WEST VIRGINIA CODE: §16b-7-3

§16B-7-3. Pain management clinics to obtain license; application; fees and inspections.

(a) The Inspector General designates the Director of the Office of Health Facility Licensure and Certification to enforce the provisions of this article, except where otherwise stated.

(b) No person, partnership, association, or corporation may operate a pain management clinic without first obtaining a license from the director in accordance with the provisions of this article and the rules lawfully promulgated pursuant to this article.

(c) Any person, partnership, association, or corporation desiring a license to operate a pain management clinic in this state shall file with the Office of Health Facility Licensure and Certification an application in such form as the director shall prescribe and furnish accompanied by a fee to be determined by the director.

(d) The Director of the Office of Health Facility Licensure and Certification or his or her designee shall inspect each facility prior to issuing a license and review all documentation submitted with the application. The director shall issue a license if the facility is in compliance with the provisions of this article and with the rules lawfully promulgated pursuant to this article.

(e) A license shall expire one year from the date of issuance. Sixty days prior to the expiration date, an application for renewal shall be submitted on forms furnished by the director. A license shall be renewed if the director determines that the applicant is in compliance with this article and with all rules promulgated pursuant to this article. A license issued to one facility pursuant to this article is not transferable or assignable. A change of ownership of a licensed pain management clinic requires submission of a new application.

(f) The director or his or her designee shall inspect on a periodic basis all pain management clinics that are subject to this article and all rules adopted pursuant to this article to ensure continued compliance.
