WEST VIRGINIA CODE: §16A-4-3

§16A-4-3. Issuance of certification.

- (a) Conditions for issuance. A certification to use medical cannabis may be issued by a practitioner to a patient if all of the following requirements are met:
- (1) The practitioner has been approved by the bureau for inclusion in the registry and has a valid, unexpired, unrevoked, unsuspended license to practice medicine in this state at the time of the issuance of the certification.
- (2) The practitioner has determined that the patient has a serious medical condition and has included the condition in the patient's health care record.
- (3) The patient is under the practitioner's continuing care for the serious medical condition.
- (4) In the practitioner's professional opinion and review of past treatments, the practitioner determines the patient is likely to receive therapeutic or palliative benefit from the use of medical cannabis.
- (5) The practitioner has determined that the patient has no past or current medical condition(s) or medication use that would constitute a contraindication for the use of cannabis.
- (6) The practitioner has determined that the patient is experiencing serious pathophysiological discomfort, disability, or dysfunction that may be attributable to a serious medical condition and may possibly benefit from cannabis treatment when current medical research exhibits a moderate or higher probability of efficacy; and
- (7) The practitioner has educated the patient about cannabis and its safe use.
- (b) Contents. The certification shall include:
- (1) The patient's name, date of birth, and address.
- (2) The specific serious medical condition of the patient.
- (3) A statement by the practitioner that the patient has a serious medical condition and the patient is under the practitioner's continuing care for the serious medical condition.
- (4) The date of issuance.
- (5) The name, address, telephone number, and signature of the practitioner.
- (6) Any requirement or limitation concerning the appropriate form of medical cannabis and

limitation on the duration of use, if applicable, including whether the patient is terminally ill.

- (7) A statement by the practitioner attesting that he or she has performed the requirements contained in subsection (a) of this section on a form to be issued by the West Virginia Department of Health, Bureau for Public Health.
- (c) Consultation. —
- (1) A practitioner shall review the prescription drug monitoring program prior to:
- (A) Issuing a certification to determine the controlled substance history of a patient.
- (B) Recommending a change of amount or form of medical cannabis.
- (2) The practitioner shall consider and give due consideration to other controlled substances the patient may be taking prior to certifying medical cannabis.
- (d) Other access by practitioner. A practitioner may access the prescription drug monitoring program to do any of the following:
- (1) Determine whether a patient may be under treatment with a controlled substance by another physician or other person.
- (2) Allow the practitioner to review the patient's controlled substance history as deemed necessary by the practitioner.
- (3) Provide to the patient, or caregiver, on behalf of the patient if authorized by the patient, a copy of the patient's controlled substance history.
- (e) Duties of practitioner. The practitioner shall:
- (1) Provide the certification to the patient.
- (2) Provide a copy of the certification to the bureau, which shall place the information in the patient directory within the bureau's electronic database. The bureau shall permit electronic submission of the certification.
- (3) File a copy of the certification in the patient's health care record.
- (f) Prohibition. A practitioner may not issue a certification for the practitioner's own use or for the use of a family or household member.
