WEST VIRGINIA CODE: §12-4-14b

§12-4-14b. Accountability of volunteer and part-volunteer fire companies or departments receiving state funds for equipment and training; review or audit of expenditures; withholding of state funds for delinquency or misuse; notifications.

(a) *Definitions.* — For the purposes of this section:

"Equipment and training grant" means a grant of money to a volunteer fire company or a part-volunteer fire department from the Fire Service Equipment and Training Fund created in §29-3-5f of this code:

"Formula distribution" means a distribution of money to volunteer and part-volunteer fire companies or departments made pursuant to §33-3-14d, §33-3-33, and §33-12C-7 of this code; and

"State funds accounts" means every bank account and investment account established by a volunteer or part-volunteer fire company or department into which the volunteer or part-volunteer fire company or department has deposited or invested money from formula distributions and equipment and training grants.

- (b) Filing required documentation. Every volunteer and part-volunteer fire company or department seeking to receive formula distributions or an equipment and training grant shall file copies of bank statements and check images from the company's or department's state funds accounts for the previous calendar year with the Legislative Auditor on or before February 1 of each year.
- (c) Reviews and audits. The Legislative Auditor is authorized to conduct regular reviews or audits of deposits and expenditures from formula distribution and equipment and training grant funds by volunteer and part-volunteer fire companies or departments. The Legislative Auditor may assign an employee or employees to perform audits or reviews at his or her direction. The State Treasurer shall provide the Legislative Auditor information, in the manner designated by the Legislative Auditor, concerning formula distributions and equipment and training grants paid to volunteer or part-volunteer fire companies and departments. The volunteer or part-volunteer fire company or department shall cooperate with the Legislative Auditor, the Legislative Auditor's employees, and the State Auditor in performing their duties under the laws of this state.
- (d) *State Auditor.* Whenever the State Auditor performs an audit of a volunteer or part-volunteer fire company or department for any purpose, the Auditor shall also conduct an audit of other state funds received by the company or department pursuant to §33-3-14d, §33-3-33, and §33-12C-7 of this code. The Auditor shall send a copy of the audit to the Legislative Auditor. The Legislative Auditor may accept an audit performed by the Auditor in lieu of performing an audit under this section.

- (e) Withholding of funds. —The Treasurer is authorized to withhold payment of a formula distribution or an equipment and training grant from a volunteer or part-volunteer fire company or department, when properly notified by the Legislative Auditor pursuant to this section, of any of the following conditions:
- (1) Failure to file, in a timely manner, copies of bank statements and check images with the Legislative Auditor;
- (2) Failure to cooperate with a review or audit conducted by the Legislative Auditor;
- (3) Misapplication of state funds; or
- (4) Failure to file a report or a sworn statement of expenditures as required by §12-4-14 of this code for a state grant other than an equipment and training grant.
- (f) Delinquency in filing. If, after February 1, a volunteer or part-volunteer fire company or department has failed to file the required bank statements and check images with the Legislative Auditor, the Legislative Auditor shall notify the delinquent company or department at two separate times in writing of the delinquency and of possible forfeiture of its Fire Service Equipment and Training Fund distribution for the year. If the required bank statements and check images are not filed with the Legislative Auditor by March 31, unless the time period is extended by the Legislative Auditor, the Legislative Auditor shall then notify the Treasurer who shall withhold payment of any amount that would otherwise be distributed to the company or department. Prior to each subsequent quarterly disbursement of funds by the Treasurer, the Legislative Auditor shall notify each delinquent company or department twice per each quarter in which the company or department is delinquent. The Legislative Auditor may choose the method or methods of notification most likely to be received by the delinquent company or department.
- (g) *Noncooperation*. If, in the course of an audit or review by the Legislative Auditor, a volunteer or part-volunteer fire company or department fails to provide documentation of its accounts and expenditures in response to a request of the Legislative Auditor, the Legislative Auditor shall notify the State Treasurer who shall withhold payment of any amount that would otherwise be distributed to the company or department under the provisions of §33-3-14d, §33-3-33, and §33-12C-7 of this code until the Legislative Auditor informs the State Treasurer that the company or department has cooperated with the review or audit.
- (h) Reporting of other grants. Nothing in this section alters the duties and responsibilities of a volunteer or part-volunteer fire company or department imposed under §12-4-14 of this code if that company or department has received funds from any state grant program other than from the Fire Service Equipment and Training Fund. If the Legislative Auditor is notified by a grantor that a volunteer or part-volunteer fire company or department has failed to file a report or a sworn statement of expenditures for a state grant it received, the Legislative Auditor shall notify the State Treasurer who shall withhold further distributions

to the company or department in the manner provided in this section.

- (i) Escrow and forfeiture of moneys withheld. The Volunteer Fire Department Audit Account previously created in the Treasury is hereby continued. When the State Treasurer receives notice to withhold the distribution of money to a volunteer or part-volunteer fire company or department pursuant to this section, the Treasurer shall instead deposit the amounts withheld into the Volunteer Fire Department Audit Account. If the Treasurer receives notice that the volunteer or part-volunteer fire company or department has come into compliance in less than one year from the date of deposit into this special revenue account, then the Treasurer shall release and distribute the withheld amounts to the company or department, except that any interest that has accrued thereon shall be credited to the general revenue of the state. If, after one year from payment of the amount withheld into the special revenue account, the Legislative Auditor informs the State Treasurer of continued noncooperation by the company or department, the delinquent company or department forfeits the amounts withheld and the State Treasurer shall pay the amounts withheld into Fire Service Equipment and Training Fund created in §29-3-5f of this code.
- (j) Misuse of state money. If the Legislative Auditor determines that a volunteer or partvolunteer fire company or department has used formula distribution money for purposes not authorized by §8-15-8b of this code or has used equipment and training grant money for purposes not authorized by the grant program, the Legislative Auditor shall give a written notice of noncompliance to the company or department. If a volunteer or part-volunteer fire company or department disagrees or disputes the finding, the company or department may contest the finding by submitting a written objection to the Legislative Auditor within five working days of receipt of the Legislative Auditor's finding. The department or company shall then have 60 days from the date of the Legislative Auditor's finding to provide documentation to substantiate that the expenditures were made for authorized purposes. If the volunteer or part-volunteer fire company or department does not dispute the findings of the Legislative Auditor or if the company or department is not able to substantiate an authorized purpose for the expenditure, the Legislative Auditor shall notify the Treasurer of the amount of misapplied money and the Treasurer shall deduct that amount from future distributions to that company or department until the full amount of unauthorized expenditure is offset.
