WEST VIRGINIA CODE: §16B-18-3A

§16B-18-3a. Volunteer services or materials to build or install basic universal design features; workers, contractors, engineers, and architects; immunity from civil liability.

Any person, including a worker, contractor, engineer or architect, who in good faith provides services or materials, without remuneration, to build or install basic universal design features as set forth in §30-42-10 of this code may not be liable for any civil damages as the result of any act or omission in providing such services or materials: *Provided*, That the basic universal design feature or features shall be built or constructed in accordance with applicable state and federal laws and applicable building codes.
