

WEST VIRGINIA CODE: §16-5V-35

§16-5V-35. Return to covered employment by retiree.

(a) The annuity of any member who retires under the provisions of this article and who resumes service in covered employment shall be suspended while the member continues in covered employment. The monthly annuity payment for the month in which the service resumes shall be pro-rated to the date of commencement of service, and the member shall again become a contributing member during resumption of service. At the conclusion of resumed service in covered employment the member shall have his or her annuity recalculated to take into account the entirety of service in covered employment.

(b) Any retiree who retired under the early retirement provisions of §16-5V-16 of this code, and is subsequently reemployed in covered employment pursuant to this section, and who again retires shall have his or her retirement annuity recalculated as if he or she were retiring at an age calculated by adding his or her original early retirement age to the number of years and months during which he or she was reemployed and contributing to the plan. In the event the artificially determined age, as determined in accordance with the preceding sentence, exceeds 60, the board shall not make any reduction for early retirement.
