

WEST VIRGINIA CODE: §16-3D-8

§16-3D-8. Return of escapees from state tuberculosis institutions.

If any person confined in a state tuberculosis institution by virtue of an order of a circuit court as provided in sections seven and nine of this article shall escape, the chief medical officer shall issue a notice giving the name and description of the person escaping and requesting his or her apprehension and return to the hospital. The chief medical officer shall issue a warrant directed to the sheriff of the county commanding him or her to arrest and carry the escaped person back to the hospital, which warrant may be executed in any part of the state. If the person flees to another state, the chief medical officer shall notify the appropriate state health official in the state where the person has fled, and that state health official may take the actions that are necessary for the return of the person to the hospital.
