(A) That the nonparticipating manufacturer is registered to do business in this state or has appointed a resident agent for service of process and provided notice thereof as required by section four of this article;

(B) That the nonparticipating manufacturer has: (i) Established and continues to maintain a qualified escrow fund; and (ii) has executed a qualified escrow agreement that has been reviewed and approved by the Attorney General and that governs the qualified escrow fund;

(B) In the case of a nonparticipating manufacturer, the nonparticipating manufacturer affirms that the brand family is to be considered to be its cigarettes for purposes of article nine-b of this chapter. Nothing in this section shall be construed as limiting or otherwise affecting this state's right to maintain that a brand family constitutes cigarettes of a different tobacco product manufacturer for purposes of calculating payments under the master settlement agreement or for purposes of article nine-b of this chapter.

(5) Tobacco product manufacturers shall maintain all invoices and documentation of sales and any other information relied upon for the certification for a period of five years, unless otherwise required by law to maintain them for a greater period of time.

(2) Neither a tobacco product manufacturer nor brand family shall be included or retained in the directory if the Attorney General concludes in the case of a nonparticipating manufacturer, that:

(B) The commissioner shall transmit by email or other practicable means to each distributor or other stamping agent registered under article twelve, chapter eleven of this code, to affix West Virginia tax stamps to cigarettes notice of any addition to or removal from the directory of any tobacco product manufacturer or brand family.

(C) Failure of a manufacturer, distributor or other stamping agent to receive notice under paragraph (A) or (B), subdivision (3), subsection (b) of this section, or failure of the state to provide notice of any addition to or removal from the directory shall not relieve the distributor or other stamping agent of its obligations under this article.

(4) Every tobacco product manufacturer selling cigarettes in this state and every distributor or other stamping agent affixing West Virginia tax stamps to packages of cigarettes for sale in this state shall provide and update as necessary an electronic mail address to the commissioner for the purpose of receiving any notifications required by this article.

§16-9D-4a. Listing of nonparticipating manufacturers in the West Virginia Tobacco Directory; bonding requirement for nonparticipating manufacturers newly qualified or posing an elevated risk for noncompliance.

(a) Notwithstanding any other provision of law to the contrary, if a newly qualified nonparticipating manufacturer is to be listed in the directory described in subsection (b), section three of this article, or if the Attorney General reasonably determines that a nonparticipating manufacturer who has filed a certification pursuant to section three of this article poses an elevated risk for noncompliance with its obligations under this article or article nine-b of this chapter, neither the nonparticipating manufacturer nor any of its brand families may be included in the directory unless and until the nonparticipating manufacturer has posted a bond in accordance with this section.

(b) The bond shall be posted by corporate surety located within the United States in an amount equal to the greater of \$25,000 or the amount of escrow the manufacturer, in either its current or predecessor form, was required to deposit as a result of its sales in the previous calendar year in West Virginia. The bond shall be written in favor of the State of West Virginia and shall be conditioned on the performance by the nonparticipating manufacturer of all of its duties and obligations under this article and article nine-b of this chapter during the year in which the certification is filed and the next succeeding calendar year. Duplicate originals of the bond shall be provided to the State Tax Division and the Attorney General.

(c) A nonparticipating manufacturer may be considered to pose an elevated risk for noncompliance with this section if:

against, or an unsatisfied judgment against, the manufacturer or any affiliate thereof for escrow or for penalties, costs, or attorney fees related to noncompliance with state escrow laws.

(d) As used in this section, "newly qualified nonparticipating manufacturer" means a nonparticipating manufacturer that has not previously been listed in the directory in the three preceding calendar years. The manufacturer may be required to post a bond in accordance with this section for the first three years of their listing, or for such longer time as the Attorney General may require, if the manufacturer has been determined to pose an elevated risk for noncompliance. Any other nonparticipating manufacturer that has been determined to pose an elevated risk for noncompliance shall be required to post a bond in accordance with this section for three years, and shall be required to post a bond for such further period of time as the Attorney General may require, in accordance with this section, if the nonparticipating manufacturer still poses an elevated risk at the end of the three-year period.

(e) The posted bond shall be forfeited to the West Virginia General Revenue Fund in the event that the manufacturer fails to comply with its obligations under this article or article nine-b of this chapter. The amount of the forfeiture shall be equal to the delinquent escrow payments due at the time of forfeiture plus any penalties assessed against the manufacturer based on its failure to fulfill its responsibilities under this article and article nine-b of this chapter.

The service constitutes legal and valid service of process on the nonparticipating manufacturer. The nonparticipating manufacturer shall provide the name, address, phone number and proof of the appointment and availability of the agent to the satisfaction of the commissioner and the Attorney General.

(2) Any nonresident stamping agent authorized to affix stamps to packages of cigarettes evidencing payment of the tax levied by article seventeen, chapter eleven of this code, on cigarettes to be sold in this state that has not registered to do business in this state as a foreign corporation or business entity shall, as a condition precedent to being authorized to affix West Virginia tax stamps, appoint and continually engage without interruption the services of an agent in this state, or in the United States, to act as agent for the service of process on whom all process, and any action or proceeding against it concerning or arising out of the enforcement of this article and article nine-b of this chapter, may be served in any manner authorized by law. precedent for having the brand families of the nonparticipating manufacturer included or retained in the directory.
