§16-60-12. Rulemaking.

(a) The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment: *Provided*, That no rule may become binding on the State of West Virginia as law until it has been authorized by the Legislature pursuant to the provisions of §29A-3-1 *et seq.* of this code.

(b) If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact, then such rule shall have no further force and effect in any member state.

(l) Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rule-making procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that shall be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of Commission or member state funds;

(3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(4) Protect public health and safety.

(m) The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

(n) *Applicability of West Virginia Administrative Procedures Act.* —

(1) Notwithstanding any provision of this Compact to the contrary, no rule proposed or promulgated by the Commission may become binding on the State of West Virginia as law until it has been authorized by the Legislature pursuant to the provisions of §29A-3-1 *et seq.* of this code.

(2) Within 30 days of a rule or operating procedure that affects the regulation of emergency medical services in the State of West Virginia is promulgated by the Commission, the Commissioner of the Bureau for Public Health shall propose the rule for legislative approval in accordance with the provisions of §29A-3-1 *et seq.* of this code.

(3) The Commissioner has emergency rule-making authority. For purposes of this section, the Legislature finds that the promulgation of a rule or operating procedure by the Commission that affects the regulation of emergency medical services in the State of West Virginia constitutes an emergency for the purposes of filing an emergency rule pursuant to §29A-3-15 of this code.

(4) A rejection of a legislative rule proposed pursuant to this subsection shall have the effect of making that rule not binding on the State of West Virginia, notwithstanding any emergency rule previously promulgated pursuant thereto, and notwithstanding the failure of a majority of states to take action to invalidate the rule pursuant to the provisions of subsection (b) of this section.

§16-60-13. Oversight, dispute resolution, and enforcement.*(a) Oversight. —*

(1) The executive, legislative, and judicial branches of state government in each member state shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the rules promulgated hereunder shall have standing as statutory law once authorized by the Legislature pursuant to the provisions of §29A-3-1, *et seq.* of this code.

(2) All courts shall take judicial notice of the Compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this Compact which may affect the powers, responsibilities, or actions of the Commission.

(3) The Commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact, or promulgated rules.

(b) Default, technical assistance, and termination. —

(1) If the Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:

(A) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, and/or any other action to be taken by the Commission; and

(B) Provide remedial training and specific technical assistance regarding the default.

(2) If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(3) Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the Governor, the majority and minority leaders of the defaulting state's Legislature, and each of the member states.

(4) A state that has been terminated from the Compact is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(5) The Commission may not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.

(6) The defaulting state may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

(c) *Dispute Resolution.* —

(1) Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and nonmember states.

(2) The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate, subject to the provisions of §16-60-12(n) of this code.

(d) *Enforcement.* —

(1) The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact.

(2) By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices, against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws: *Provided*, That pursuant to article VI, section 35 of the Constitution of West Virginia, neither the State of West Virginia nor any officer or agency thereof shall be named as a defendant in any court of law or equity except in the State of West Virginia. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

§16-60-14. Date of implementation of the Interstate Commission for EMS Personnel Practice and associated rules; withdrawal; amendment.

(a) The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

(b) Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

(c) Any member state may withdraw from this Compact by enacting a statute repealing the same. Withdrawal shall not affect the continuing requirement of the withdrawing state's EMS authority to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

(d) Nothing contained in this Compact shall be construed to invalidate or prevent any EMS personnel licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.

(e) This Compact may be amended by the member states. No amendment to this Compact may become effective and binding upon any member state until it is enacted into the laws of all member states.

§16-60-15. Construction and severability.

(a) This Compact shall be liberally construed so as to effectuate the purposes thereof. If this Compact shall be held contrary to the constitution of any member state thereto, the Compact shall remain in full force and effect as to the remaining member states. Nothing in this Compact supersedes state law or rules related to licensure of EMS agencies.

(b) The Emergency Medical Services Advisory Council shall review decisions of the Interstate Commission for Emergency Medical Services Personnel Practice established pursuant to this Compact and, upon approval by the Interstate Commission for Emergency Medical Services Personnel Practice of any action that will have the result of increasing the cost to the state of membership in the Compact, may recommend to the Legislature that the state withdraw from the Compact.
