WEST VIRGINIA CODE: §16A-15-6

§16A-15-6. Daycare centers.

The Bureau shall promulgate rules within six months of the effective date of this section regarding the following:

(1) Possession and use of medical cannabis by a child under the care of a child-care or social service center licensed or operated by the Bureau of Family Assistance.

(2) Possession and use of medical cannabis by an employee of a child-care or social service center licensed or operated by the Bureau of Family Assistance.

(3) Possession and use of medical cannabis by employees of a youth development center or other facility which houses children adjudicated delinquent.
