WEST VIRGINIA CODE: §17-16F-29

§17-16F-29. State financial assistance for county, municipal and regional airports.

The division, out of any appropriation funds made by the Legislature or any funds at its disposal, may make funds available by grant or otherwise to counties, municipalities, and regional airport authorities, created under the provisions of chapter 8 of this code, for the planning, acquisition, construction, improvement, maintenance, or operation of airports owned or operated or to be owned or operated by such counties, municipalities, or regional airport authorities. Acceptance of any moneys by any such county, municipality, or regional airport authority, shall constitute consent by the recipient that a reasonable use of such airport may be made, upon request of the division, by the United States, the state, or any of their respective agencies, including the National Guard of West Virginia for State purposes related or incidental to aeronautics. Such financial assistance may be furnished in connection with federal or other financial aid for the same purpose.
