

WEST VIRGINIA CODE: §13-3-5A

§13-3-5a. Costs and expenses; fees for services.

The commission shall set a schedule of fees to be charged for the commission's services, sufficient to meet all expenses of the commission. These fees shall be assessed on the basis of debt service paid by the commission for each issuer and shall not exceed one half of one percent of the debt service paid, but in no case shall the fee exceed \$2,000 per issue or series per annum. The commission may assess additional fees, sufficient to recover the expenses of special projects undertaken to benefit the users of the commission's services, against specific issuers who are the beneficiaries of such projects.

All sums collected by the commission for its services shall be deposited in a separate account at the State Treasury to the credit of the Municipal Bond Commission, and no expenditures for purposes of this article are authorized from collections except in accordance with appropriations by the Legislature and in accordance with the provisions of article three, chapter twelve of this code and upon fulfillment of the provisions set forth in article two, chapter five-a of this code. Any amounts collected which are found from time to time to exceed the funds needed for purposes set forth in this article may be transferred to other accounts or funds and redesignated for other purposes as appropriated by the Legislature. No expenses incurred under this article shall be a charge against the General Funds of this state.
