WEST VIRGINIA CODE: §16-4-11

§16-4-11. Precautions as to exposure to disease.

Whenever any attending physician or other person knows or has good reasons to believe that any person having a sexually transmitted disease is conducting himself or herself, or is about to conduct himself or herself, in a manner as to expose other persons to infection, the physician or other person shall at once notify the local health officer having jurisdiction of the facts in the case, giving the name and address of the person. The local health officer, upon receipt of the notice, shall at once cause an investigation to be made to ascertain what should be done in the premises, and may do whatever is necessary to protect the public health.
