- (a) The purpose or purposes to which the proceeds of sale of such bonds, or the revenues derived from the sewerage system or stormwater system, may be applied and the securing, use and disposition thereof, including, if considered desirable, the appointment of a trustee or depositary for any of such funds;
- (b) The pledging of all or any part of the revenues derived from the ownership, operation or control of such sewerage systems or stormwater system, including any part thereof heretofore or hereafter constructed or acquired or derived from any other sources, to the payment of the principal of or interest thereon of bonds issued hereunder and for such reserve or other funds as may be considered necessary or desirable;
- (c) The fixing, establishing and collecting of such fees, rentals or other charges for the use of the services and facilities of such sewerage system or stormwater system, including the parts thereof heretofore or hereafter constructed or acquired and the revision of same from time to time, as will always provide revenues at least sufficient to provide for all expenses of operation, maintenance and repair of such sewerage system or stormwater system, the payment of the principal of and interest on all bonds or other obligations payable from the revenues of such sewerage system or stormwater system, and all reserve and other funds required by the terms of the ordinance authorizing the issuance of such bonds;
- (d) The transfer from the General Funds of the municipality to the account or accounts of such sewerage system or stormwater system of an amount equal to the cost of furnishing the municipality or any of its departments, boards or agencies with the services and facilities of such sewerage system or stormwater system;
- (e) Limitations or restrictions upon the issuance of additional bonds or other obligations payable from the revenue of such sewerage system or stormwater system, and the rank or priority, as to lien and source and security for payment from the revenues of the sewerage system or stormwater system, between bonds payable from the revenues;
- (f) The manner and terms upon which all bonds and other obligations issued hereunder may be declared immediately due and payable upon the happening of a default in the payment of the principal of or interest thereon, or in the performance of any covenant or agreement with bondholders, and the manner and terms upon which defaults may be declared cured and the acceleration of the maturity of such bonds rescinded and repealed;

- (g) Budgets for the annual operation, maintenance and repair of such sewerage system or stormwater system and restrictions and limitations upon expenditures for such purposes, and the manner of adoption, modification, repeal or amendment thereof, including the approval of such budgets by consulting engineers designated by holders of bonds issued hereunder;
- (h) The amounts of insurance to be maintained upon such sewerage system or stormwater system, or any part thereof, and the use and disposition of the proceeds of any insurance;
- (i) The keeping of books of account, relating to such undertakings and the audit and inspection thereof, and the furnishing to the holders of bonds issued hereunder or their representatives, reports prepared, certified, or approved by accountants designated or approved by the holders of bonds issued hereunder;
- (j) Such other additional covenants as shall be considered necessary or desirable for the security of the holders of bonds issued hereunder, notwithstanding that other covenants are not expressly enumerated hereunder, it being the intention hereof to grant to the municipalities the power to make any and all covenants or agreements necessary in order to secure greater marketability for bonds issued hereunder as fully and to the same extent as such covenants or agreements could be made by a private corporation rendering similar services and facilities and to grant such municipalities full and complete power to enter into any contracts, covenants or agreements with holder of bonds issued hereunder not inconsistent with the Constitution of the State of West Virginia.
