

WEST VIRGINIA CODE: §16-2D-14

§16-2D-14. Procedure for an uncontested application for a certificate of need.

The authority shall review an uncontested certificate of need application within sixty days from the date the application is batched. An uncontested application is deemed approved if the review is not completed within sixty days from the date the application is batched, unless an extension, up to fifteen days is requested by the applicant.
