WEST VIRGINIA CODE: §16-9E-8

§16-9E-8. Enforcement.

For violations of this article resulting in a delivery of tobacco products in this state, the prosecuting attorney of the county where the delivery is made shall have the power to prosecute the violation and to bring any action necessary to prevent further violations. The Attorney General or any person who holds a valid permit under 26 U.S.C. §5712 may bring any actions required to enforce all other requirements of this article and to prevent all other violations of its provisions.
