WEST VIRGINIA CODE: §16-39-7

§16-39-7. Notice.

Each health care entity shall post and keep posted, in conspicuous places on the premises of the health care entity where notices to employees and applicants for employment are customarily posted, a notice, to be prepared or approved by the commissioner, setting forth excerpts from, or summaries of, the pertinent provisions of this article and information pertaining to the filing of a charge under section four of this article.
