WEST VIRGINIA CODE: §17-17B-1

§17-17B-1 Short title; legislative findings and purpose.

(a) This article may be known and cited as the "State Transportation Infrastructure Fund Program.

(b) The Legislature finds and declares that new financing mechanisms will provide greater flexibility and additional funds for needed transportation infrastructure projects in the state. The creation of a financing mechanism, in conformance with the federal State infrastructure bank program, will enable the state, counties and municipalities to use federal and state highway funds to construct transportation projects eligible for assistance under the federal State infrastructure bank program.
