WEST VIRGINIA CODE: §16-4C-21

§16-4C-21. Restriction for provision of emergency medical services by out-of-state emergency medical service personnel or providers of emergency medical services.

The commissioner may issue an order on his or her own motion upon written request of any emergency medical service provider or county commission in this state, to restrict an out-of-state provider of emergency medical services or an out-of-state emergency medical service personnel to a particular geographic area of the State of West Virginia or prohibit the provider or personnel from providing emergency medical services within the borders of this state when in the opinion of the commissioner the services are not required or do not meet the standards set forth herein or those established by rules as authorized by this article.
