WEST VIRGINIA CODE: §15A-4A-3

§15A-4A-3. Expanded work release pilot program.

The Commissioner of the Division of Corrections and Rehabilitation is hereby authorized to establish a pilot program expanding available work release facilities to no more than a total of five locations be used for eligible offenders who are sentenced to serve a term of imprisonment in the custody of the commissioner and whom the commissioner requires to serve the last portion of their sentences in a work release facility in accordance with this article.
