable for that year.

(i) For taxable years beginning on and after January 1, 2022, an electing pass-through entity may make an election, in a format and according to such requirements and procedures established by the Tax Commissioner, to pay the tax levied by this article at the entity level for the taxable year.

Such election applies only to the taxable year for which the election is made and, once made, is irrevocable for that year.

(k) A tax equal to the top marginal rate on individuals under this article on the West Virginia taxable income of an electing pass-through entity that makes the election provided under this section, is hereby annually imposed.

(l) The tax levied under this section shall be calculated without regard to any deductions or credits otherwise permitted to be claimed by an owner or member of the electing pass-through entity in computing the owner's aggregate tax liability under this article and not utilized by the pass-through entity in determining its taxable income.

(m) An electing pass-through entity that elects to pay the tax under this section may be eligible for credits, deductions, or other adjustments to taxable income provided by any applicable sections of this code including the credit provided in §11-21-20 of this code: *Provided*, That a qualifying pass-through entity's taxable income shall be adjusted to eliminate any federal deduction for state and local income taxes.

The tax levied under this section is intended to comply with the provisions of Internal Revenue Service Notice 2020-75 in which such tax paid by an electing pass-through entity is deductible to the entity for federal income tax purposes.

(p) The Tax Commissioner shall propose rules for legislative approval in accordance with the provisions of §29A-3-1 *et seq.* of this code to administer the tax levied pursuant to the provisions of this section. These rules must include a description of how the adjustments to income and the credit authorized by this section apply to direct or indirect owners of an electing pass-through entity based upon various ownership structures.

(q) There is hereby allowed a credit against a taxpayer's aggregate tax liability under this article for a taxpayer who is an owner of an electing pass-through entity. The credit shall equal the owner's proportionate share of the tax levied under this article remitted by the

owner's electing pass-through entity for the taxable year. The credit shall be claimed for the taxpayer's taxable year that includes the last day of the electing pass-through entity's taxable year for which the tax levied under this section was paid. If the credit exceeds the aggregate amount of tax otherwise due, the excess may be carried forward by the taxpayer for up to five taxable years. The Tax Commissioner may request that a taxpayer claiming a credit under this section furnish information as is necessary to support the claim for the credit under this section, and no credit shall be allowed unless information requested from the taxpayer is provided to the Tax Commissioner.
