WEST VIRGINIA CODE: §16-2D-18

§16-2D-18. Denial or revocation of license for operating without certificate.

A person who violates the provisions of this article is subject to denial or revocation of a license, in whole or in part, to operate a proposed health service or health care facility. Upon a showing to the authority that a person is offering or developing a proposed health service without having first obtained a certificate of need or that a person is otherwise in violation of the provisions of this article, the authority shall provide a person with written notice which shall state the nature of the violation and the time and place at which the person shall appear to show good cause why its license should not be revoked or denied, at which time and place the person shall be afforded a reasonable opportunity to present testimony and other evidence in support of the person’s position. If, thereafter, the authority determines that the person's license to operate the health service or health care facility should be revoked or denied, the authority shall issue a written order to the appropriate licensing agency of the state, requiring that the person's license to operate the proposed health service or health care facility be revoked or denied. The order is binding upon the licensing agency.
