(7) Be audited at least annually by a firm of certified public accountants selected by the program manager and provide the results of such audit to the Treasurer;

(8) Provide the Treasurer with copies of all regulatory filings and reports made by the financial organization during the term of the management contract or while the financial organization is holding any accounts, other than confidential filings or reports that will not become part of the program. The program manager shall make available for review by the Treasurer the results of any periodic examination of such manager by any state or federal banking, insurance or securities commission, except to the extent that such report or reports may not be disclosed under law; and

(9) Ensure that any description of the program, whether in writing or through the use of any media, is consistent with the marketing plan developed pursuant to the provisions of this article.

If the Treasurer terminates or does not renew a management agreement, the Treasurer shall take custody of accounts held by such program manager and shall seek to promptly transfer such accounts to another financial organization that is selected as a program manager or depository and into investment instruments as similar to the original instruments as possible.
