(2) The state partnership representative for the reviewed year is the partnership's federal partnership representative unless the partnership designates in writing another person as its state partnership representative.

(3) The Tax Commissioner may establish reasonable qualifications for and procedures for designating a person, other than the federal partnership representative, to be the state partnership representative.

(c) Reporting and payment requirements for partnerships subject to a final federal adjustment and direct partners. — Final federal adjustments subject to the requirements of §11-21A-3 of this code, except for those subject to a properly made election under §11-21A-3(d) of this code, shall be reported as follows:

(1) No later than 90 days after the final determination date, the partnership shall:

(A) File a completed federal adjustment report with the Tax Commissioner, including information as required by the Tax Commissioner; and

(B) Notify each of its direct partners of their distributive share of the final federal adjustments including information as required by the Tax Commissioner; and

(2) Except as provided in §11-21A-4 of this code for minimal tax liabilities, no later than 180 days after the final determination date, each direct partner that is taxed under §11-21-1 et

(2) No later than 180 days after the final determination date, pay an amount, determined as follows, in lieu of taxes owed by its direct partners and indirect partners:

(A) Exclude from final federal adjustments the distributive share of these adjustments reported to a direct exempt partner not subject to tax under § 11-21-1 et seq. or §11-24-1 et seq. of this code;

(B) For the total distributive shares of the remaining final federal adjustments reported to direct corporate partners subject to tax under §11-24-1 et seq. of this code, and to direct exempt partners subject to tax under §11-24-1 et seq. of this code, apportion and allocate the adjustments as provided in §11-24-7 of this code, as applicable, and multiply the resulting amount by the highest tax rate under §11-24-1 et seq. of this code;

(C) For the total distributive shares of the remaining final federal adjustments reported to nonresident direct partners subject to tax under §11-21-1 et seq. of this code, determine the amount of the adjustments which is West Virginia source income under §11-21-30 of this code, and multiply the resulting amount by the highest tax rate under §11-21-1 et seq. of this code;

(D) For the total distributive shares of the remaining final federal adjustments reported to tiered partners:

(i) Determine the amount of the adjustments which is of a type that it would not be subject to sourcing to West Virginia under §11-21-1 et seq. of this code; allocate and apportion the income as provided in §11-21-1 et seq. of this code; and then determine the portion of this amount that would be sourced to this state applying these rules.

(ii) Determine the amount of such adjustments which is of a type that it would not be subject

to sourcing to West Virginia by a nonresident under §11-21-30 of this code.

(iii) Determine the portion of the amount determined in §11-21A-3(c)(2)(D)(ii) of this code that can be established under rule issued by the Tax Commissioner, to be properly allocable to nonresident indirect partners or other partners not subject tax on the adjustments; or that can be excluded under procedures for modified reporting and payment method allowed under §11-21A-3(f) of this code.

(E) Multiply the total of the amounts determined in §11-21A-3(d)(2)(D)(i) and (ii) of this code reduced by the amount determined in §11-21A-3(d)(2)(D)(iii) of this code by the highest tax rate under §11-21-1 et seq. of this code that applies to individuals and/or estates and trusts;

(F) For the total distributive shares of the remaining final federal adjustments reported to resident direct partners subject to tax under §11-21-1 et seq. of this code, multiply that amount by the highest tax rate under §11-21-1 et seq. of this code that applies to individuals and/or estates and trusts;

(G) Add the amounts determined in §11-21A-3(d)(2)(B), (D), (E), and (F) of this code;

(3) Final federal adjustments subject to this election exclude:

(A) The distributive share of final audit adjustments that under §11-24-1 et seq. of this code must be included in the unitary business income of any direct or indirect corporate partner, provided that the audited partnership can reasonably determine this amount; and

(B) Any final federal adjustments resulting from an administrative adjustment request.

(4) An audited partnership not otherwise subject to any reporting or payment obligation to this state that makes an election under §11-21A-3(d) of this code consents to be subject to this state's laws related to reporting, assessment, payment, and collection of West Virginia income tax calculated under the election.

(e) Tiered partners. — The direct and indirect partners of an audited partnership that are tiered partners, and all of the partners of those tiered partners that are subject to tax under §11-21-1 et seq. or §11-24-1 et seq. of this code, as appropriate, are subject to the reporting and payment requirements of §11-21A-3(b) of this code and the tiered partners are entitled to make the elections provided in §11-21A-3(c) and (e) of this code. The tiered partners or their partners shall make required reports and payments no later than 90 days after the time for filing and furnishing statements to tiered partners and their partners as established under I.R.C. Section 6226 and the regulations thereunder. The Tax Commissioner may promulgate rules under §29A-3-1 et seq. of this code to establish procedures and interim time periods for the reports and payments required by tiered partners and their partners and for making the elections under §11-21A-3 of this code.

(f) Modified reporting and payment method. — Under procedures adopted by and subject to the approval of the Tax Commissioner in his or her sole discretion, an audited partnership or

tiered partner may enter into an agreement with the Tax Commissioner to utilize an alternative reporting and payment method, including applicable time requirements or any other provision of §11-21A-3 of this code, if the audited partnership or tiered partner demonstrates that the requested method will reasonably provide for the reporting and payment of taxes, additions to tax, and interest due under the provisions of §11-21A-3 of this code. Application for approval of an alternative reporting and payment method shall be made by the audited partnership or tiered partner within the time for election as provided in §11-21A-3(d) or §11-21A-3(e) of this code as appropriate.

(g) Effect of election by audited partnership or tiered partner and payment of amount due. —

(1) The election made pursuant to §11-21A-3(d) or §11-21A-3(f) of this code is irrevocable, unless the Tax Commissioner, in his or her sole discretion, determines otherwise.

(2) If properly reported and paid by the audited partnership or tiered partner, the amount determined in §11-21A-3(c) of this code, or similarly under an optional election under §11-21A-3(f) of this code, will be treated as paid in lieu of taxes owed by its direct and indirect partners, to the extent applicable, on the same final federal adjustments. The direct partners or indirect partners may not take any deduction or credit for this amount or claim a refund of this amount in this state. Nothing in §11-21A-3(f) of this code may preclude a direct resident partner from claiming a credit against taxes paid to this state pursuant to §11-21-1 et seq. of this code, any amounts paid by the audited partnership or tiered partner on the resident partner's behalf to another state in accordance with the provisions of §11-21-1 et seq. of this code allowing credit for taxes paid to another state.

(h) Failure of audited partnership or tiered partner to report or pay. — Nothing in §11-21A-3 of this code prevents the Tax Commissioner from assessing direct partners, or indirect partners, for taxes they owe, using the best information available to the commissioner, if a partnership or tiered partner fails to timely make any report or payment required by §11-21A-3 of this code for any reason.

§11-21A-4. De minimis exception.

The Tax Commissioner, in his or her discretion, may promulgate rules, as provided in §29A-3-1 et seq. of this code, to establish a de minimis amount upon which a taxpayer shall not be required to comply with §11-21A-2 and §11-21A-3 of this code.

WV Legislature

§11-21A-5. Assessments of additional West Virginia tax, interest, and additions to tax arising from adjustments to federal taxable income; statute of limitations.

The Tax Commissioner will assess additional West Virginia tax, interest, and additions to tax arising from federal adjustments arising from an audit by the Internal Revenue Service, including a partnership level audit, or reported by the taxpayer on an amended federal income tax return or as part of an administrative adjustment request by the following dates:

(1) Timely reported federal adjustments. — If a taxpayer files with the Tax Commissioner a federal adjustments report or an amended West Virginia tax return as required within the period specified in §11-21A-2 or §11-21A-3 of this code, the Tax Commissioner may assess any West Virginia amounts, including in-lieu-of amounts, of taxes, interest, and additions to tax arising from those federal adjustments if the Tax Commissioner issues a notice of the assessment to the taxpayer by a date which is the latest of the following:

(A) The expiration of the limitations period specified in §11-10-15 of this code setting forth normal limitations period; or

(B) The expiration of the one-year period following the date of filing with the Tax Commissioner of the federal adjustments report under §11-21A-3 of this code.

(2) Untimely reported federal adjustments. — If the taxpayer fails to file the federal adjustments report within the period specified in §11-21A-2 or §11-21A-3 of this code, as appropriate, or the federal adjustments report filed by the taxpayer omits federal adjustments or understates the correct amount of West Virginia tax owed, the Tax Commissioner may assess amounts or additional amounts including in-lieu-of amounts, taxes, interest, and additions to tax arising from the final federal adjustments, if the Tax Commissioner mails a notice of the assessment to the taxpayer by a date which is the latest of the following:

(A) The expiration of the limitations period specified in §11-10-15 of this code setting forth limitations periods; or

(B) The expiration of the one-year period following the date the federal adjustments report was filed with the Tax Commissioner; or

(C) Absent fraud, the expiration of the six-year period following the final determination date.

§11-21A-6. Estimated West Virginia tax payments during course of federal audit.

A taxpayer may make estimated payments to the Tax Commissioner, following the process prescribed by the Tax Commissioner, of the tax expected to result from a pending Internal Revenue Service audit, prior to the due date of the federal adjustments report, without having to file the report with the Tax Commissioner. The estimated tax payments shall be credited against any tax liability ultimately found to be due to West Virginia (final West Virginia tax liability) and shall limit the accrual of further statutory interest on that amount. If the estimated tax payments exceed the final tax liability and statutory interest ultimately determined to be due, the taxpayer is entitled to a refund or credit for the excess, provided the taxpayer files a federal adjustments report or claim for refund or credit of tax pursuant to §11-10-14 or §11-21A-7 of this code, no later than one year following the final determination date.

§11-21A-7. Claims for refund or credits of West Virginia tax arising from federal adjustments made by the IRS.

(a) Notwithstanding the reporting requirement contained in §11-21A-2 or §11-21A-3 of this code, except for final federal adjustments required to be reported for federal income tax purposes under I.R.C. § 6225(a)(2), a taxpayer may file a claim for refund or credit of West Virginia tax arising from federal adjustments made by the Internal Revenue Service on or before the later of:

(1) The expiration of the last day for filing a claim for refund or credit of West Virginia tax pursuant to §11-10-14 of this code, including any extensions; or

(2) One year from the date a federal adjustments report prescribed in §11-21A-2 or §11-21A-3 of this code, as applicable, was due to the Tax Commissioner, including any extensions pursuant to §11-21A-8 of this code.

(b) The federal adjustments report shall serve as the means for the taxpayer to report additional West Virginia tax due, report a claim for refund or credit of tax, and make other adjustments (including, but not limited to, its net operating losses) resulting from adjustments to the taxpayer's federal taxable income.

§11-21A-8. Scope of adjustments and extensions of time.

(a) Unless otherwise agreed in writing by the taxpayer and the Tax Commissioner, any adjustments by the Tax Commissioner or by the taxpayer made after the expiration of the statute of limitations for refund and assessment set forth in §11-10-14 and §11-10-15 of this code, respectively, are limited to changes to the taxpayer's tax liability arising from federal adjustments.

(b) The time periods provided for in this section may be extended:

(1) Automatically, upon written notice to the Tax Commissioner, by 60 days for an audited partnership, or tiered partner, which has 10,000 or more direct partners; or

(2) By written agreement between the taxpayer and the Tax Commissioner pursuant to any rule issued under this section.

(c) An extension granted under §11-21A-8 of this code for filing the federal adjustment report extends the last day prescribed by law for assessing any additional tax arising from the adjustments to federal taxable income, as provided in §11-21A-1 et seq. of this code, and the period for filing a claim for refund of credit of taxes pursuant to §11-21A-1 et seq. of this code.

§11-21A-9. Effective date.

This article enacted in 2019 shall apply to any adjustments to a taxpayer's federal taxable income with a final determination date occurring for a tax year beginning after December 31, 2018.
