
WEST VIRGINIA CODE CHAPTER 11
ARTICLE 3

WV Legislature

§11-3-1. Time and basis of assessments; true and actual value; default; reassessment; special assessors; criminal penalty.

(a) All property, except public service businesses assessed pursuant to article six of this chapter, shall be assessed annually as of July 1 at sixty percent of its true and actual value; that is to say, at the price for which the property would sell if voluntarily offered for sale by the owner thereof, upon the terms as the property, the value of which is sought to be ascertained, is usually sold, and not the price which might be realized if the property were sold at a forced sale.

(b) Any conflicting provisions of subsection (a) of this section notwithstanding, the true and actual value of all property owned, used and occupied by the owner thereof exclusively for residential purposes shall be arrived at by also giving consideration to the fair and reasonable amount of income which the same might be expected to earn, under normal conditions in the locality wherein situated, if rented: Provided, That the true and actual value of all farms used, occupied and cultivated by their owners or bona fide tenants shall be arrived at according to the fair and reasonable value of the property for the purpose for which it is actually used regardless of what the value of the property would be if used for some other purpose; and that the true and actual value shall be arrived at by giving consideration to the fair and reasonable income which the same might be expected to earn under normal conditions in the locality wherein situated, if rented: Provided, however, That nothing herein shall alter the method of assessment of lands or minerals owned by domestic or foreign corporations.

(c) The taxes upon all property shall be paid by those who are the owners thereof on the assessment date whether it be assessed to them or others.

(d) If at any time after the beginning of the assessment year it be ascertained by the Tax Commissioner that the assessor, or any of his or her deputies, is not complying with this provision or that they have failed, neglected or refused, or is failing, neglecting or refusing after five days' notice to list and assess all property therein at sixty percent of its true and actual value as determined under this chapter, the Tax Commissioner shall order and direct a reassessment of any or all of the property in any county, district or municipality where any assessor or deputy fails, neglects or refuses to assess the property in the manner herein provided. And, if the Tax Commissioner has determined that the assessor has not complied or has so failed, neglected or refused to list and assess property as aforesaid for two or more consecutive years, for the purpose of making assessment and correction of values, the Tax Commissioner shall appoint one or more special assessors, unless the Tax Commissioner determines that such appointment should be made earlier, as necessity may require, to make assessment in any county and any such special assessor or assessors, as the case may be, has the power and authority now vested by law in assessors, and the work of such special assessor or assessors shall be accepted and treated for all purposes by the county boards of review and equalization and the levying bodies, subject to any revisions of value on appeal, as the true and lawful assessment of that year as to all property valued by him or her or them. The Tax Commissioner shall fix the compensation of all special assessors appointed,

which, together with their actual expenses, shall be paid out of the county fund by the county commission of the county in which any such assessment is ordered, upon the receipt of a certificate of the Tax Commissioner filed with the clerk of the county commission showing the amounts due and to whom payable, after such expenses have been audited by the county commission. All of this subsection is subject to the following:

(1) Notwithstanding any other provision of this subsection to the contrary, if the Tax Commissioner has determined that the assessor has not complied or has so failed, neglected or refused to list and assess property as aforesaid for two consecutive years, but the assessor can show that the criteria established by rule pursuant to this subsection are met, the Tax Commissioner is not required to appoint one or more special assessors pursuant to this section, and in lieu of appointing one or more special assessors, may again order and direct a reassessment of any or all of the property pursuant to this subsection;

(2) For any third or succeeding consecutive year or years that the Tax Commissioner determines that the assessor has not complied or has so failed, neglected or refused to list and assess property as aforesaid, the Tax Commissioner shall appoint one or more special assessors pursuant to the provisions of this subsection regardless of whether or not the assessor can show that he or she will list and assess property as aforesaid the next year; and

(3) For the purposes of determining consecutive years pursuant to this subsection, only tax years beginning on and after the July 1, 2013, assessment date may be considered a first year.

(4) For purposes of subdivision (1) of this subsection, criteria for determining whether the assessor has made a satisfactory showing that he or she will list and assess property as aforesaid for the year next succeeding the two assessment years specified in subdivision (1) of this subsection, the Tax Commissioner shall apply criteria based on: (A) Sales validity; (B) appraisal uniformity; (C) appraisal evaluation; and (D) such other criteria as the Tax Commissioner may prescribe. The Tax Commissioner shall promulgate a legislative rule to specify criteria for the treatment authorized herein for any such third year or succeeding consecutive year or years, and such administrative and procedural requirements and criteria as the Tax Commissioner may prescribe.

(e) Any assessor who knowingly fails, neglects or refuses to assess all the property of his or her county, as herein provided, shall be guilty of malfeasance in office and, upon conviction thereof, shall be fined not less than \$100 nor more than \$500, or imprisoned not less than three nor more than six months, or both, in the discretion of the court, and upon conviction, shall be removed from office.

(f) For purposes of this chapter and chapter eleven-a of this code, the following terms have the meanings ascribed to them in this section unless the context in which the term is used clearly indicates that a different meaning is intended by the Legislature:

(1) "Assessment date" means July 1 of the year preceding the tax year.

- (2) "Assessment year" means the twelve-month period that begins on the assessment date.
- (3) "Tax year" or "property tax year" means the next calendar year that begins after the assessment date.
- (4) "Taxpayer" means the owner and any other person in whose name the taxes on the subject property are lawfully assessed.

§11-3-1a. Magisterial districts as tax districts; legislative findings; terms defined.

The Legislature recognizes that several counties have redistricted their magisterial districts in order to achieve as nearly as practicable equal numbers of population within each such district; that if the land books and personal property books of any such county must be changed following each such redistricting so as to reflect the newly established districts, very substantial costs to the counties would be occasioned thereby; that if the land books must be changed following each such redistricting so as to reflect the newly established districts, problems would arise in searching and abstracting titles to real property; and that there is no reason to require the land books and personal property books of a county for tax purposes to be on a magisterial district basis as such districts are established for voting purposes. Consequently, the terms "tax district" or "district," or the plural thereof, as used in this chapter, shall mean the magisterial district or districts and the subdivisions thereof as the same existed in any county on January 1, 1969: Provided, That in a county in which the county court has exercised the power formerly granted it under chapter one hundred seventeen, acts of the Legislature, regular session, 1972, by designating that county's magisterial districts as tax districts, the term "tax districts" shall mean the magisterial districts of that county as they existed on July 1, 1973.

§11-3-1b. Recordation of plat or designation of land use not to be basis for assessment; factors for valuation; legislative rule; effective dates.

(a) The recordation of a plan or plat, or the designation of proposed land use by a county or municipal planning authority, shall not be used by the assessor as a basis in the valuation or assessment of real property for the purposes of taxation, except as hereafter provided. The valuation of real property contained in a recorded plan or plat is as follows:

(1) When a lot or parcel within a recorded plan or plat is sold, that lot shall be revalued by the county assessor or Tax Commissioner. In no event may the remaining lots within the recorded plan or plat be automatically revalued solely based upon the sale of other lots within the recorded plan or plat.

(2) When land contained within a recorded plan or plat is first developed and actually used for a commercial, residential or industrial purpose, the land shall be revalued by the county assessor or the Tax Commissioner, depending upon whoever has authority over the land, but in no event may the remaining lots within the recorded plan or plat be automatically revalued solely based upon the sale of other lots within the recorded plan or plat.

(b) For valuation of the remaining lots or parcels or undeveloped portion within the recorded plan or plat, the following factors shall be taken into consideration in determining the valuation: (1) Availability of improved roads; (2) availability of sewage disposal and drinking water supply, including, but not limited to, the use of such factors as availability of public water and sewage systems, private water systems, water wells, private sewage and septic systems or potential private sewage and septic systems; (3) availability of electrical, telephone and other utility services; and (4) percentage of completion of improvements and infrastructure development. The assessor shall annually determine the percentage of completion of improvements and infrastructure development. The Tax Commissioner shall propose a legislative rule for submission to the Legislature pursuant to the provisions of article three, chapter twenty-nine-a of this code, which rule shall describe in detail the methodology and use of the factors set out above, as well as any other factors determined by the Tax Commissioner to be applicable, for valuation of percentage of completion of improvements and infrastructure development. The remaining lots or parcels or undeveloped portion within the recorded plan or plat are not managed timberland for purposes of valuation of management timberland under sections eleven and eleven-a, article one-c of this chapter. For purposes of classification of property for levy purposes under section five, article eight of this chapter, developed lots or parcels shall not be reclassified from Class III to Class II or from Class IV to Class II until the developed lot or parcel is used and occupied by the owner thereof exclusively for residential purposes as defined in section three, article four of this chapter.

(c) The designation of proposed land use by a county or municipal planning authority may not be used or considered by an assessor in determining the appraised value of property included under a designation of proposed land use by a county or municipal planning authority until such time as the actual use of the real property has changed to correspond to

the proposed use. For purposes of this subsection, the actual use of real property shall be treated as having changed to correspond to the proposed use as improvements on the property necessary for the proposed use are completed: Provided, That in valuing the property before its change to actual use, the assessor may consider the factors described in subsection (b) of this section.

(d) The amendments made to this section by the Legislature in 2000 shall become effective on July 1, 2000, and shall be effective as to all plans or plats filed after June 30, 2000. The provisions of the amendments made to this section in 2000 do not apply to unsold lots or parcels or undeveloped land contained within recorded plans or plats which were recorded prior to July 1, 2000: Provided, That in no event may the appraised value of unsold lots or parcels or undeveloped land contained within these recorded plans or plats be less than their appraised value as of July 1, 2000.

§11-3-2. Canvass by assessor; lists of property.

On July 1, in each year, the assessors and their deputies shall begin the work of assessment in their respective counties, and shall, from that date, diligently and continuously pursue with all reasonable dispatch, their work of assessment until the same is completed: Provided, That the assessor and his deputies shall finish their work of assessment, and complete the land and personal property books not later than January 30. Beginning on July 1, as aforesaid, the assessor or a deputy shall obtain from every person in the county who is liable to assessment, a full and correct description of all of the personal property of which he was the owner on July 1, of the current year, fixing what he deems to be the true and actual value of each item of personal property for the guidance of the assessor, who shall finally settle and determine the actual value of each item of such property by the rule prescribed in section one of this article. The assessor or a deputy shall also obtain from such person separate, full and true statements, in like manner, and upon forms to be furnished him distinctly setting forth in each a correct description of all property, real and personal, held, possessed or controlled by him as executor, administrator, guardian, trustee, receiver, agent, partner, attorney, president or accounting officer of a corporation, consignee, broker, or in any representative or fiduciary character; and he shall fix what he deems the true and actual value thereof to each item of such property, which valuation shall be subject to revision and change by the assessor in like manner as property owned by such person in his own right: Provided, That no person shall be compelled to furnish the list mentioned in this section sooner than July 10, of the current year.

The assessor shall perform such other duties while making his assessment as may be required of him by law.

§11-3-2a. Notice of increased assessment required for real property; exceptions to notice.

(a) If the assessor determines the assessed valuation of any item of real property appraised by him or her is more than ten percent greater than the valuation assessed for that item in the last tax year, the increase is \$1,000 or more and the increase is entered in the property books as provided in section nineteen of this article, the assessor shall give notice of the increase to the person assessed or the person controlling the property as provided in section two of this article. The notice shall be given on or before January 15 of the tax year and advise the person assessed or the person controlling the property of his or her right to appear and seek an adjustment in the assessment: Provided, That this notification requirement does not apply to industrial or natural resources property appraised by the Tax Commissioner under article six-k of this chapter which is assessed at sixty percent of its true and actual value. The notice shall be made by first-class United States postage mailed to the address of the person assessed or the person controlling the property for payment of tax on the item in the previous year, unless there was a general increase of the entire valuation in one or more of the tax districts in which case the notice shall be by publication of the notice by a Class II-0 legal advertisement in compliance with the provisions of article three, chapter fifty-nine of this code. The area for the publication is the county. The requirement of notice under this section is satisfied and waived if personal notice of the increase is shown by:

- (1) The taxpayer having signed the assessment form after it had been completed showing the increase;
- (2) Notice was given as provided in section three-a of this article; or
- (3) The person assessed executing acknowledgment of the notice of the increase.

(b) During the initial reappraisal of all property under section seven, article one-c of this chapter, the Tax Commissioner and each county assessor shall send every person owning or controlling property appraised by the Tax Commissioner or the county assessor a pamphlet which explains the reappraisal process and its equalization goal in a detailed yet informal manner. The property valuation training and procedures commission, created under section three, article one-c of this chapter, shall design the pamphlet for use in all counties while allowing individual county information to be included if it determines that the information would improve understanding of the process.

§11-3-3. Who to furnish property list.

The list required in the preceding section shall be made and information furnished: (a) With respect to property of a minor, by his guardian, if he has one, and if he has none, by his father, if living, or, if not, by his mother, if living, and if neither be living or be a resident of this state, by the person having charge of the property; (b) with respect to the separate property of a married woman, by herself or her husband in her name; (c) with respect to the property of a husband, who is out of the state or incapable of listing such property, by his wife; (d) with respect to the property held in trust, by the trustee, if in possession thereof, otherwise by the party for whose benefit it is held; (e) with respect to the personal property of a deceased person, by the personal representative; (f) with respect to the property of an insane person, or a person sentenced to confinement in the penitentiary, by his committee; (g) with respect to the property of a company, whether incorporated or not, whose assets are in the hands of an agent, factor or receiver, by such agent, factor or receiver, otherwise by the president or proper accounting officer, partner or agent within the state; (h) with respect to credits or investments, in the possession or under the charge of a receiver or commissioner, by such receiver or commissioner; and (i) with respect to shares in a banking institution or national banking association, by the cashier, secretary or principal accounting officer of such banking institution or national banking association, as provided in section fourteen of this article.

§11-3-3a. Building or real property improvement notice; notice filed with assessors; when not required; penalties.

Any person, corporation, association or other owner of real property, subject to the payment of property tax, who shall hereafter erect any building or structure, or who shall add to, enlarge, move, alter, convert, extend, raze or demolish any building or structure, whereby the value of the said real property shall be improved more than \$1,000, shall give notice in writing to the assessor within sixty days after the commencement of the improvement of such property. The notice shall be given upon such forms as may be prescribed by the Tax Commissioner who shall furnish the same to assessors. The notice shall contain the following information: (1) A statement that improvements are being or have been made; (2) the location or address of the property; and (3) the name of the owner or owners of the property. The information contained in such notice shall be advisory in nature and may be used by the assessor in performing his duties as otherwise provided by law: Provided, however, That a report made by or on behalf of any mine, mill, factory, or other industrial establishment and filed with the assessor on or before June 15 which discloses with certainty any construction, or improvement made during the previous twelve months, shall be deemed compliance with this section: And provided further, That within the area of any county or municipality where a building permit has been obtained prior to beginning such work, the delivery of a copy of the building permit to the assessor by the owner or the issuing authority shall be sufficient notice under this section. Any person who shall violate the provisions of this section shall be guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than \$10 nor more than \$100 in the discretion of the court. Justices of the peace shall have concurrent jurisdiction with other courts having jurisdiction for the trial of all misdemeanors arising under this section.

WV Legislature

§11-3-5. Correction of previous property books; entry of omitted property.

The assessor, in making out the land and personal property books, shall correct any and every mistake he or she discovers in the books for any previous year.

When the assessor ascertains that any real or personal property in his or her county liable to taxation, other than that mentioned in the next succeeding paragraph, has been omitted from the land or personal property books for a period of less than five years, he or she shall make an entry of the property in the proper book of the year in which the omission was discovered and assess the same, according to the rule prescribed in section one of this article, and shall charge the same with all taxes chargeable against it at the rate of levy for the year or years the same was omitted, together with interest at the rate of six percent per annum for the years the same was omitted from the books: Provided, That if the taxpayer, including any person, firm or corporation, and excluding public service corporations, requires proof of payment of personal property taxes then the taxpayer shall file a listing of all personal property owned on the assessment date preceding the tax year or years for which proof must be shown. The assessor shall then create a supplemental assessment for the year or years required for proof of payment for all personal property taxes provided on the listing and present the supplemental assessment to the sheriff who shall apply the levy rate or rates for the year or years so assessed and prepare a tax bill and collect the taxes together with interest thereon at the rate of six percent per annum for the years the same was omitted from the books and any penalties included thereon: Provided, however, That any person who has been a resident of the state less than one year prior to the assessment date is not required to pay any interest or penalty.

And when the assessor ascertains that any notes, bonds, bills and accounts receivable, stocks and other intangible personal property in his or her county liable to taxation has been omitted from the personal property books for a period of five years or less after December 31, 1932, he or she shall make entry of the property in the personal property book of the year in which the omission was discovered and assess the same at its true and actual value, according to the rule prescribed in section one of this article, and shall charge the same with all taxes chargeable against it after the year last aforesaid at the rate of levy for the year or years the same was omitted after the year aforesaid, together with interest thereon at the rate of six percent per annum for the years the same was omitted from the books.

Any assessor failing to make an entry as in this section provided, when discovered by him or her or called to his or her attention by any taxpayer interested therein, shall forfeit \$100.

§11-3-5a. Notification to assessor of changed use; independent action of director; penalties; effective date.

(a) Whenever property receiving preferential valuation as managed timberland is converted to a use that disqualifies the property from treatment as managed timberland, the person converting the real estate to another use shall immediately, in writing, notify the county assessor of the change in use. The county assessor or Tax Commissioner, as the case may be, shall then determine the value and classification of the property based upon its new use.

(b) If the director of the Division of Forestry has reason to believe that managed timberland was or is being converted to a use that disqualifies the property from treatment as managed timberland, the director shall investigate. If, upon investigation, the director determines that the property no longer qualifies for treatment as managed timberland, the director shall revoke the property's certification as managed timberland. The director shall give written notice to the owner of the property by certified mail, return receipt requested, to the Tax Commissioner and to the assessor of the county in which the property is located that the property no longer qualifies for valuation as managed timberland. If the property is located in two or more counties, notice shall be given to each assessor.

(c) If any person fails to give written notice of the change in use of managed timberland as required in subsection (a) of this section, the person owning the property shall be subject to a penalty in an amount equal to the amount of additional taxes the person would have paid on the property if written notice had been timely given, plus interest calculated at the rate of nine percent per annum: Provided, That the maximum penalty under this section shall be five years of additional taxes plus interest. This penalty may be assessed in the same manner as back taxes are assessed under section five of this article for omitted property and interest shall accrue until the day the penalty is paid.

(d) This section shall apply to tax years beginning on or after January 1, 1999, and to changes in use occurring on or after that day.

§11-3-6. Statements of assessed valuations for municipalities and boards of education; extension of levies.

The assessor shall annually, not later than March 3, furnish to the recorder or clerk of the city or town council of every incorporated city and town in the county and also to the secretary of the board of Education of the county and to the state Board of Education, a certified statement, showing in separate amounts the aggregate value of all property, real and personal, and of all property within each class as provided in section five, article eight of this chapter, and the clerk of the county commission shall, in like fashion, certify the aggregate value of all property assessed by the board of public works, or other board in lieu thereof, in such city or district, as ascertained from the land and personal property books and from the statement furnished by the Auditor to the county clerk of the value of property assessed in such county by the board for the current year.

The statement so furnished shall be taken, by the council of such city or town, as the proper valuation of all property situated therein and liable for taxation for municipal purposes notwithstanding any provisions which may be contained in the charter of any city or town. Upon receiving such statement, the recorder or clerk of the council, shall present the same to the council at a meeting to be held for the purpose of making the estimate and laying the levy as hereinafter required; and, as soon as the rate shall have been determined upon, the recorder, or secretary of the council, shall furnish the officer whose duty it is to make out the land and personal property books a certified copy of the order of such city or town council fixing the rate of tax, and such officer shall thereupon extend the tax against the property situated in such city or town, in the land books and the personal property book of the county, in separate columns in such books, which columns shall be headed with the words: "Town, or city, tax for the town, or city, of _____."

§11-3-7. Fixtures and machinery.

In assessing the value of buildings or structures, the assessor shall ascertain the value of all machinery and fixtures attached thereto, and include the same in the value of the building charged to the owner, unless it appears that such machinery and fixtures are owned by some person other than the owner of the building, in which case the value of such machinery and fixtures shall be assessed to their owner as personal property; and the value of such machinery or fixtures shall be thereafter increased or reduced according as they may have increased or decreased in actual value.

§11-3-7a. Chattel interests in real and tangible personal property.

For ad valorem property tax purposes, chattel interests in real property and chattel interest in tangible personal property are hereby defined to be interests in tangible personal property and are to be assessed and taxed as such. As so defined, chattel interest in real property and chattel interests in tangible personal property are not intangible personal property for ad valorem property tax purposes.

WV Legislature

(a) If any person, firm or corporation, including public service corporations, whose duty it is by law to list any real estate or personal property for taxation, refuses to furnish a proper list thereof or refuses to list within the time required by law, or if any person, firm or corporation, including public service corporations, refuses to answer or answers falsely any question asked by the assessor or by the Tax Commissioner, or fails or refuses to deliver any statement required by law, the person, firm or corporation may forfeit, at the discretion of the assessor or the Tax Commissioner for good cause shown, not less than \$25 nor more than \$100. If any person, firm or corporation willfully fails to furnish a proper list of real estate or personal property for taxation or refuses to answer or falsely answers any question asked by the assessor or by the Tax Commissioner, or fails or refuses to deliver any statement required by law, such person, firm or corporation shall be denied all remedy provided by law for the correction of any assessment made by the assessor or by the board of public works: Provided, That no person, firm or corporation shall be denied the remedy provided by law to contest any assessment unless the assessor or the Tax Commissioner has notified such person, firm or corporation in writing that this penalty will be asserted and the requested information is not provided within fifteen days of the date of receipt of the notice.

(b) If any person, firm or corporation, including public service corporations, required by law to make return of property for taxation, whether the return is to be made to the assessor, the board of Public Works, or any other assessing officer or body, fails to return a true list of all property which should be assessed in this state, the person, firm or corporation, in addition to all other penalties provided by law, shall forfeit one percent of the value of the property not yet returned and not otherwise taxed in this state.

(c) A forfeiture as to all property aforesaid may be enforced for any default occurring in any year not exceeding five years immediately prior to the time the default is discovered.

(d) Each failure to make a true return as herein required constitutes a separate offense, and a forfeiture shall apply to each of them, but all forfeitures, to which the same person, firm or corporation is liable, shall be enforced in one proceeding against the person, firm or corporation, or against the estate of any deceased person, and may not exceed five percent of the value of the property not returned that is required to be returned for taxation by this chapter.

(e) Forfeitures shall be collected as provided in article two, chapter eleven-a of this code, the same as any tax liability, against the defaulting taxpayer, or in case of a decedent, against his or her personal representative. The sheriff shall apportion such fund among the state, county, district, school district and municipalities which would have been entitled to the taxes upon the property if it had been assessed, in proportion to the rates of taxation for each levying unit for the year in which the judgment was obtained bears to the sum of rates for all.

(f) When the list of property returned by the appraisers of the estate of any deceased person

shows an amount greater than the last assessment list of real and tangible personal property of the deceased person next preceding the appraisal of his or her estate, it is prima facie evidence that the deceased person returned an imperfect list of his or her property: Provided, That any person liable for the tax, or his or her personal representative, may always be permitted to prove by competent evidence that the discrepancy between the assessment list and the appraisal of the estate is caused by a difference of valuation returned by the assessor and that made by the appraisers of the same property or by property acquired after assessment, or that any property enumerated in the appraisers' list had been otherwise listed for taxation, or that it was not liable for taxation.

(g) Any judgment recovered under this section is a lien, from the time of the service of the notice, upon all real estate and personal property of the defaulting taxpayer, owned at the time or subsequently acquired, in preference to any other lien.

(b) If the petitioner and the assessor reach an agreement within five business days after the conclusion of the meeting held as provided in §11-3-15g of this code, both parties shall sign the agreement and both parties waive the right to further appeal.

(c) If all or part of the petitioner's request under §11-3-15c, §11-3-15d, or §11-3-15e of this code is denied, the assessor shall mail, on the date of the ruling, to the petitioner at the address shown on the petition notice of the grounds of the refusal to make the change or changes requested in the petition. (a) *General.* — Anytime after real or tangible personal property is returned for taxation, the taxpayer may apply to the assessor of the county in which the property was situated on the assessment date for information about the classification, taxability, or valuation of the property for property tax purposes for the tax year following the July 1 assessment date. A taxpayer who is not satisfied with the response of the assessor and wants to further pursue the matter shall follow the procedures set forth in this section.

The board or the Office of Tax Appeals shall then set a date and time to hear the taxpayer's protest.. The taxpayer shall timely pay first and second half installment payments of taxes levied for the current tax year on or before they become due and that any reduction in assessed value that is administratively or judicially determined in a decision that becomes final will result in a credit being established against taxes that become due for a tax year subsequent to the tax year in which the decision becomes final, except as otherwise stated in the decision or as otherwise provided in this article. In the event the Board of Equalization and Review adjourns sine die before February 20 of the tax year, a taxpayer may file its written protest and the acknowledgment described in this subdivision with the Office of Tax Appeals. The taxpayer shall timely pay first and second half installment payments of taxes levied for the current tax year on or before they become due and that any reduction in assessed value that is administratively or judicially determined in a decision that becomes final will result in a credit being established against taxes that become due for a tax year subsequent to the tax year in which the decision becomes final, except as otherwise stated in the decision or as otherwise provided in this article. In the event the Board of Equalization and Review adjourns sine die before February 20 of the tax year, a taxpayer may file its written protest and the acknowledgment described in this subdivision with the Office of Tax Appeals. If a taxpayer fails to provide its written protest on or before February 20, and the Board of Equalization and Review unilaterally increases the assessed value subsequent to that date, the taxpayer may file a written protest and the acknowledgment described in this subdivision with the Office of Tax Appeals.

The board may adjourn sine die anytime after February 15 of the tax year and shall adjourn sine die not later than the last day of February of the tax year.

(b) At the first meeting of the board, the assessor shall submit the property books for the current year, which shall be complete, except that the levies shall not be extended. (c) The board shall proceed to examine and review the property books, and shall add on the books the names of persons, the value of personal property and the description and value of real estate liable to assessment which was omitted by the assessor. The board shall correct all errors in the names of persons, in the description and valuation of property, and shall cause to be done whatever else is necessary to make the assessed valuations comply with the provisions of this chapter. But in no case shall any question of classification or taxability be considered or reviewed by the board.

(d) If the board determines that any property or interest is assessed at more or less than 60 percent of its true and actual value as determined under this chapter, it shall fix it at 60 percent of its true and actual value: *Provided*, That no assessment shall be increased without giving the taxpayer at least five days' notice, in writing, of the intention to make the increase and no assessment shall be greater than 60 percent of the true and actual value of the property.

(e) Service of notice of the increase upon the taxpayer shall be sufficient, or upon his or her agent or attorney, if served in person, or if sent by registered or certified mail to the property owner, his or her agent, or attorney, at the last known mailing address of the person as shown in the records of the assessor or the tax records of the county sheriff. The date of the last publication shall be at least five days, not including a Saturday, Sunday or legal holiday in this state, prior to the meeting at which the increase in valuation is acted on by the board. When an increase is made, the same valuation shall not again be changed unless notice is again given as provided.

The clerk of the county commission shall publish notice of the time, place, and general purpose of the meeting as a Class II legal advertisement in compliance with the provisions of §59-3-1, *et seq.* of this code and the publication area shall be the county. The expense of publication shall be paid out of the county treasury.

(f) Any person who receives notice as provided in subsection (e) of this section may appear before the board at the time and place specified in the notice to object to the proposed increase in the valuation of taxpayer's property. After hearing the board's reason or reasons for the proposed increase, the taxpayer may present his or her objection or objections to the increase and the reason or reasons for the objections.

(g) The board may approve an agreement signed by the taxpayer or taxpayer's representative and the assessor, and by a representative of the Tax Commissioner when the property is industrial property or natural resources property, that resolves a valuation matter while the land and personal property books are before the Board for Equalization and Review.

(h) If any person fails to apply for relief at this meeting, he or she shall have waived the right to ask for correction in the assessment list for the current year, and shall not thereafter be permitted to question the correctness of the list as finally fixed by the board, except on appeal to the Office of Tax Appeals, or as otherwise provided in this article.

(i) After the board completes the review and equalization of the property books, a majority of the board shall sign a statement that it is the completed assessment of the county for the tax year. Then the property books shall be delivered to the assessor and the levies extended as provided by law.

(j) A taxpayer who elects to have a hearing before the Board of Equalization and Review may appeal the board's order to the Office of Tax Appeals.

(k) The standard of proof which a taxpayer must meet at all levels of review and appeal under this section shall be a preponderance of the evidence standard.

§11-3-24a. Protest of classification or taxability to assessor; appeal to Tax Commissioner, appeal to Office of Tax Appeals.

(a) At any time after property is returned for taxation, and up to and including the time the property books are before the county commission sitting as a board of equalization and review, any taxpayer may apply to the assessor for information regarding the classification and taxability of the taxpayer's property. In case the taxpayer is dissatisfied with the classification of property assessed to the taxpayer or believes that the property is exempt or otherwise not subject to taxation, the taxpayer shall file objections in writing with the assessor. The assessor shall decide the question by either sustaining the protest and making proper corrections, or by stating, in writing if requested, the reasons for refusal to grant the protest.

(b) The assessor may, and if the taxpayer requests, the assessor shall, certify the question to the State Tax Commissioner in a statement sworn to by both parties, or if the parties are unable to agree, in separate sworn statements, giving a full description of the property and any other information which the Tax Commissioner requires. The Tax Commissioner shall prescribe forms on which the question shall be certified and the Tax Commissioner may pursue any inquiry and procure any information necessary for the disposition of the issue.

(c) The Tax Commissioner shall, as soon as possible on receipt of the question, but in no case later than February 28 of the assessment year, instruct the assessor as to how the property shall be treated. The instructions issued and forwarded by mail to the assessor shall be binding upon the assessor, but either the assessor or the taxpayer may apply to the Office of Tax Appeals within 30 days after receiving written notice of the Tax Commissioner's ruling for review of the question of classification or taxability.

(d) The amendments to this section enacted in the year 2010 apply to classification and taxability rulings issued for taxes levied after December 31, 2011.

(e) The standard of proof which a taxpayer must meet at all levels of review and appeal under this section shall be a preponderance of the evidence standard.

§11-3-25a. Payment of taxes that become due while appeal is pending.

(a) All taxes levied and assessed against the property for the year on which a protest or an appeal has been filed by the taxpayer as provided in §11-3-24 or §11-3-24a of this code shall be paid before they become delinquent. If the taxes are not paid before becoming delinquent, the governing body having jurisdiction of the appeal, as appropriate, shall dismiss the appeal unless the delinquent taxes and interest due are paid in full within 30 days after taxes for the second half of the tax year become delinquent.

(b) In the event the order of a court or other governing body becomes final and the order results in an overpayment of taxes levied for the tax year that have been paid to the sheriff, the amount of the overpayment shall be refunded to the taxpayer if the overpayment is \$25,000 or less within 30 days after the time for appealing the decision or order expires or, if the decision or order is appealed, within 30 days of the date the appeals court or other governing body turns down the appeal. If the overpayment is more than \$25,000, a credit in the amount of the overpayment shall be established by the county sheriff and allowed as a credit against taxes owed up to the following two tax years: *Provided*, That the county commission may elect to refund the amount of overpayment rather than having a credit established as provided in this section: *Provided*, however, if any portion of the overpayment remains unused after the date on which taxes payable for the second half of the second tax year following the tax year of the overpayment become delinquent, that portion shall be refunded to the taxpayer by the county sheriff no later than 30 days after that date, or 30 days from the date that the order becomes final, whichever date occurs later. Whenever an overpayment is refunded or credited under this section, the county shall pay interest at the rate established in §11-10-17 and §11-10-17a of this code for overpayments of taxes collected by the Tax Commissioner, which interest shall be computed from the date the overpayment was received by the sheriff to the date of the refund check or the date the credit is actually taken against taxes that become due after the order of the court becomes final.

§11-3-25b. Appeal to Office of Tax Appeals.

(a) In all cases involving appeal to the Office of Tax Appeals from a property tax valuation pursuant to §11-3-15i or §11-3-23a of this code, or from an order of a County Commission sitting as a Board of Equalization and Review pursuant to §11-3-24 of this code, the appeal petition must be filed with the Office of Tax Appeals by March 31 of the property tax year as defined in §11-3-1 of this code to be considered timely filed. If a petition of appeal is not filed with the Office of Tax Appeals by March 31 of the property tax year, then it shall be dismissed as untimely.

(b) In all cases involving appeal to the Office of Tax Appeals from a property tax ruling on taxability or classification by the Tax Commissioner pursuant to §11-3-24a of this code, the appeal petition must be filed within 30 days after receiving written notice of the Tax Commissioner's ruling. If a petition of appeal is not timely filed with the Office of Tax Appeals, then it shall be dismissed.

(c) In all cases involving property tax matters brought before the Office of Tax Appeals pursuant to subsections (a) and (b) of this section, the hearing before the Office of Tax Appeals shall be de novo as provided in §11-10A-10 of this code. Notwithstanding the provisions of §11-10A-10 of this code, a property tax appeal to the Office of Tax Appeals involving valuation, classification, or taxability may be set for hearing within 90 days of the due date of the answer unless continued by order of the Office of Tax Appeals for good cause.

(d) The provisions of this section shall be effective for all property tax appeals to the Office of Tax Appeals made on or after January 1, 2023.

(e) Notwithstanding any provisions of this article to the contrary, failure to file a petition in writing, register a complaint, or request an informal review, as provided in §11-3-15c, §11-3-15d, §11-3-23a, §11-3-24, or §11-3-24a shall not bar the Office of Tax Appeals' jurisdiction to hear any such property tax appeal. This provision is to clarify that the Office of Tax Appeals will have original property tax jurisdiction to hear such appeals.

§11-3-26. Contents and effect of order granting relief.

Whenever the circuit court, on appeal, shall grant relief to any such applicant against the taxes, or any part of them, assessed against him either on the land or the personal property books, an order shall be made by such court exonerating such applicant from the payment of so much of such taxes as are erroneously charged against him if the same have not been paid; and if paid, that the sum so erroneously charged be refunded to him. Such order, delivered to the assessor, sheriff or other collecting officer shall restrain him from collecting so much as is erroneously charged, and, if the same has been already collected, shall compel him to refund the money, if such officer has not already paid it into the treasury, and in either case, when indorsed by the person exonerated, it shall be a sufficient voucher to entitle the officer to a credit for so much in his settlement, which he is required to make. If what was erroneously charged has been paid into the state Treasury, the order of the circuit court, attested by its clerk, shall entitle the claimant to a warrant on the state Treasury for the amount thereof, if application for the same be made to the Auditor within one year after the date of such order.

§11-3-27. Relief in county commission from erroneous assessments.

(a) Any taxpayer, or the prosecuting attorney or Tax Commissioner, upon behalf of the state, county and districts, claiming to be aggrieved by any entry in the property books of the county, including entries with respect to classification and taxability of property, resulting from a clerical error or a mistake occasioned by an unintentional or inadvertent act as distinguished from a mistake growing out of negligence or the exercise of poor judgment, may, within one year from the time the property books are delivered to the sheriff or within one year from the time such clerical error or mistake is discovered or reasonably could have been discovered, apply for relief to the county commission of the county in which such books are made out: Provided, That upon the discovery of any such clerical error or mistake by the sheriff or assessor, or either officer having knowledge thereof, the sheriff or assessor shall initiate an application for relief from the erroneous assessment on behalf of the taxpayer or cause notice to be sent to any taxpayer affected by the clerical error or mistake by first-class United States mail advising the taxpayer of the right to make application for relief from the erroneous assessment. Before the application is heard, the taxpayer shall give notice to the prosecuting attorney of the county, or the state shall give notice to the taxpayer, as the case may be. The application, whether by the taxpayer or the state, shall have precedence over all other business before the court; but any order or judgment shall show that either the prosecuting attorney or Tax Commissioner was present defending the interests of the state, county and districts: Provided, however, That the provisions of this section shall not be construed as giving county commissions jurisdiction to consider any question involving the classification or taxability of property which has been the subject matter of an appeal under the provisions of section twenty-four-a of this article; and any other such clerical error or mistake involving the classification or taxability of property, may be corrected by the county commission under the provisions of this section only when approved, in writing, by the county assessor.

(b) In the event it is ascertained that the taxpayer is entitled to relief, any excess taxes already paid shall be refunded and, if charged but not paid, the applicant shall be released from the payment of such excess: Provided, That in the event a mistake or error is discovered more than one year after the property books for the year or years in question are delivered to the sheriff, any relief granted to the taxpayer shall be in the form of a credit against taxes owing for up to the following two years: Provided, however, That if there are insufficient future taxes to credit or if the sheriff or county commission determines that a refund is appropriate, then the sheriff or county commission shall refund the uncredited balance to the taxpayer.

(c) Whenever any correction is made by the county commission, the clerk shall certify copies of the order to the Auditor, sheriff and assessor, and in the case of real estate, the assessor shall thereupon make a correction in accordance with the order in his or her landbook for the next year. Any such order delivered to the sheriff or other collecting officer shall restrain him or her from collecting so much as is erroneously charged against the taxpayer, and, if already collected, shall compel him or her to refund the money if such officer has not already paid it into the treasury. In either case, when endorsed by the person exonerated, it shall be

sufficient voucher to entitle the officer to a credit for so much in his or her settlement which he or she is required to make. If the applicant is the state, the order certified to the sheriff shall show the correct amount of taxes due the state, county and districts and shall be sufficient to authorize collection in the same manner as for other state, county and district taxes.
