## **WEST VIRGINIA CODE: §16-1-19**

## §16-1-19. Child's right to nurse; location where permitted; right protected.

- (a) The Legislature finds that breast feeding is an important, basic act of nurturing that is protected in the interests of maternal and child health.
- (b) Notwithstanding any provision of this code to the contrary, a mother may breast feed a child in any location open to the public.
