An additional appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources, and newly acquired personal property shall not be an annual appraisal or general valuation within the meaning of this section, nor shall the assessed value of such improvements be included in calculating the new tax levy for purposes of this section.

(b) Any local levying body projected to realize such increase greater than four percent shall conduct a public hearing no later than March 20 in the years 1994 and 1995, which hearing may be held at the same time and place as the annual budget hearing. The publication area is the county.
