(a) This section may be cited as the West Virginia Grant Transparency and Accountability Act. The West Virginia Grant Transparency and Accountability Act is intended to develop a coordinated, nonredundant process for the effective oversight and monitoring of state grant recipients, thereby ensuring quality programs and limiting fraud, waste, and abuse.

(b) For the purposes of this section:

(1) "Grantor" means a state spending unit awarding a state grant.

(2) "Grantee" means any entity receiving a state grant, including a state spending unit, local government, corporation, partnership, association, individual, or other legal entity.

(3) "Subgrantee" means an entity, including a state spending unit, local government, corporation, partnership, association, individual, or other legal entity, that receives grant money from a grantee that was awarded a state grant.

(4) "Report" means an engagement, such as an agreed-upon procedures engagement or other attestation engagement, performed and prepared by a certified public accountant to test whether state grants were spent as intended. The term "report" does not mean a full-scope audit or review of the entity receiving the state grant.

(5) "State grant" means funding provided by a grantor, regardless of the original source of the funds, to a grantee upon application for a specific purpose. The term "state grant" does not include: (A) Payments for goods and services purchased by a state spending unit; (B) compensation to state employees and public officials; (C) reimbursements to state employees and public officials for travel or incidental expenses; (D) grants of student aid; (E) government transfer payments; (F) direct benefits provided under state insurance and welfare programs; (G) funds reimbursed to a person for expenditures made for qualified purposes when receipts for the expenditures are required prior to receiving the funds; (H) retirement benefits; (I) federal pass-through funds that are subject to the federal Single Audit Act Amendments of 1996, 31 U.S.C. § 7501 *et seq.*, and the funds required to match the federal funds; (J) distributions to volunteer and part-volunteer fire departments and fire companies made pursuant to §33-3-14d, §33-3-33, §33-12C-7 of this code; (K) money received from the Fire Service Equipment and Training Fund as provided in §29-3-5f of this code; and (L) grants made by the West Virginia Water Development Authority.

the names of individuals and entities that are ineligible, either temporarily or permanently, from receiving an award of state grant funds.

(7) "State Auditor" means the State Auditor of West Virginia, by himself or herself, or by any person appointed, designated, or approved by the State Auditor to perform the service.

(8) "Stop payment order" means a communication from the grantor to the State Auditor and the State Treasurer, following procedures established by the State Auditor, causing the cessation of payments to a grantee or subgrantee as a result of the grantee or subgrantee's failure to comply with one or more terms of the state grant or subgrant, violations of law, or the initiation of an audit or investigation.

(9) "Stop payment procedure" means the procedure created by the State Auditor which effects a stop payment order or the lifting of a stop payment order.

(c)(1) Any grantee who receives one or more state grants in the amount of \$50,000 or more in the aggregate in a state's fiscal year shall file with the grantor and the State Auditor a report of the disbursement of the state grant funds. When the grantor causes an audit, by an independent certified public accountant, to be conducted of the state grant funds, the audit is performed using generally accepted government auditing standards, and a copy of the audit is available for public inspection, no report is required to be filed under this section. An audit performed that complies with Office of Management and Budget circular A-133, and submitted within the period provided in this section, may be substituted for the report.

(2) Any grantee who receives a state grant in an amount less than \$50,000, or who is not required to file a report because an audit has been conducted or substituted as provided by subdivision (1) of this subsection, shall file with the grantor and State Auditor a sworn statement of expenditures made under the state grant.

(3) Subgrant of state grant funds - If any grantee obtains state grant funds and grants any part, or all of those funds, to a subgrantee for a specific purpose or purposes, the granted funds shall be treated as a state grant.

(4) Reports and sworn statements of expenditures required by this section shall be filed within two years of the end of the grantee's fiscal year in which the disbursement of state grant funds by the grantor was made. The report shall be made by an independent certified public accountant at the cost of the grantee. State grant funds may be used to pay for the report if the applicable grant provisions allow. The scope of the report is limited to showing that the state grant funds were spent for the purposes intended when the state grant was made.

(5) In the event the State Auditor determines that applicable reporting or record-keeping provisions for state grants are delinquent or not in compliance with this code, the State Auditor shall notify the State Treasurer and no further state grant funds appropriated to the grantor under the specific state grant shall be encumbered or expended until such time as

the State Auditor determines that all applicable reporting or record-keeping provisions are brought into compliance: *Provided*, That such suspension of funding does not violate federal law or regulations, or unreasonably prevent or detrimentally impact, the ability of the agency grantor to receive federal support or funding.

(6) Each grantor shall designate a Chief Accountability Officer, to the extent possible from within its existing staff, who shall serve as a liaison to the State Auditor, and shall be responsible for the grantor's implementation of, and compliance with, the law, rules, and terms of state grants. Such position may be held concurrently with any other designated position.

(d)(1) Grantors or the State Auditor shall issue stop payment orders for failure to file required reports. Any grantee failing to file a required report or sworn statement of expenditures within the two-year period as provided in this section for state grant funds, is barred from subsequently receiving state grants until the grantee has filed the report or sworn statement of expenditures and is otherwise in compliance with the provisions of this section.

(2) Any grantor shall report any grantee failing to file a required report or sworn statement of expenditures within the required period provided in this section to the State Auditor for purposes of debarment from receiving state grants.

(3) The State Auditor shall maintain a searchable and publicly accessible database listing all awarded state grants. All grantors shall provide a list of grantees and subgrantees to the State Auditor and all other information regarding state grant funds and grantees as required by law or rule.

(e)(1) The grantor administering the state grant shall notify the grantee of the reporting requirements set forth in this section.

(B) Confirmation from the State Auditor by the grantor that the grantee has not been identified as one who has failed to file a report or sworn statement of expenditures under this section. Confirmation may be accomplished by accessing the computerized database provided for in this section.

(3) If any report or sworn statement of expenditures submitted pursuant to the requirements of this section provides evidence of a reportable condition or violation, the grantor shall

provide a copy of the report or sworn statement of expenditures to the State Auditor within 30 days of receipt by the grantor.

(4) The grantor and State Auditor shall maintain copies of reports and sworn statements of expenditures required by this section and make the reports or sworn statements of expenditures available for public inspection, as well as for use in audits and performance reviews of the grantor.

This notice shall identify the funds and the amount to be recovered and the specific facts which permit recovery.

(B) A grantee shall have 35 days from the receipt of the notice required in paragraph (A) of this subdivision to return the state grant funds or request a hearing in writing to show why recovery is not justified or proper.

(i) The hearing shall be conducted under §29A-5-1 *et seq.* of this code, and be presided over by the grantor director or their designee;
