However, if the discrepancies are at the charge or final disposition level, the applicant must address this with the court or arresting agency that submitted the record to the State Police.

(f) If an applicant believes that their criminal history record information outside this state is incorrect or incomplete, they may appeal the accuracy of such information by contacting the Federal Bureau of Investigation for instructions.

(g) If any changes, corrections, or updates are made in the criminal history record information, the State Police shall notify the Inspector General that the applicant has appealed the accuracy of the criminal history records and provide the Inspector General with the updated results of the criminal history record information check, which the Inspector General shall review de novo in accordance with the provisions of this article.

§16B-15-6. Provisional employment pending completion of background check.

(a) The department, covered provider, or covered contractor may permit an applicant to work on a provisional basis for not more than 60 days pending notification from the director regarding the results of the criminal background check if:

In addition, engaging individuals knowing that they are ineligible to work may subject the employer to monetary civil penalties.

(c) The director shall treat and maintain any criminal background search information obtained under this article as confidential. The director shall limit the use of records solely to the purposes authorized in this article.
