WEST VIRGINIA CODE: §16B-3-14

§16B-3-14. Rural Emergency Hospital Act.

- (a) Definitions As used in this section:
- (1) "Critical Access Hospital" means a hospital that has been deemed eligible and received designation as a critical access hospital by the Centers for Medicare and Medicaid Services (CMS).
- (2) "Rural Emergency Hospital" means a facility that:
- (A) Was a critical access hospital;
- (B) Does not provide acute care inpatient services; and
- (C) Provides, at a minimum, rural emergency hospital services.
- (3) "Rural Emergency Hospital Services" means emergency department services and observation care furnished by a rural emergency hospital that does not exceed an annual per patient average of 24 hours in such rural emergency hospital.
- (4) "Staffed Emergency Department" means an emergency department of a rural emergency hospital that meets the following requirements:
- (A) The emergency department is staffed 24 hours a day, seven days a week; and
- (B) A licensed physician, advanced practice registered nurse, clinical nurse specialist, or physician assistant is available to furnish rural emergency hospital services in the facility 24 hours a day.
- (b) A hospital located in an urban area (Metropolitan Statistical Areas (MSA) county), can be considered rural for the purposes of a designation as a critical access hospital pursuant to U.S.C. §1395i-4(c)(2) if it meets the following criteria:
- (1) Is enrolled as both a Medicaid and Medicare provider and accepts assignment for all Medicaid and Medicare patients;
- (2) Provides emergency health care services to indigent patients;
- (3) Maintains 24-hour emergency services; and
- (4) Is located in a county that has a rural population of 50 percent or greater as determined by the most recent United States decennial census.
- (c) A critical access hospital may apply to be licensed as a rural emergency hospital if:

 *July 30, 2025**

 *Page 1 of 2**

 *\$16B-3-14**

- (1) It has been designated as a critical access hospital for at least one year; and
- (2) It is designated as a critical access hospital at the time of application for licensure as a rural emergency hospital.
- (d) In addition to the requirements of subsection (c) of this section, rural emergency hospital shall, at a minimum:
- (1) Provide rural emergency hospital services through a staffed emergency department;
- (2) Treat all patients regardless of insurance status; and
- (3) Have in effect a transfer agreement with a Level I or Level II trauma center.
- (e) A rural emergency hospital may:
- (1) With respect to services furnished on an outpatient basis, provide other medical and health services as specified by the Inspector General through rulemaking; and
- (2) Include a unit of a facility that is a distinct part licensed as a skilled nursing facility to furnish post-hospital extended care services.
- (f) The Inspector General shall propose a rule for legislative approval in accordance with the provisions of $\S 29A-3-1$ *et seq.* of this code to implement the provisions of this section.
