

WEST VIRGINIA CODE: §16-3-12

§16-3-12. Same -- Duties of the state director of health; duties of board of health.

It shall be the duty of the state director of health:

- (a) To enforce the provisions of sections seven through thirteen, inclusive, of this article;
- (b) To provide for the gratuitous distribution of one percent solution of silver nitrate outfits, together with proper directions for the use and administration thereof, to all physicians and midwives who may be engaged in the practice of obstetrics, or assisting at childbirth;
- (c) To publish and promulgate such further advice and information concerning the dangers of inflammation of the eyes of the newborn as is necessary for prompt and effective treatment;
- (d) To furnish copies of sections seven through thirteen, inclusive, of this article to all physicians and midwives who may be engaged in the practice of obstetrics, or assisting at childbirth;
- (e) To keep a proper record of any and all cases of inflammation of the eyes of the newborn of which reports are filed with the state director of health pursuant to law, or which may come to his attention in any way, and to constitute such records a part of the annual report to the Governor; and
- (f) To report any and all violations of the public health laws or of any rules or regulations lawfully adopted pursuant thereto that may come to his attention, to the prosecuting attorney of the county wherein said violations may have occurred, and to assist said official in any way possible in the prosecution of such cases.

It shall be the duty of the state board of health to promulgate such rules and regulations as shall be necessary for the purpose of enforcing said provisions, and as the state director of health may deem necessary for the further and proper guidance of local health officers.
