WEST VIRGINIA CODE: §14-2-28

§14-2-28. Award as condition precedent to appropriation.

(a) It is the policy of the Legislature to make no appropriation to pay any claims against the state, cognizable by the commission, unless the claim has first been passed upon by the commission.

(b) Because a decision of the commission is a recommendation to the Legislature based upon a finding of moral obligation, and the enactment process of passage of legislation authorizing payments of claims recommended by the commission is at legislative discretion, no right of appeal exists to findings and award recommendations of the West Virginia Legislative Claims Commission and they are not subject to judicial review.
