The superintendent shall deposit the moneys in one or more responsible banks in accounts to be designated "Trustee Fund".

(b) For all felony sentenced inmates, except those serving life without mercy and those the superintendent determines are likely to serve the remainder of their natural lives in the custody of the division due to their age and the length of their sentences, the superintendent shall keep in an account at least 10 percent of all money earned during the inmate's or resident's incarceration and pay the money to the inmate or resident at the time of the inmate's or resident's release. The superintendent may authorize the inmate to withdraw money from his or her mandatory savings for the purpose of preparing the inmate for reentry into society.

(e) The superintendent of any facility, on request of an inmate or resident, may expend up to one half of the money earned by the inmate or resident on behalf of the family of the inmate or resident if the 10 percent mandatory savings has first been set aside and other fees or court ordered obligations owed by the inmate or resident have been paid. The remainder of the money earned, after deducting amounts expended as authorized, shall be accumulated to the credit of the inmate or resident and be paid to the inmate or resident at times as may be prescribed by rules. The funds so accumulated on behalf of inmates or residents shall be held by the superintendent of each institution under a bond approved by the Attorney General.

(f) The superintendent shall deliver to the inmate or resident at the time he or she leaves the institution, or as soon as practicable after departure, all personal property, moneys, and earnings then credited to the inmate or resident, or in case of the death of the inmate or resident before authorized release from the institution, the superintendent shall deliver the property to the inmate's or resident's personal representative. (h) The provisions of this section apply to both juveniles and adults within the custody of the commissioner.

**§15A-4-10. Inmate or resident benefit funds.**

(b) There is continued a special revenue account in the State Treasury for each inmate, or resident, benefit fund established by the commissioner. If an account does not currently exist for an institution, the commissioner may establish the account for that institution. Moneys received by an institution for deposit in an inmate, or resident, benefit fund shall be deposited with the State Treasurer to be credited to the special revenue account created for the institution's inmate, or resident, benefit fund: Provided, That commissions on any contract providing services to jail inmates shall not be deposited into this account. Moneys in a special revenue account established for an inmate benefit fund may be expended by the institution for the purposes set forth in this section. Moneys to be deposited into an inmate, or resident, benefit fund consist of, but are not limited to:

**§15A-4-11. Financial responsibility program for inmates.**

(a) The Legislature finds that:

(1) There is an urgent need for vigorous enforcement of child support, restitution, and other court-ordered obligations;

(2) The duty of inmates to provide for the needs of dependent children, including their necessary food, clothing, shelter, education, and health care should not be avoided because of where the inmate resides;

(3) A person owing a duty of child support who chooses to engage in behaviors that result in the person becoming incarcerated should not be able to avoid child support obligations; and

(4) Each sentenced inmate should be encouraged to meet his or her legitimate court-ordered financial obligations.

(b) As part of the initial classification process into a correctional facility, the division shall assist each inmate in developing a financial plan for meeting the inmate's child support obligations, if any exist. At subsequent program reviews, the division shall consider the inmate's efforts to fulfill those obligations as indicative of that individual's acceptance and demonstrated level of responsibility.

(c)(1) The superintendent shall deduct from the earnings of each inmate all legitimate court-ordered financial obligations. The superintendent shall also deduct child support payments from the earnings of each inmate who has a court-ordered financial obligation. The commissioner shall develop a policy that outlines the formula for the distribution of the offender's income and the formula shall include a percentage deduction, not to exceed 50 percent in the aggregate, for any court-ordered victim restitution, court fees, and child support obligations owed under a support order, including an administrative fee, consistent with the provisions of §48-14-406(c) of this code, to support the division's administration of this financial service;

(2) If the inmate worker's income is subject to garnishment for child support enforcement deductions, it shall be calculated on the net wages after taxes, legal financial obligations, and garnishment;

(3) The division shall develop the necessary administrative structure to record inmates' wages and keep records of the amount inmates pay for child support; and

(4) Nothing in this section limits the authority of the Bureau for Child Support Enforcement from taking collection action against an inmate's moneys, assets, or property.

(d) If an inmate is awarded a civil judgment, or settles a civil matter, which awards him or her monetary damages, the court in which those damages are awarded or settled shall enter an order which deducts attorney fees and litigation costs owed the inmate's legal counsel

and deducts all known outstanding child support, restitution, spousal support, and court costs from the award to the inmate, and satisfies those obligations, prior to releasing any funds to the inmate.

(e) Notwithstanding the failure of a court to act in accordance with subsection (d) of this section, the division may honor any outstanding court-ordered obligations of which it is aware, to satisfy all known orders of child support, restitution, spousal support, or court costs and shall deduct from any civil judgment or civil settlement such amounts necessary to pay such obligations of the inmate, if any, arising from orders of child support, restitution, spousal support, or court costs prior to depositing funds from such civil judgment or civil settlement in the inmate's account. The provisions of this subsection shall apply to civil actions filed after July 1, 2019.

(f) The accumulation of the total funds, not necessary for current distribution, shall be invested, with the approval of the commissioner or as appropriate, through the West Virginia Municipal Bond Commission, in short-term bonds or treasury certificates or equivalent of the United States. Bonds and certificates so purchased shall remain in the custody of the State Treasurer. The earnings from investments so made shall be reported to the principal officer of each institution, from time to time, as earned, and shall be credited to the respective accounts of the institutions by the West Virginia Municipal Bond Commission. When the earnings are transferred to the respective institutions, they shall be credited by the superintendent to the credit of, and for the benefit of, the inmate, or resident, benefit fund.

**§15A-4-12. Limitation on reimbursement rate to medical service providers for services outside division facilities.**

The division, or its contracted medical providers, may not pay an amount to an outside provider of a medical service for an adult inmate residing in a jail or correctional facility greater than the reimbursement rate applicable to service providers established in the Medicaid plan by the Bureau for Medical Services: *Provided*, That critical access hospitals shall be reimbursed at 75 percent of the billed charges. These limitations apply to all medical care services, goods, prescription drugs, and medications provided to a person who is in the custody of a correctional facility and is provided these services outside of a correctional facility: *Provided, however*, That the Department of Military Affairs and Public Safety and the Department of Human Services effectuate an interagency agreement for the electronic processing and payment of medical services.

**§15A-4-13. Charges assessed against inmates for services provided by state.**

(a) The commissioner is authorized to assess inmates serving a sentence in any state jail, penal, or correctional facility reasonable charges for health care and treatment services provided to them by the state. The charges assessed against an inmate may be deducted directly from the inmate's trustee account without the inmate's consent. The inmate shall be notified of the amount deducted and the charges to which it has been applied.

(b) As used in this section, a "reasonable charge" may not exceed the sum of \$25 for any billable service. Inmates shall be notified of the fee schedule, billable services, and exempt services. Services initiated by the inmate shall be assessed a fee, except that no charge may be assessed for: (1) a specific health care service required under the law of this state, including, by way of illustration, tuberculin testing; (2) an emergency service following a traumatic injury other than a self-induced injury, or necessary to prevent death or severe or permanent disability; (3) diagnosis and treatment of communicable diseases, including, by way of illustration, tuberculosis or hepatitis; (4) treatment of diagnosed severe mental illness; (5) treatment of specific chronic conditions identified by the commissioner, including, by way of illustration, heart disease and diabetes; (6) staff-initiated care, including follow-up and referral visits; (7) preventive services that the commissioner determines are to be provided or made available to all inmates, including services related to disease prevention and promotion of proper health habits; or (8) other services as may be exempted by rule of the commissioner. No inmate may be denied any necessary billable medical service because of inability to pay the charge.

(c) Any inmate who intentionally ingests, inhales, injects, absorbs, applies, or otherwise exposes himself or herself to, in any manner whatsoever not otherwise specified herein, an illegal drug, a drug not legally prescribed to him or her, a drug in quantities above that recommended by a prescribing physician, a synthetic intoxicant, or any substance for the purpose of causing an excited, euphoric, or stupefied state, or altered perception, including hallucinations or delusions, and the inmate requires medical treatment due to the ingestion, inhalation, injection, absorption, application, or exposure shall reimburse the cost of the medical treatment to the division.

(d) Each inmate shall be afforded an opportunity at least quarterly to review all deposits into, withdrawals from, and balance remaining in the inmate's trustee account during the preceding three months.

(e) The commissioner shall promulgate interpretive rules implementing this section pursuant to §29A-3-1 et seq. of this code prior to making any assessment under this section. The policy directive rules may establish the fee schedule and list of billable services and further define services to be exempted.

**§15A-4-13a. Prohibition on use of taxpayer resources for certain medical procedures.**

(a) For purposes of this section:

(1) "Medical procedure" means health care services or products, surgery, in-patient or out-patient treatment, or the prescribing or dispensing of drugs or biologicals for the purpose of treating an illness, injury, disease, condition, or the symptoms thereof.

No transfer may occur pursuant to the provisions of this section until the inmate is informed of his or her rights and the procedures involved in his or her native language unless it is determined that the inmate's knowledge of English is sufficient.

**§15A-4-19. Mentally ill inmates; treatment; transfer between correctional and mental health facilities; correctional facility procedures.**

(a) No person who is, or was considered to be, mentally ill, intellectually disabled, or addicted shall be denied parole or a parole hearing based upon the past or present condition. In the event a convicted person is deemed to be an appropriate candidate for parole, but for a condition warranting involuntary hospitalization of the person, shall be paroled, and proceedings instituted pursuant to §27-5-4 of this code. Any time spent in such a facility shall be considered part of the term, and any person whose sentence expires while receiving treatment for a mental condition shall be discharged unless proceedings have been instituted and a determination made pursuant to §27-5-4 of this code.

(b) When a convicted person in a jail, prison, or other facility is believed to be mentally ill, intellectually disabled, or addicted, as those terms are defined in §27-1-1 et seq. of this code, and in need of treatment, training, or other services, the facts relating to the illness, shall be presented to the superintendent of the facility. The facts may be presented by a correctional officer, member of a correctional institution medical staff, relative, or the convicted person. Immediately upon receipt of the facts, the superintendent shall arrange for psychiatric or psychological examination of the person alleged to be so afflicted. If the report of the examination is to the effect that the individual is mentally ill, intellectually disabled, or addicted and that treatment, training, or other services are required which cannot reasonably be provided at the correctional facility, the superintendent shall file within 20 days after presentation of the facts an application for transfer with the clerk of the circuit court of the county of location of the correctional facility. The application for transfer shall include a statement of the nature of the treatment which the person's condition warrants and the facility to which transfer is sought.

Within 10 days of receipt of the application from the superintendent, the mental hygiene commissioner or circuit judge shall appoint counsel for the convicted person if the person is indigent.

The clerk of the circuit court shall forthwith notify the convicted person, by certified mail, return receipt requested, delivered only to addressee, that the application has been filed, enclosing therewith a copy of the application with an explanation of the place and purpose of the transfer and the type of treatment to be afforded, together with the name, address, and telephone number of any appointed counsel. The person shall be afforded reasonable telephone access to his or her counsel. The clerk shall also notify the superintendent or other chief administrative officer of the facility to which transfer is sought. Within 15 days after receipt of notice, the convicted person, through counsel, shall file a verified return admitting or denying the allegations and informing the court or mental hygiene commissioner as to whether the respondent wishes to oppose the transfer. Counsel shall file the return only after personal consultation with the convicted person. The superintendent of the facility to which transfer is sought shall also file a return within 15 days of the receipt of notice, informing the court or mental hygiene commissioner as to whether the needed

treatment or other services can be provided within that facility. If the superintendent objects to receiving the convicted person for treatment or services, the reasons for the objection shall be specified in detail.

If the transfer is opposed by either the convicted person or by the superintendent of the facility to which transfer is sought, the matter shall forthwith be set for hearing, in no event to exceed 30 days from the date of the return opposing the transfer, and the clerk shall provide to the convicted person, the superintendent of the facility to which transfer is sought, and the superintendent of the correctional facility, at least 10 days written notice, by certified mail, return receipt requested, of the purpose, time, and place of the hearing.

The convicted person shall be present at the hearing, and be afforded an opportunity to testify and to present and cross-examine witnesses. Counsel for the convicted person shall be entitled to copies of all medical reports upon request. The person shall have the right to an examination by an independent expert of the person's choice and testimony from the expert as a medical witness on the person's behalf. The cost of providing the medical expert shall be borne by the state if the person is indigent. The person shall not be required to give testimony which is self-incriminating. The circuit court or mental hygiene commissioner shall hear evidence from all parties, in accord with the rules of evidence. A transcript or recording shall be made of all proceedings, and transcript made available to the person within 30 days, if the same is requested for the purpose of further proceedings, and without cost if the person is indigent.

Upon completion of the hearing, and consideration of the evidence presented therein, the circuit court or mental hygiene commissioner shall make findings of facts as to whether or not: (1) The individual is mentally ill, intellectually disabled, or addicted; (2) the individual because of mental illness, mental retardation, or addiction is likely to cause serious harm to self or others; (3) the individual could not obtain the requisite treatment or training at the correctional facility or another appropriate correctional facility; and (4) the designated facility to which transfer is sought could provide the treatment or training with the security as the court finds appropriate; and, if all the findings are in the affirmative, the circuit court may order the transfer of the person to the appropriate facility. The findings of fact shall be incorporated into the order entered by the circuit court. In all proceedings hereunder, proof of mental condition and of likelihood of serious harm must be established by clear, cogent, and convincing evidence, and the likelihood of serious harm must be based upon evidence of recent overt acts.

**§15A-4-20. Work program.**

(a) The commissioner is authorized to establish at each institution a work program for qualified inmates. The commissioner shall establish guidelines and qualifications to allow inmates sentenced to a regional jail facility to be gainfully employed with local businesses and governmental entities as part of a job program. A qualified inmate does not include an inmate convicted of a sexual offense or a violent felony.

(b) An inmate who works in work programs established under this section may be required to make reimbursement to the division toward the cost of his or her incarceration to be credited to the agency billed for that incarceration, pursuant to the conditions set forth in §15A-4-19 of this code.

(c) Notwithstanding any provision of this code to the contrary, the county commission, its members and agents, the Division of Corrections and Rehabilitation or designee, its employees, agents, or assigns, the Regional Jail and Correctional Facility Authority Board, its members, agents, or assigns, the sheriff, and his or her deputies, shall be immune from all liability of any kind except for accident, injury, or death resulting directly from gross negligence or malfeasance.

**§15A-4-21. Director of employment; director of housing; released inmates; duties.**

The commissioner may employ or contract for a Director of Employment and a Director of Housing for released inmates. The Director of Employment shall work with federal, state, county, and local government and private entities to negotiate agreements which facilitate employment opportunities for released inmates. The Director of Housing shall work with federal, state, county, and local government and private entities to negotiate agreements which facilitate housing opportunities for released inmates. The Director of Employment shall investigate job opportunities and give every possible assistance in helping released inmates find employment. The Director of Housing shall work in conjunction with the Bureau of Community Corrections and the Parole Board to reduce release delays due to lack of a home plan and develop community housing resources.
