# WEST VIRGINIA CODE: §16-30-4

# §16-30-4. Executing a living will, medical power of attorney, or combined medical power of attorney and living will.

- (a) Any competent adult may execute at any time a living will, medical power of attorney, or combined medical power of attorney and living will. A living will, medical power of attorney, or combined medical power of attorney and living will made pursuant to this article shall be: (1) In writing; (2) executed by the principal or by another person in the principal's presence at the principal's express direction if the principal is physically unable to do so; (3) dated; (4) signed in the presence of two or more witnesses eat least 18 years of age; and (5) signed and attested by such witnesses whose signatures and attestations shall be acknowledged before a notary public.
- (b) In addition, a witness may not be:
- (1) The person who signed the living will, medical power of attorney, or combined medical power of attorney and living will on behalf of and at the direction of the principal;
- (2) Related to the principal by blood or marriage;
- (3) Entitled to any portion of the estate of the principal under any will of the principal or codicil thereto: *Provided*, That the validity of the living will, medical power of attorney, or combined medical power of attorney and living will may not be affected when a witness at the time of witnessing the living will, medical power of attorney, or combined medical power of attorney and living will was unaware of being a named beneficiary of the principal's will;
- (4) Directly financially responsible for the principal's medical care;
- (5) The attending physician; or
- (6) The principal's medical power of attorney representative or successor medical power of attorney representative.
- (c) The following persons may not serve as a medical power of attorney representative or successor medical power of attorney representative:
- (1) A treating health care provider of the principal;
- (2) An employee of a treating health care provider not related to the principal;
- (3) An operator of a health care facility serving the principal; or
- (4) Any person who is an employee of an operator of a health care facility serving the principal and who is not related to the principal.

- (d) It is the responsibility of the principal or his or her representative to provide for notification to his or her attending physician and other health care providers of the existence of the living will, medical power of attorney, or combined medical power of attorney and living will or a revocation of the living will, medical power of attorney, or combined medical power of attorney and living will. An attending physician or other health care provider, when presented with the living will, medical power of attorney, or combined medical power of attorney and living will, or the revocation of a living will, medical power of attorney, or combined medical power of attorney and living will, shall make the living will, medical power of attorney, or combined medical power of attorney and living will, or a copy or revocation of any, a part of the principal's medical records.
- (e) At the time of admission to any health care facility, each person shall be advised of the existence and availability of living will, medical power of attorney, and combined medical power of attorney and living will forms and shall be given assistance in completing such forms if the person desires: *Provided*, That under no circumstances may admission to a health care facility be predicated upon a person having completed a living will, medical power of attorney, or combined medical power of attorney and living will.
- (f) The provision of living will, medical power of attorney, or combined medical power of attorney and living will forms substantially in compliance with this article by health care providers, medical practitioners, social workers, social service agencies, senior citizens centers, hospitals, nursing homes, personal care homes, community care facilities, or any other similar person or group, without separate compensation, does not constitute the unauthorized practice of law.
- (g) The living will may, but need not, be in the following form and may include other specific directions not inconsistent with other provisions of this article. Should any of the other specific directions be held to be invalid, the invalidity may not affect other directions of the living will which can be given effect without the invalid direction and to this end the directions in the living will are severable.

The Kind of Medical Treatment I Want and Don't Want

## If I Have a Terminal Condition

Living will made this	day of(month,
year).	
I,	, (Insert your name)

being of sound mind, willfully and voluntarily declare that I want my wishes to be respected if I am very sick and unable to communicate my wishes for myself. In the absence of my ability to give directions regarding the use of life-prolonging intervention, it is my desire that my dying may not be prolonged under the following circumstances:

If I am very sick and unable to communicate my wishes for myself and I am certified by one physician, who has personally examined me, to have a terminal condition, I direct that life-prolonging intervention that would serve solely to prolong the dying process be withheld or withdrawn. I understand that by signing this document I am agreeing to the REMOVAL or REFUSAL of cardiopulmonary resuscitation (CPR), breathing machine (ventilator), dialysis, and medically administered food and fluids, such as might be provided intravenously or by feeding tube. I want to be allowed to die naturally and only be given medications or other medical procedures necessary to keep me comfortable. I want to receive as much medication as is necessary to alleviate my pain. Nevertheless, oral food and fluids, such as may be provided by spoon or by straw, shall be offered as desired and can be tolerated.

I give the following SPECIAL DIRECTIVES OR LIMITATIONS: (Comments about funeral
arrangements, autopsy, mental health treatment, and organ donation may be placed here
My failure to provide special directives or limitations does not mean that I want or refuse
certain treatments.)

It is my intention that this living will be hence	rod as the final expression of my local right to

It is my intention that this living will be honored as the final expression of my legal right to refuse medical or surgical treatment and accept the consequences resulting from such refusal.

(Insert the name, address, area code, and telephone number of the person you wish to designate as your successor representative. Please insert only one name.)

This appointment shall extend to, but not be limited to, health care decisions relating to medical treatment, surgical treatment, nursing care, medication, hospitalization, care and treatment in a nursing home or other facility, and home health care. The representative appointed by this document is specifically authorized to be granted access to my medical records and other health information and to act on my behalf to consent to, refuse, or withdraw any and all medical treatment or diagnostic procedures, or autopsy if my representative determines that I, if able to do so, would consent to, refuse, or withdraw such treatment or procedures. This authority shall include, but not be limited to, decisions regarding the withholding or withdrawal of life-prolonging interventions.

I appoint this representative because I believe this person understands my wishes and values and will act to carry into effect the health care decisions that I would make if I were able to do so and because I also believe that this person will act in my best interest when my wishes are unknown. It is my intent that my family, my physician, and all legal authorities be bound by the decisions that are made by the representative appointed by this document and it is my intent that these decisions should not be the subject of review by any health care provider or administrative or judicial agency.
