WEST VIRGINIA CODE: §15-5-20A

§15-5-20a. Floodplain manager training.

(a) Community participation in the National Flood Insurance Program is important to manage and mitigate the special flood hazard areas in West Virginia. Therefore, all state, county, municipality and local floodplain managers should be adequately trained in floodplain management.

(b) Commencing July 1, 2012, each floodplain manager in the state is required to complete six hours of training in floodplain management annually to maintain good standing with the West Virginia Division of Emergency Management.

(c) A governmental unit that has a floodplain manager who fails to obtain the required training shall suspend the floodplain manager from his or her floodplain management responsibilities until the training requirement is met.
