The employees may be provided meals, household facilities, and supplies as may be necessary for them to perform their duties, if the employees agree to pay the reasonable cost as established by the commissioner. In the event of an emergency, such as a riot or other disturbance, the commissioner may authorize meals to be provided to employees at no cost. Additionally, the commissioner may establish a procedure to reimburse employees reasonable costs in the event the employee's personal property is stolen or damaged by an inmate or resident. The commissioner shall, from time to time, as may be necessary, make a report to the Auditor, which shall state the name of each person employed at any of the institutions named in §15A-3-12 of this code, his or her official designation and biweekly rate of compensation, and out of what funds or appropriation the same is payable. The superintendent of the institution, or other person who may have been appointed for the purpose by the commissioner, shall make and certify to the Auditor at the end of each month a list of persons to whom any payments may be due, stating for what purpose due, the amount due each person, and the fund or appropriation from which payable; one copy whereof shall be filed in the office of the institution where made, and one in the office of the commissioner. If the Auditor finds the list correct and in accordance with the reports made to him or her by the commissioner, he or she may pay to the persons entitled thereto the amounts so certified as due each.

§15A-3-9. Special compensation of officers and employees prohibited; penalty.

No officer or employee shall receive, directly or indirectly, any other compensation for his or her services than that provided by law, or by the commissioner before his or her appointment, nor shall he or she receive any compensation whatever, directly or indirectly, for any act or service which he or she may do or perform for or on behalf of any contractor, or agent, or employee of a contractor. For any violation of this section the officer, agent, or employee of the state engaged therein shall be dismissed from his or her office or service, and every contractor, or employee, or agent of a contractor, engaged therein shall be expelled from the grounds of an institution, and not again employed in any institution as a contractor, agent, or employee.

(b) The commissioner is a law-enforcement official, and may, and permit and allow or disallow his or her designated employees to use, publicly provided carriage to travel from their residences to their workplace and return: *Provided*, That the usage is subject to the supervision of the commissioner and is directly connected with and required by the nature and in the performance of the official's or designated employee's duties and responsibilities.

(c) All employees of the division are responsible for enforcing rules and laws necessary for the control and management of correctional units and the maintenance of public safety that is within the scope of responsibilities of the division.

(d) Persons employed by the Division of Corrections and Rehabilitation as correctional officers may make arrests of persons already charged with a violation of law who surrender themselves to the correctional officer, arrest persons already in the custody of the division for violations of law occurring in the officer's presence, detain or arrest persons for violations of state law committed on the property of any facility under the jurisdiction of the commissioner, and conduct investigations, pursue, and apprehend escapees from the custody of a facility of the division.

(e) The commissioner may designate correctional employees as correctional peace officers who may:

(1) Detain persons for violations of state law committed on the property of any state correctional institution;

(2) Conduct investigations regarding criminal activity occurring within a correctional facility;

It has limited law-enforcement authority regarding matters occurring at jails, correctional centers, and juvenile centers, and arrest powers to apprehend escapees, absconders, and in all matters arising on the grounds of a facility under the care and control of the commissioner: *Provided*, That at any time the Corrections Special Operations Team is apprehending an escapee or an absconder outside the confinement of the facility grounds, it does so with the assistance and

cooperation of local law enforcement or the West Virginia State Police.

Any correctional employee authorized to do so by the commissioner may carry division-issued firearms while in the performance of his or her official duties, which shall include travel to and from work sites. To maintain certification, a correctional employee must successfully complete an annual firearms qualification course equivalent to that required of certified law-enforcement officers as established by the law enforcement professional standards program. The certificate shall be on a form prescribed by the commissioner and shall bear his or her official signature.

(h) In recognition of the duties of their employment supervising the confinement and transportation of inmates, and their arrest powers referenced in this section which constitute law enforcement, correctional officers with the power to arrest and who have been authorized to carry firearms by the Commissioner are determined to be qualified law-enforcement officers as that term is used in 18 U.S.C. § 926B.

(i) Any state designated correctional officer may carry a concealed firearm for self-defense purposes pursuant to the provisions of 18 U.S.C. § 926B, if the following criteria are met:

(2) There is in place a requirement that the designated correctional officers annually qualify in the use of a firearm with standards for qualification which are equal to, or exceed, those required of sheriff's deputies by the Law-Enforcement Professional Standards Program;

(3) The Commissioner issues a photographic identification and certification card which identify the designated correctional officers as qualified law-enforcement employees pursuant to the provisions of this subsection.

(j) Any policy instituted pursuant to this section shall include provisions which:

provisions of this subsection is responsible, at his or her expense, for obtaining and maintaining a suitable firearm and ammunition.

(l) It is the intent of the Legislature in enacting the amendments to this section during the 2024 regular session of the Legislature to authorize designated correctional officers wishing to do so to meet the requirements of the federal Law-Enforcement Officer's Safety Act, 18 U.S.C. § 926B.

(m) The privileges authorized by the amendments to this section enacted during the 2024 regular session of the Legislature are wholly within the discretion of the Commission.

(a) The commissioner shall prescribe the design, or designs, of uniforms used by employees of the division, which shall be dissimilar to the design of the uniform worn by the members of the State Police or the established statewide uniform of a sheriff or deputy sheriffs. A municipality shall not adopt for its police officers or other employees a uniform which is similar in design to the uniform adopted by the commissioner.

(b) No person who is not an officer or employee of the Division of Corrections and Rehabilitation, and no officer or employee of the division who is not authorized to do so, may, with intent to deceive, wear, use, order to be used or worn, copy, or imitate in any respect or manner the uniform, badge, identification card, or other insignia prescribed for employees of the division.

(e) Any person who violates the provisions of §15A-3-11(b), §15A-3-11(c), or §15A-3-11(d) of this code is guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than \$200, or confined in the county or regional jail for not more than six months, or both fined and confined.

(1) The commissioner may direct that a person who is placed in a half-way house or transitional housing facility under this section make reimbursement to the state in the amount of a reasonable sum calculated to offset all or part of the costs of the placement. Prior to ordering the person to make the reimbursement, the commissioner, or his or her designee, shall consider the following:

(g) The commissioner, or his or her designee, may transfer any adult prisoner or inmate who is mentally disturbed and who would more appropriately be treated in an institution under the jurisdiction of the Bureau of Health, to the Bureau, subject to the approval of the Director of Health, and may transfer any adult prisoner or inmate to an appropriate mental facility for specialized medical treatment.

Any agreement entered into under this section shall be with the consent and approval of the Secretary of the Department of Military Affairs and Public Safety, and shall include a provision within each agreement allowing for the immediate termination by the secretary or commissioner at any time.

§15A-3-14. Exempt from Purchasing Division; purchasing procedures.

(a) The provisions established in §5A-3-1 *et seq.* of this code do not apply to the division or any institution under the control of the division.

(b) When the cost under any contract or agreement entered into by the division, other than compensation for personal services, involves an expenditure of more than \$10,000 and less than \$25,000, the division shall solicit at least three bids, if possible, from vendors and make a written contract, or agreement, with the lowest responsible bidder. When the cost under any contract or agreement entered into by the division, other than compensation for personal services, involves an expenditure of \$25,000 or more, the division shall make a written contract with the lowest responsive, responsible bidder after public notice is published, which notice shall state the general character of the work and general character of the materials to be furnished, the place where plans and specifications therefor may be examined, and the time and place of receiving bids. The notice may be published by an advertising medium the division deems advisable. The division may also solicit sealed bids by sending requests by mail or electronic transmission to prospective vendors. But a contract for lease of a correctional facility is not subject to the foregoing requirements and the division may enter into the contract for lease pursuant to negotiation upon the terms and conditions and for the period as it finds to be reasonable and proper under the circumstances and in the best interests of proper operation or efficient acquisition or construction of the projects. The division may reject any and all bids. A bond with good and sufficient surety, approved by the division, may be required by the division. The good and sufficient surety may be in the form of a bid bond, performance bond, payment bond, maintenance bond, labor and materials bond, or any other type of surety deemed necessary by the division.

(c) The division may use best value procurement to enter into a contract when the commissioner determines in writing that it is advantageous to the state.

(1) A solicitation for bids under best value procurement shall be made in the same manner as provided in this section.

(2) Best value procurement awards shall be based on criteria set forth in the solicitation and information contained in the proposals submitted in response to the solicitation. Those criteria include, but are not limited to, price and the total cost of acquiring, operating, maintaining, and supporting a commodity or service over its projected lifetime, as well as technical criteria. The technical criteria may include, but are not limited to, the evaluated technical merit of the bidder's bid or proposal, the bidder's past performance, the degree to which a proposal exceeds other proposals in technical merit, the utility of any novel or unrequested items in the proposal, and the evaluated probability of performing the requirements stated in the solicitation on time, with high quality, and in a manner that accomplishes the business objectives set forth in the solicitation.

(3) The award must be made to the highest scoring responsive and responsible bidder whose

bid is determined, in writing, to be most advantageous to the state, taking into consideration all evaluation factors set forth in the best value solicitation.

(4) The division may not use best value procurement to enter into government construction contracts, including, but not limited to, those set forth in §5-22-1 *et seq.* of this code.

(d)(1) The division may make a direct award of a contract without competitive bidding if:

(A) The commissioner shall make a written determination that the direct award is in the best interest of the state;

(B) The division documents in writing that competition is not available because there is no other source for the commodity or service, or that no other source would be willing or able to replace the existing source without a detrimental effect on the division, the existence of a detrimental effect being determined by the commissioner in his or her sole discretion;

(C) The division publicly advertises a notice of intent to make a direct award without competition in the state's official bid notification system, as well as any other public advertisement that the division deems appropriate, for no less than 10 business days; and

(D) No other vendor expresses an interest in providing the commodity or service in question.

(2) If a vendor expresses an interest in providing the commodity or service described in the notice of intent to make a direct award, then the division must convert the direct award to a competitive bid, unless the commissioner determines that the interest expressed by a vendor is unreasonable. The competitive bid may, at the discretion of the commissioner, be either a request for quotation or request for proposal.

(3) The notice of intent to make a direct award shall contain the following information:

(A) A description of the commodity or service for which a direct award will be made;

(B) A time period by which delivery must be made or performance must occur;

(C) The price that will be paid for the commodity or service;

(D) Any limitations that a competing vendor would need to satisfy;

(E) An invitation to all vendors interested in providing the commodity or service to make that interest known; and

(F) Contact information for the commissioner or his or her designee, and instructions to submit a statement of interest to the commissioner or his or her designee.

(e) The commissioner, or division, shall not award a contract or renew a contract to any vendor or prospective vendor when the vendor or prospective vendor, or a related party to

the vendor or prospective vendor, is a debtor and:

(1) The debt owed is an amount greater than \$1,000 in the aggregate; or

(2) The debtor is in employer default.

(f) The division has the authority to run criminal background checks, financial background checks, a licensing check, and a credit check, and any vendor, or any and all principals in a company or corporation, must submit to said checks to be eligible to be awarded a contract for the division. The commissioner, or division, shall not award a contract to a vendor if any of the following are present:

(1) Conviction of an offense involving fraud or a felony offense in connection with obtaining or attempting to obtain a public contract or subcontract;

(2) Conviction of any federal or state antitrust statute relating to the submission of offers;

(3) Conviction of an offense involving embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property in connection with the performance of a contract;

(4) Conviction of a felony offense demonstrating a lack of business integrity or business honesty that affects the present responsibility of the vendor or subcontractor;

(5) Default on obligations owed to the state, including, but not limited to, obligations owed to the Workers' Compensation Fund, as defined in §23-2C-1 *et seq.* of this code, and obligations under the West Virginia Unemployment Compensation Act and West Virginia state tax and revenue laws. For purposes of this subsection, a vendor is in default when, after due notice, the vendor fails to submit a required payment, interest thereon, or penalty, and has not entered into a repayment agreement with the appropriate agency of the state or has entered into a repayment agreement but does not remain in compliance with its obligations under the repayment agreement. In the case of a vendor granted protection by order of a federal bankruptcy court or a vendor granted an exemption under any rule of the Bureau of Employment Programs or the Insurance Commissioner, the commissioner may award a contract: *Provided*, That in no event may the contract be awarded to any vendor who has not paid all current state obligations for at least the four most recent calendar quarters, excluding the current calendar quarter, or with respect to any vendor who is in default on a repayment agreement with an agency of the state;

(6) The vendor is not in good standing with a licensing board, in that the vendor is not licensed when licensure is required by the law of this state, or the vendor has been found to be in violation of an applicable licensing law after notice, opportunity to be heard, and other due process required by law;

(7) The vendor is an active and knowing participant in dividing or planning procurements to circumvent the \$25,000 threshold requiring a sealed bid or otherwise avoid the use of a

sealed bid; or

(8) Violation of the terms of public contracts or subcontracts for:

(A) Willful failure to substantially perform in accordance with the terms of one or more public contracts;

(B) Performance in violation of standards established by law or generally accepted standards of the trade or profession amounting to intentionally deficient or grossly negligent performance on one or more public contracts;

(C) Use of substandard materials on one or more public contracts or defects in construction in one or more public construction projects amounting to intentionally deficient or grossly negligent performance, even if discovery of the defect is subsequent to acceptance of a construction project and expiration of any warranty thereunder;

(D) A repeated pattern or practice of failure to perform so serious and compelling as to justify disqualification; or

(E) Any other cause of a serious and compelling nature amounting to knowing and willful misconduct of the vendor that demonstrates a wanton indifference to the interests of the public and that caused, or that had a substantial likelihood of causing, serious harm to the public.

(g) Unless the context clearly requires a different meaning, for the purposes of this section, the term:

(1) "Debt" means any assessment, premium, penalty, fine, tax, or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, amounts owed to the Workers' Compensation Fund as defined in §23-2C-1 *et seq.* of this code, penalty, or other assessment or surcharge presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon;

(2) "Debtor" means any individual, corporation, partnership, association, limited liability company, or any other form of business association owing a debt to the state or any of its political subdivisions, and includes any person or entity that is in employer default;

(3) "Employer default" means having an outstanding balance or liability to the Old Fund or to the Uninsured Employers' Fund or being in policy default, as defined in §23-2C-2 of this code, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement;

(4) "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function and whose jurisdiction is coextensive with one or more counties or municipalities; and

(5) "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company, or any other form of business association or other entity whatever, related to any vendor by blood, marriage, ownership, or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually, or by effect, receive or control a portion of the benefit, profit, or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

(h) The prohibitions of subdivision (5), subsection (f) of this section do not apply where a vendor has contested any tax administered pursuant to chapter 11 of this code, amount owed to the Workers' Compensation Fund as defined in §23-2C-1 *et seq.* of this code, permit fee, or environmental fee or assessment and the matter has not become final, or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

(i) The division may disqualify a vendor if award to the vendor would jeopardize the safe, secure, and orderly operations of the division.

(j) All bids, contract proposals, or contracts with the state or any of its political subdivisions submitted or approved under the provisions of this code shall include an affidavit that the vendor, prospective vendor, or a related party to the vendor or prospective vendor is not in employer default and does not owe any debt in an amount in excess of \$1,000 or, if a debt is owed, that the provisions of subsection (h) of this section apply.

(k) If the division has to make a purchase under emergency conditions, or an emergency situation, that jeopardizes the safe, secure, and orderly operations of the division, as deemed by the commissioner, and approved by the Secretary of the Department of Military Affairs and Public Safety, subsection (b) of this section shall not apply.

(l) The commissioner may enter into agreements with medical schools and institutions of higher education in this state to develop standards for appropriate and innovative medical programming and care for inmates: *Provided*, That the division will follow the procedures set forth in subsection (b) of this section for delivery of regular and normal medical care within the facilities.

(m) Notwithstanding any other provision of this code to the contrary, any records obtained in response to solicitations for bids from the division shall not be subject to disclosure pursuant to §29B-1-1 *et seq.* of this code, until and unless the time frame for submission of bids has

closed: *Provided*, That once bids close, the records may be exempt from disclosure pursuant to §29B-1-4 of this code. Any record relating to any solicitation for, or purchase of, any item related to the safe and secure running of any facility under the jurisdiction of the Commissioner of the Division of Corrections and Rehabilitation is not subject to disclosure pursuant to §29B-1-1 *et seq.* of this code.

§15A-3-14a. Creation of special fund for surplus property revenue; disposal of surplus property.

(a) There is hereby created a special revenue fund in the State Treasury known as the Division of Corrections and Rehabilitation Surplus Property Fund. Moneys from this fund shall be used for facility maintenance and repair.

(1) Transferring the particular commodities or expendable commodities between departments;

(2) Selling the commodities to county commissions, county boards of education, municipalities, public service districts, county building commissions, airport authorities, parks and recreation commissions, nonprofit domestic corporations qualified as tax exempt under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, or volunteer fire departments in this state when the volunteer fire departments have been held exempt from taxation under Section 501(c) of the Internal Revenue Code;

(3) Trading in the commodities as a part payment on the purchase of new commodities;

(4) Cannibalizing the commodities pursuant to procedures established under subsection (g) of this section;

(5) Properly disposing of the commodities as waste;

(6) Selling the commodities to the general public at the posted price or to the highest bidder by means of public auctions or sealed bids, after having first advertised the time, terms, and place of the sale as a Class II legal advertisement in compliance with the provisions of §59-3-1 et seq. of this code. The publication area for the publication is the county in which the sale is to be conducted. The sale may also be advertised in other advertising media that the division considers advisable. The division may sell to the highest bidder or to any one or more of the highest bidders, if there is more than one, or, if the best interest of the state will be served, reject all bids; or

(7) Selling the commodities to the highest bidder by means of an internet auction site approved by the division, as set forth in an emergency rule promulgated pursuant to the provisions of §29A-3-15 of this code.

(c) Upon the sale to the general public or transfer of commodities or expendable commodities between departments, or upon the sale of commodities or expendable commodities to an eligible organization, the division shall set the price to be paid by the receiving eligible organization, with due consideration given to current market prices.

(d) The division may sell expendable, obsolete, or unused motor vehicles owned by the division to an eligible organization, other than volunteer fire departments. In addition, the division may sell expendable, obsolete, or unused motor vehicles owned by the division with a gross weight in excess of 4,000 pounds to an eligible volunteer fire department. The division, with due consideration given to current market prices, shall set the price to be paid by the receiving eligible organization for motor vehicles sold pursuant to this provision: Provided, That the sale price of any motor vehicle sold to an eligible organization may not be less than the "average loan" value, as published in the most recent available eastern edition of the National Automobile Dealers Association (NADA) Official Used Car Guide, if the value is available, unless the fair market value of the vehicle is less than the NADA "average loan" value, in which case the vehicle may be sold for less than the "average loan" value. The fair market value shall be based on a thorough inspection of the vehicle by an employee of the division who shall consider the mileage of the vehicle and the condition of the body, engine, and tires as indicators of its fair market value. If no fair market value is available, the division shall set the price to be paid by the receiving eligible organization with due consideration given to current market prices. The duly authorized representative of the eligible organization, for whom the motor vehicle or other similar surplus equipment is purchased or otherwise obtained, shall cause ownership and proper title to the motor vehicle to be vested only in the official name of the authorized governing body for whom the purchase or transfer was made. The ownership or title, or both, shall remain in the possession of that governing body and be nontransferable for a period of not less than one year from the date of the purchase or transfer. Resale or transfer of ownership of the motor vehicle or equipment prior to an elapsed period of one year may be made only by reason of certified unserviceability.

(e) The division shall report to the Legislative Auditor, semiannually, all sales of commodities or expendable commodities made during the preceding six months to eligible organizations. The report shall include a description of the commodities sold, the price paid by the eligible organization that received the commodities, and to whom each commodity was sold.

(f) The proceeds of the sales or transfers shall be deposited in the State Treasury in the special revenue account created in subsection (a) of this section.

(g)(1) For purposes of this section, "cannibalization" means the removal of parts from one commodity to use in the creation or repair of another commodity.

(e) The superintendent of any facility, on request of an inmate or resident, may expend up to one half of the money earned by the inmate or resident on behalf of the family of the inmate or resident if the 10 percent mandatory savings has first been set aside and other fees or court ordered obligations owed by the inmate or resident have been paid. The remainder of the money earned, after deducting amounts expended as authorized, shall be accumulated to the credit of the inmate or resident and be paid to the inmate or resident at times as may be prescribed by rules. The funds so accumulated on behalf of inmates or residents shall be held by the superintendent of each institution under a bond approved by the Attorney General.

(f) The superintendent shall deliver to the inmate or resident at the time he or she leaves the institution, or as soon as practicable after departure, all personal property, moneys, and earnings then credited to the inmate or resident, or in case of the death of the inmate or resident before authorized release from the institution, the superintendent shall deliver the property to the inmate's or resident's personal representative. The former inmate or resident will be afforded the opportunity to collect the money if he or she pays the cost of the transaction. If the former inmate or resident does not claim the money within 30 days of receiving the notice and the sum of money is less than \$10, the commissioner may place the money into the inmate benefit fund.

(h) The provisions of this section apply to both juveniles and adults within the custody of the commissioner.

(b) There is continued a special revenue account in the State Treasury for each inmate, or resident, benefit fund established by the commissioner. If an account does not currently exist for an institution, the commissioner may establish the account for that institution. Moneys received by an institution for deposit in an inmate, or resident, benefit fund shall be deposited with the State Treasurer to be credited to the special revenue account created for the institution's inmate, or resident, benefit fund: Provided, That commissions on any contract providing services to jail inmates shall not be deposited into this account. Moneys in a special revenue account established for an inmate benefit fund may be expended by the institution for the purposes set forth in this section. §15A-4-11. Financial responsibility program for inmates.

(a) The Legislature finds that:

(1) There is an urgent need for vigorous enforcement of child support, restitution, and other court-ordered obligations;

(2) The duty of inmates to provide for the needs of dependent children, including their necessary food, clothing, shelter, education, and health care should not be avoided because of where the inmate resides;

(3) A person owing a duty of child support who chooses to engage in behaviors that result in the person becoming incarcerated should not be able to avoid child support obligations; and

(4) Each sentenced inmate should be encouraged to meet his or her legitimate court-ordered financial obligations.

(b) As part of the initial classification process into a correctional facility, the division shall assist each inmate in developing a financial plan for meeting the inmate's child support obligations, if any exist. At subsequent program reviews, the division shall consider the inmate's efforts to fulfill those obligations as indicative of that individual's acceptance and demonstrated level of responsibility.

(c)(1) The superintendent shall deduct from the earnings of each inmate all legitimate court-ordered financial obligations. The superintendent shall also deduct child support payments from the earnings of each inmate who has a court-ordered financial obligation. The commissioner shall develop a policy that outlines the formula for the distribution of the offender's income and the formula shall include a percentage deduction, not to exceed 50 percent in the aggregate, for any court-ordered victim restitution, court fees, and child support obligations owed under a support order, including an administrative fee, consistent with the provisions of §48-14-406(c) of this code, to support the division's administration of this financial service;

(2) If the inmate worker's income is subject to garnishment for child support enforcement deductions, it shall be calculated on the net wages after taxes, legal financial obligations, and garnishment;

(3) The division shall develop the necessary administrative structure to record inmates' wages and keep records of the amount inmates pay for child support; and

(4) Nothing in this section limits the authority of the Bureau for Child Support Enforcement from taking collection action against an inmate's moneys, assets, or property.

(d) If an inmate is awarded a civil judgment, or settles a civil matter, which awards him or her monetary damages, the court in which those damages are awarded or settled shall enter an order which deducts attorney fees and litigation costs owed the inmate's legal counsel

and deducts all known outstanding child support, restitution, spousal support, and court costs from the award to the inmate, and satisfies those obligations, prior to releasing any funds to the inmate.

(e) Notwithstanding the failure of a court to act in accordance with subsection (d) of this section, the division may honor any outstanding court-ordered obligations of which it is aware, to satisfy all known orders of child support, restitution, spousal support, or court costs and shall deduct from any civil judgment or civil settlement such amounts necessary to pay such obligations of the inmate, if any, arising from orders of child support, restitution, spousal support, or court costs prior to depositing funds from such civil judgment or civil settlement in the inmate's account. The provisions of this subsection shall apply to civil actions filed after July 1, 2019.

(f) The accumulation of the total funds, not necessary for current distribution, shall be invested, with the approval of the commissioner or as appropriate, through the West Virginia Municipal Bond Commission, in short-term bonds or treasury certificates or equivalent of the United States. Bonds and certificates so purchased shall remain in the custody of the State Treasurer. The earnings from investments so made shall be reported to the principal officer of each institution, from time to time, as earned, and shall be credited to the respective accounts of the institutions by the West Virginia Municipal Bond Commission. §15A-4-12. Limitation on reimbursement rate to medical service providers for services outside division facilities.

The division, or its contracted medical providers, may not pay an amount to an outside provider of a medical service for an adult inmate residing in a jail or correctional facility greater than the reimbursement rate applicable to service providers established in the Medicaid plan by the Bureau for Medical Services: *Provided*, That critical access hospitals shall be reimbursed at 75 percent of the billed charges. These limitations apply to all medical care services, goods, prescription drugs, and medications provided to a person who is in the custody of a correctional facility and is provided these services outside of a correctional facility: *Provided, however*, That the Department of Military Affairs and Public Safety and the Department of Human Services effectuate an interagency agreement for the electronic processing and payment of medical services.

§15A-4-13. Charges assessed against inmates for services provided by state.

(a) The commissioner is authorized to assess inmates serving a sentence in any state jail, penal, or correctional facility reasonable charges for health care and treatment services provided to them by the state. The charges assessed against an inmate may be deducted directly from the inmate's trustee account without the inmate's consent. The inmate shall be notified of the amount deducted and the charges to which it has been applied.

(b) As used in this section, a "reasonable charge" may not exceed the sum of \$25 for any billable service. Inmates shall be notified of the fee schedule, billable services, and exempt services. Services initiated by the inmate shall be assessed a fee, except that no charge may be assessed for: (1) a specific health care service required under the law of this state, including, by way of illustration, tuberculin testing; (2) an emergency service following a traumatic injury other than a self-induced injury, or necessary to prevent death or severe or permanent disability; (3) diagnosis and treatment of communicable diseases, including, by way of illustration, tuberculosis or hepatitis; (4) treatment of diagnosed severe mental illness; (5) treatment of specific chronic conditions identified by the commissioner, including, by way of illustration, heart disease and diabetes; (6) staff-initiated care, including follow-up and referral visits; (7) preventive services that the commissioner determines are to be provided or made available to all inmates, including services related to disease prevention and promotion of proper health habits; or (8) other services as may be exempted by rule of the commissioner. No inmate may be denied any necessary billable medical service because of inability to pay the charge.

(c) Any inmate who intentionally ingests, inhales, injects, absorbs, applies, or otherwise exposes himself or herself to, in any manner whatsoever not otherwise specified herein, an illegal drug, a drug not legally prescribed to him or her, a drug in quantities above that recommended by a prescribing physician, a synthetic intoxicant, or any substance for the purpose of causing an excited, euphoric, or stupefied state, or altered perception, including hallucinations or delusions, and the inmate requires medical treatment due to the ingestion, inhalation, injection, absorption, application, or exposure shall reimburse the cost of the medical treatment to the division.

(d) Each inmate shall be afforded an opportunity at least quarterly to review all deposits into, withdrawals from, and balance remaining in the inmate's trustee account during the preceding three months.

(e) The commissioner shall promulgate interpretive rules implementing this section pursuant to §29A-3-1 et seq. of this code prior to making any assessment under this section. The policy directive rules may establish the fee schedule and list of billable services and further define services to be exempted.

(b) No funds authorized or appropriated by state law shall be expended, directly or indirectly, for any medical procedure that the Commissioner of Corrections and Rehabilitation, or his or her designee or agent, after consulting with a medical professional determines is not medically necessary for any individual who is in the custody of the Division of Corrections and Rehabilitation.

(c) No funds authorized or appropriated by state law may be expended, directly or indirectly, for health benefits that cover any medical procedure that the Commissioner of Corrections and Rehabilitation, or his or her designee or agent, after consulting with a medical professional determines is not medically necessary for any individual who is in the custody of the Division of Corrections and Rehabilitation.

(d) The commissioner is authorized to establish written rules, policies, and regulations regarding medical procedures which may distinguish between inmates based upon, among other grounds, length of incarceration.

§15A-4-14. Record of inmate or resident.

The commissioner shall file and preserve the record of the indictment and conviction, in the case of an adult, or the charges and adjudication, in the case of a juvenile, of each inmate or resident, and keep a register describing him or her, the term of his or her confinement, for what offense, and when received into the institution.

(b) The commutation of sentence, known as “good time”, shall be deducted from the maximum term of indeterminate sentences or from the fixed term of determinate sentences.

(c) Each eligible inmate committed to the custody of the commissioner and incarcerated in a facility pursuant to that commitment shall be granted one day good time for each day he or she is incarcerated, including any and all days in jail awaiting sentence which are credited by the sentencing court to his or her sentence pursuant to §61-11-24 of this code, or for any other reason relating to the commitment. An inmate may not be granted any good time for time served either on parole or bond or in any other status when he or she is not physically incarcerated.

(d) An inmate sentenced to serve a life sentence is not eligible to earn or receive any good time pursuant to this section.

(e) An eligible inmate under two or more consecutive sentences shall be allowed good time as if the several sentences, when the maximum terms of the consecutive sentences are added together, were all one sentence.

(f) The commissioner shall promulgate disciplinary rules and policies. The rules and policies shall describe acts that inmates are prohibited from committing, procedures for charging individual inmates for violation of the rules, and for determining the guilt or innocence of inmates charged with the violations, and the sanctions which may be imposed for the violations. A copy of the rules shall be given to each inmate. For each violation any part or all of the good time which has been granted to the inmate pursuant to this section may be forfeited and revoked by the superintendent of the institution in which the violation occurred. The superintendent, when appropriate and with approval of the commissioner, may restore any forfeited good time.

(g) Each inmate, upon his or her commitment to, and being placed into the custody of, the commissioner, or upon his or her return to custody as the result of violation of parole under §62-12-19 of this code, or supervised release under §62-12-26 of this code shall be given a

statement setting forth the term or length of his or her sentence or sentences and the time of his or her minimum discharge computed according to this section.

(h) Each inmate shall be given a revision of the statement described in subsection (g) of this section when any part or all of the good time has been forfeited and revoked or restored pursuant to subsection (f) of this section, by which the time of his or her earliest discharge is changed.

(i)(1) An eligible inmate may receive extra good time in the sole discretion of the commissioner for meritorious service or performing extra assigned duties during emergencies; and

(2) In addition to the good time granted under subsection (c) of this section and that authorized by subdivision (1) of this subsection, an eligible inmate serving a felony sentence may receive up to 90 days good time per program for successfully completing an approved, but not required, academic or vocational program, which is not part of the inmate's required individualized reentry programming plan. The commissioner shall adopt a written policy to effectuate the purposes of this subsection.

(j) There shall be no grants or accumulations of good time or credit to any inmate serving a sentence in the custody of the Division of Corrections and Rehabilitation except in the manner provided in this section.

(k) Prior to the calculated discharge date of an inmate serving a sentence for a felony crime of violence against the person, a felony offense where the victim was a minor child, or a felony offense involving the use of a firearm, one year shall be deducted from the inmate's accumulated good time to provide for one year of mandatory post-release supervision following the first instance in which the inmate reaches his or her calculated discharge date. All inmates released pursuant to this subsection are subject to electronic or GPS monitoring for the entire period of supervision. The provisions of this subsection are applicable to offenses committed on or after July 1, 2013.

(l) Upon sentencing of an inmate for a felony offense not referenced in subsection (k) of this section, the court may order that 180 days of the sentence, or some lesser period, be served through post-release mandatory supervision if the court determines supervision is appropriate and in the best interest of justice, rehabilitation, and public safety. All inmates released pursuant to this subsection are subject to electronic or GPS monitoring for the entire period of supervision. The provisions of this subsection are applicable to offenses committed on or after July 1, 2013.

§15A-4-17a. Division of Corrections and Rehabilitation mandatory supervised release plan.

The commissioner may develop a mandatory supervised release plan for an inmate serving a sentence for a felony offense not referenced in §15A-4-17(k) of this code who has not been granted discretionary parole 180 days prior to the inmate's minimum expiration of sentence, which may include electronic monitoring as a condition of release. The inmate may be released and subject to a period of mandatory supervision of 180 days when he or she is 180 days from his or her minimum expiration of sentence.

- (1) An inmate on mandatory supervised release pursuant to this subsection may be returned by the commissioner to a correctional facility for violation of the conditions of supervision and may not again be eligible for mandatory supervised release during the same period of incarceration.
- (2) An inmate on mandatory supervised release shall be considered released on parole.
- (3) Mandatory supervised release is not a commutation of sentence or any other form of clemency.
- (4) Subject to subdivision (1) of this subsection, the period of mandatory supervised release shall conclude upon completion of the minimum expiration of sentence.

§15A-4-18. Governor's authority to authorize commissioner to consent to transfer of inmates under a federal treaty.

If a treaty in effect between the United States and a foreign country provides for the transfer or exchange of convicted offenders to the country of which they are citizens or nationals, the Governor may, on behalf of the state and subject to the terms of the treaty and with the consent of the offender, authorize the commissioner to consent to the transfer or exchange of inmates in his or her custody and take any other action necessary to initiate the participation of this state in the treaty. No transfer may occur pursuant to the provisions of this section until the inmate is informed of his or her rights and the procedures involved in his or her native language unless it is determined that the inmate's knowledge of English is sufficient.

§15A-4-19. Mentally ill inmates; treatment; transfer between correctional and mental health facilities; correctional facility procedures.

(a) No person who is, or was considered to be, mentally ill, intellectually disabled, or addicted shall be denied parole or a parole hearing based upon the past or present condition. In the event a convicted person is deemed to be an appropriate candidate for parole, but for a condition warranting involuntary hospitalization of the person, shall be paroled, and proceedings instituted pursuant to §27-5-4 of this code. Any time spent in such a facility shall be considered part of the term, and any person whose sentence expires while receiving treatment for a mental condition shall be discharged unless proceedings have been instituted and a determination made pursuant to §27-5-4 of this code.

(b) When a convicted person in a jail, prison, or other facility is believed to be mentally ill, intellectually disabled, or addicted, as those terms are defined in §27-1-1 et seq. of this code, and in need of treatment, training, or other services, the facts relating to the illness, shall be presented to the superintendent of the facility. The facts may be presented by a correctional officer, member of a correctional institution medical staff, relative, or the convicted person. Immediately upon receipt of the facts, the superintendent shall arrange for psychiatric or psychological examination of the person alleged to be so afflicted. If the report of the examination is to the effect that the individual is mentally ill, intellectually disabled, or addicted and that treatment, training, or other services are required which cannot reasonably be provided at the correctional facility, the superintendent shall file within 20 days after presentation of the facts an application for transfer with the clerk of the circuit court of the county of location of the correctional facility. The application for transfer shall include a statement of the nature of the treatment which the person's condition warrants and the facility to which transfer is sought.

Within 10 days of receipt of the application from the superintendent, the mental hygiene commissioner or circuit judge shall appoint counsel for the convicted person if the person is indigent.

The clerk of the circuit court shall forthwith notify the convicted person, by certified mail, return receipt requested, delivered only to addressee, that the application has been filed, enclosing therewith a copy of the application with an explanation of the place and purpose of the transfer and the type of treatment to be afforded, together with the name, address, and telephone number of any appointed counsel. The person shall be afforded reasonable telephone access to his or her counsel. The clerk shall also notify the superintendent or other chief administrative officer of the facility to which transfer is sought. Within 15 days after receipt of notice, the convicted person, through counsel, shall file a verified return admitting or denying the allegations and informing the court or mental hygiene commissioner as to whether the respondent wishes to oppose the transfer. Counsel shall file the return only after personal consultation with the convicted person. The superintendent of the facility to which transfer is sought shall also file a return within 15 days of the receipt of notice, informing the court or mental hygiene commissioner as to whether the needed

treatment or other services can be provided within that facility. If the superintendent objects to receiving the convicted person for treatment or services, the reasons for the objection shall be specified in detail.

If the transfer is opposed by either the convicted person or by the superintendent of the facility to which transfer is sought, the matter shall forthwith be set for hearing, in no event to exceed 30 days from the date of the return opposing the transfer, and the clerk shall provide to the convicted person, the superintendent of the facility to which transfer is sought, and the superintendent of the correctional facility, at least 10 days written notice, by certified mail, return receipt requested, of the purpose, time, and place of the hearing.

The convicted person shall be present at the hearing, and be afforded an opportunity to testify and to present and cross-examine witnesses. Counsel for the convicted person shall be entitled to copies of all medical reports upon request. The person shall have the right to an examination by an independent expert of the person's choice and testimony from the expert as a medical witness on the person's behalf. The cost of providing the medical expert shall be borne by the state if the person is indigent. The person shall not be required to give testimony which is self-incriminating. The circuit court or mental hygiene commissioner shall hear evidence from all parties, in accord with the rules of evidence. A transcript or recording shall be made of all proceedings, and transcript made available to the person within 30 days, if the same is requested for the purpose of further proceedings, and without cost if the person is indigent.

Upon completion of the hearing, and consideration of the evidence presented therein, the circuit court or mental hygiene commissioner shall make findings of facts as to whether or not: (1) The individual is mentally ill, intellectually disabled, or addicted; (2) the individual because of mental illness, mental retardation, or addiction is likely to cause serious harm to self or others; (3) the individual could not obtain the requisite treatment or training at the correctional facility or another appropriate correctional facility; and (4) the designated facility to which transfer is sought could provide the treatment or training with the security as the court finds appropriate; and, if all the findings are in the affirmative, the circuit court may order the transfer of the person to the appropriate facility. The findings of fact shall be incorporated into the order entered by the circuit court. In all proceedings hereunder, proof of mental condition and of likelihood of serious harm must be established by clear, cogent, and convincing evidence, and the likelihood of serious harm must be based upon evidence of recent overt acts.

§15A-4-20. Work program.

(a) The commissioner is authorized to establish at each institution a work program for qualified inmates. The commissioner shall establish guidelines and qualifications to allow inmates sentenced to a regional jail facility to be gainfully employed with local businesses and governmental entities as part of a job program. A qualified inmate does not include an inmate convicted of a sexual offense or a violent felony.

(b) An inmate who works in work programs established under this section may be required to make reimbursement to the division toward the cost of his or her incarceration to be credited to the agency billed for that incarceration, pursuant to the conditions set forth in §15A-4-19 of this code.

(c) Notwithstanding any provision of this code to the contrary, the county commission, its members and agents, the Division of Corrections and Rehabilitation or designee, its employees, agents, or assigns, the Regional Jail and Correctional Facility Authority Board, its members, agents, or assigns, the sheriff, and his or her deputies, shall be immune from all liability of any kind except for accident, injury, or death resulting directly from gross negligence or malfeasance.

The Director of Employment shall work with federal, state, county, and local government and private entities to negotiate agreements which facilitate employment opportunities for released inmates. The Director of Housing shall work with federal, state, county, and local government and private entities to negotiate agreements which facilitate housing opportunities for released inmates. The Director of Employment shall investigate job opportunities and give every possible assistance in helping released inmates find employment. The Director of Housing shall work in conjunction with the Bureau of Community Corrections and the Parole Board to reduce release delays due to lack of a home plan and develop community housing resources.

§15A-4A-1. Purpose of article and legislative findings.

(a) The purpose of this article is to establish an expanded required work release pilot program in no more than five locations in this state.

(b) The Legislature finds that the primary reasons for requiring participation in a work release program are to increase public protection while aiding the transition of the offender back into the community where he or she will be going with or without work release program participation. Participating in work release may reduce the likelihood of recidivism by gradually reintroducing an offender to the community while providing security, structure, and supervision and providing necessary services.

(c) The Legislature further finds that participation in a work release program provides an transitional environment for offenders nearing the end of their sentences while maintaining structure, supervision, offender accountability, improved program opportunities, employment counseling and placement, substance abuse, and life skills training.

§15A-4A-2. Definitions.

As used in this article, unless the context clearly requires a different meaning, the term:

- (1) "Commissioner" means the commissioner of the Division of Corrections and Rehabilitation;

In the event a second inspection is required by the State Fire Marshal as a result of the owner or occupant failing to be ready for the inspection when the State Fire Marshal arrives, the State Fire Marshal shall charge the owner or occupant of the occupancy the inspection fees set forth above for each inspection trip required.

(b) Whenever the State Fire Marshal determines that any building or structure has been constructed, altered, or repaired in a manner violating the State Building Code, or State Fire Code, prior to the commencement of such construction, alteration, or repairs; or whenever he or she may determine that any building or structure constitutes a fire hazard by reason of want of repair, age, or dilapidated or abandoned condition, or otherwise, and is so situated as to endanger other buildings and property; or whenever he or she may find in any building or upon any premises any combustible, flammable, or explosive substance or material, or other conditions dangerous to the safety of persons occupying the building or premises and adjacent premises or property, he or she may make reasonable orders in writing, directed to the owner of such building, structure, or premises, for the repair or demolition of such building or structure, or the removal of the combustible, flammable, or explosive substance or material, as the case may be, and the remedying of any conditions found to be in violation of a regulation promulgated as aforesaid or to be dangerous to the safety of persons or property.

A true copy of every order of the State Fire Marshal as provided for in this section shall be filed in the county where the premises are totally or partially located, with the county clerk who shall index and record the order in the general lien book. The designee may include an employee of the Fire Marshal, an agent of the Fire Marshal, a vendor, a Fire Department and its employees or agents, or a governmental entity and its employees or agents. When activated, the smoke detector shall provide an alarm suitable to warn the occupants of the danger of fire.

(g) All single station carbon monoxide detectors with a suitable alarm or a combination smoke detector and carbon monoxide detectors shall be hardwired into an alternating current (AC) electrical source, with battery backup, when installed in all newly constructed apartment buildings, boarding houses, dormitories, hospitals, long-term care facilities, adult or child care facilities, assisted living facilities, one- and two-family dwellings intended to be rented or leased, hotels, and motels.

(h) In any long-term care facility that is staffed on a 24-hour, seven day a week basis, the single station carbon monoxide detector with a suitable alarm or a combination smoke detector and carbon monoxide detector is only required to be installed in an area of the facility that permits the detector to be audible to the staff on duty.

(i) Carbon monoxide detectors shall be installed in every public or private school or daycare facility that uses a fuel-burning heating system or other fuel-burning device that produces combustion gases. A carbon monoxide detector shall be located in each area with a fuel-burning heating system or other fuel-burning device that produces combustion gases.

(j) Any person installing a carbon monoxide detector in a residential unit shall inform the owner, lessor, or the occupant or occupants of the residential unit of the dangers of carbon monoxide poisoning and instructions on the operation of the installed carbon monoxide detector.

(k) When repair or maintenance work is undertaken on a fuel-burning heating or cooking source or a venting system in an existing residential unit, the person making the repair or performing the maintenance shall inform the owner, lessor, or the occupant or occupants of the unit being served by the fuel-burning heating or cooking source or venting system of the dangers of carbon monoxide poisoning and recommend the installation of a carbon monoxide detector.

(l) Any person who violates any provision of this section is guilty of a misdemeanor and, upon conviction thereof, for a first offense, shall be fined \$250. For a second offense, the person is guilty of a misdemeanor and, upon conviction thereof, shall be fined \$750. (n) A violation of this section may not constitute a defense in any civil action or proceeding

involving any insurance policy.

(o) Nothing in this section shall be construed to limit the rights of any political subdivision in this state to enact laws imposing upon owners of any dwelling or other building described in subsection (a) or (f) of this section a greater duty with regard to the installation, repair, and replacement of the smoke detectors or carbon monoxide detectors than is required by this section.

§15A-10-13. Use of live trees in public buildings; exceptions.

WV Legislature

§15A-10-14. Safety standards for bed and breakfast establishments; findings.

(a) *Findings.* — Bed and breakfast establishments provide a unique and important contribution to the state, allowing visitors the opportunity to enjoy many of the aspects of our communities and state not available at hotels and motels, and often provide vacationers access to overnight accommodation in areas of this state that would not otherwise be available. These operations continue to grow in number and importance in our state's economy and must be promoted and encouraged by state and local government. Most of these facilities are older residences being converted to this use, and in many cases have architectural and historical significance; and, as with most small businesses, are begun with limited capital available for investment. Any fire safety code standards applicable to these facilities must be sensitive to this distinction and avoid placing a large financial burden on persons operating or planning to operate these facilities. Further, the personal safety of those who live in and visit these facilities is of paramount importance and requires that consideration be made to assure that adequate safety requirements are placed on these facilities to provide for the safety of visitors, residents, and, in an emergency, responding firefighters and rescue workers.

(b) *Definition.* — For the purposes of this section, the term “bed and breakfast establishment” means a building occupied as a one-family dwelling unit that provides sleeping accommodations and breakfast to transient guests for a single fee and does not offer more than six guest rooms to no more than 12 guests.

(c) *Fire code standards.* — Notwithstanding any provision of this code to the contrary, every bed and breakfast establishment shall be exempt from provisions of fire safety code requirements which are contrary to the following standards:

(1) Each bed and breakfast shall have operational smoke alarms in all common areas, guest rooms, and hallways, and heat detectors as otherwise required by this code or rule of the Fire Commission. Battery-powered smoke alarms shall be permitted where the establishment has demonstrated that the testing, maintenance, and battery replacement procedures will ensure reliable power to the smoke alarms. Notwithstanding any provision of this code to the contrary, no smoking will be allowed inside a bed and breakfast establishment.

(2) Each bed and breakfast shall have operational hard-wired, battery-powered, or plug-in emergency lighting that indicates available means of egress. Battery-powered or plug-in emergency lighting devices shall be permitted where the establishment has demonstrated that the testing, maintenance, and battery replacement procedures will ensure reliable power to the emergency lighting devices.

(3) The State Fire Marshal shall permit bed and breakfast establishments that cannot readily comply with the requirements of a legislative rule, which may mandate the installation of a secondary means of escape or a sprinkler system, one year per floor of the establishment to comply with the requirements.

(4) All other provisions of the state fire safety code not inconsistent with this section and rules promulgated pursuant to subsection (d) of this section are applicable to bed and breakfast establishments.

(d) *Legislative rules.* — The State Fire Commission shall promulgate or amend an existing legislative rule, in accordance with the provisions of §29A-3-1 *et seq.* of this code, to effectuate the provisions of this section. The rule shall include a mechanism for the Fire Marshal to grant individual variances to bed and breakfast establishments which cannot otherwise meet provisions of the state fire safety code due to the historic and architectural significance of the establishment, with due consideration of the economic limitations inherent in the operation of this type of small business.

(e) *Historic preservation review.* — The owner of a bed and breakfast may request the historical preservation section of the Division of Culture and History, pursuant to §15A-1-8 of this code, to consult with the owner and provide a recommendation to the Fire Marshal regarding the historic character of the structures used or proposed to be used as a bed and breakfast and any objections or concerns regarding any renovations or other changes required by the Fire Marshal. If an appeal regarding a decision made by the Fire Marshal is made as provided by §15A-10-18 of this code, the Fire Marshal shall consider the recommendation of the historical preservation section when making a determination regarding the variance as provided for in subsection (d) of this section.

§15A-10-15. Performance of installation of propane gas systems.

(a) Notwithstanding any statutory or regulatory provisions to the contrary, any person who installs, fuels, maintains, or services any fuel gas system to a one- or two-family dwelling shall comply with rules promulgated by the Fire Commission relating to fuel gas systems.

(b) This section does not apply to any person who performs this work on a single-family dwelling, owned or leased, and occupied by that person. The personal exemption provided in this subsection is the same as the personal exemption provided in §29-3D-1, *et seq.* of this code.

(c) Use of, refilling of, or work upon a liquefied petroleum gas container without the consent of the tank owner is prohibited.

(d) No person shall sell, install, fill, refill, deliver or permit to be delivered, or use in any manner any liquefied petroleum gas container unless the container is owned by the person, or its use is authorized by its owner.

(e) For purposes of this section "Liquefied petroleum gas" means propane and or predominantly a mixture of propane and butane.

If a formal hearing is requested, the applicant or licensee and the secretary shall proceed in accordance with the provisions of §29A-5-1 *et seq.* of this code.

(d) If the license is denied, limited, suspended, or revoked, the license or certification holder shall cease and desist practices of their profession as of the effective date of the denial, limitation, suspension, or revocation. Any administrative appeal of such denial, limitation, suspension, or revocation shall not stay the denial, limitation, suspension, or revocation.

(e) A party aggrieved by a decision by the State Fire Marshal may appeal such final decision to the Office of Administrative Hearings, pursuant to §15A-9-1 *et seq.* of this code, or may choose independent informal dispute resolution as set forth in this article.

(a) A license or certification holder adversely affected by an order or citation of a deficient practice issued pursuant to this article may request the independent informal dispute resolution process. A license or certificate holder may contest a cited deficiency as contrary to law or unwarranted by the facts or both.

(b) The State Fire Marshal has the authority to establish conference panels composed of three persons of the licensed or certified skill to decide the outcome of the independent informal dispute resolution process. One member shall be selected by the State Fire Marshal, one member shall be selected by the licensee or certificate holder, and one member shall be selected by agreement of both. If a vacancy occurs on the panel, the replacement for that member shall be made by the original individual who had selected such member. The members of the panel shall serve without compensation. This panel shall hear the matter and render a decision. The licensee or certificate holder may not be accompanied by counsel during the independent informal dispute resolution conference.

(c) Upon appeal of a decision rendered by the State Fire Marshal, the panel shall hold an informal conference affirming, modifying, or vacating an order of the State Fire Marshal, or issuing an order in the name of the State Fire Marshal. The panel shall forthwith notify the parties of its decision and as soon as practicable send written notices of its decision to the parties. The decision of the panel is final. The independent informal dispute resolution process is not a formal evidentiary proceeding.

(d) A party aggrieved by a decision of a panel may appeal pursuant to §29A-5-1 *et seq.* of this code.

(e) The State Fire Marshal shall promulgate a procedural rule to carry out the provisions of this section.
